1 of this section or of section eleven hundred seventeen of this article
2 or of other law, for purposes of such a lease, option to renew or simi-
3 lar provision originally entered into outside this state, by a lessee
4 (1) who was a resident of this state, and leased such property for use
5 outside the state and who subsequently brings such property into this
6 state for use here or (2) who was a nonresident and subsequently becomes
7 a resident and brings the property into this state for use here, any
8 remaining receipts due or consideration to be given after such lessee
9 brings such property into this state shall be subject to tax as if the
10 lessee had entered into or exercised such lease, option to renew or
11 similar provision, or combination thereof, for the first time in this
12 state and the relevant provisions of sections eleven hundred ten
13 concerning imposition and computation of tax, eleven hundred eighteen
14 concerning exemption from use tax for tax paid to another jurisdiction,
15 eleven hundred thirty-two concerning presumption of taxability and
16 conditions for registration and eleven hundred thirty-nine concerning
17 refunds, of this article, shall be applicable to any sales or compensat-
18 ing use tax paid by the lessee before the lessee brought the property
19 into this state, except to the extent that any such provision is incon-
20 sistent with a provision of this subdivision. For purposes of this
21 subdivision, (1) a lease for a term of one year or more shall include
22 any lease for a shorter term which includes an option to renew or other
23 like provision (or more than one of such option or other provision)
24 where the cumulative period that the lease, with or without such option
25 or provision, may be in effect upon exercise of such option or provision
26 is one year or more and (2) receipts due and consideration given or
27 contracted to be given under any such lease or other provision for
28 excess mileage charges shall be subject to tax as and when paid or due.

29 § 2. Subdivision (q) of section 1111 of the tax law, as amended by
30 section 2 of part TT of chapter 59 of the laws of 2015, is amended to
31 read as follows:

32 (q) (1) The exclusions from the definition of retail sale in subpara-
33 graph (iv) of paragraph four of subdivision (b) of section eleven
34 hundred one of this article shall not apply to transfers, distributions,
35 or contributions of an aircraft or a vessel, except where, in the case
36 of the exclusion in subclause (I) of clause (A) of such subparagraph
37 (iv), the two corporations to be merged or consolidated are not affil-
38 iated persons with respect to each other. For purposes of this subdivi-
39 sion, corporations are affiliated persons with respect to each other
40 where (i) more than five percent of their combined shares are owned by
41 members of the same family, as defined by paragraph four of subsection
42 (c) of section two hundred sixty-seven of the internal revenue code of
43 nineteen hundred eighty-six; (ii) one of the corporations has an owner-
44 ship interest of more than five percent, whether direct or indirect, in
45 the other; or (iii) another person or a group of other persons that are
46 affiliated persons with respect to each other hold an ownership interest
47 of more than five percent, whether direct or indirect, in each of the
48 corporations.

49 (2) Notwithstanding any contrary provision of law, in relation to any
50 transfer, distribution, or contribution of an aircraft or a vessel that
51 qualifies as a retail sale as a result of paragraph one of this subdivi-
52 sion, the sales tax imposed by subdivision (a) of section eleven hundred
53 five of this part shall be computed based on the price at which the
54 seller purchased the tangible personal property, provided that where the
55 seller or purchaser affirmatively shows that the seller owned the prop-
56 erty for six months prior to making the transfer, distribution or

1 contribution covered by paragraph one of this subdivision, such aircraft
2 or vessel shall be taxed on the basis of the current market value of the
3 aircraft or vessel at the time of that transfer, distribution, or
4 contribution. For the purposes of the prior sentence, "current market
5 value" shall not exceed the cost of the aircraft or vessel. See subdivi-
6 sion (b) of this section for a similar rule on the computation of any
7 compensating use tax due under section eleven hundred ten of this part
8 on such transfers, distributions, or contributions.

9 (3) A purchaser of an aircraft or a vessel covered by paragraph one of
10 this subdivision will be entitled to a refund or credit against the
11 sales or compensating use tax due as a result of a transfer, distrib-
12 ution, or contribution of such aircraft or vessel in the amount of any
13 sales or use tax paid to this state or any other state on the seller's
14 purchase or use of the aircraft or vessel so transferred, distributed or
15 contributed, but not to exceed the tax due on the transfer, distrib-
16 ution, or contribution of the aircraft or vessel or on the purchaser's
17 use in the state of the aircraft or vessel so transferred, distributed
18 or contributed. An application for a refund or credit under this subdivi-
19 sion must be filed and shall be in such form as the commissioner may
20 prescribe. Where an application for credit has been filed, the applicant
21 may immediately take such credit on the return which is due coincident
22 with or immediately subsequent to the time the application for credit is
23 filed. However, the taking of the credit on the return shall be deemed
24 to be part of the application for credit. Provided that the commissioner
25 may, in his or her discretion and notwithstanding any other law, waive
26 the application requirement for any or all classes of persons where the
27 amount of the credit or refund is equal to the amount of the tax due
28 from the purchaser. The provisions of subdivisions (a), (b), and (c) of
29 section eleven hundred thirty-nine of this article shall apply to appli-
30 cations for refund or credit under this subdivision. No interest shall
31 be allowed or paid on any refund made or credit allowed under this
32 subdivision. If a refund is granted or a credit allowed under this para-
33 graph, the seller or purchaser shall not be eligible for a refund or
34 credit pursuant to subdivision seven of section eleven hundred eighteen
35 of this article with regard to the same purchase or use.

36 § 3. Paragraph 21-a of subdivision (a) of section 1115 of the tax law
37 is REPEALED.

38 § 4. This act shall take effect June 1, 2023.
