12 gation fee shall be required for any subsequent application for a  
13 license unless such application is subsequent to a denial of a license  
14 or to a revocation, suspension, surrender, or termination of a license;  
15 provided, however, that an application to establish a branch office of  
16 the licensee shall be accompanied by the fee prescribed in section eigh-  
17 teen-a of this chapter.

18 4. As a condition for the issuance and retention of a license, and  
19 subject to such regulations as the superintendent shall prescribe,  
20 applicants for a license shall file with the superintendent a surety  
21 bond in favor of the superintendent, issued by a bonding company or  
22 insurance company authorized to do business in this state, and in a form  
23 satisfactory to the superintendent.

24 (a) In lieu of the surety bond required by this subdivision, an appli-  
25 cant may pledge to the superintendent and maintain in a pledge account  
26 with such banks, savings banks, savings and loan associations, trust  
27 companies, national banks, federal savings banks, or federal savings and  
28 loan associations in the state as such licensee may designate and the  
29 superintendent may approve:

30 (i) interest-bearing bills, notes, bonds, debentures, or other obli-  
31 gations issued or guaranteed by the United States or any state or other  
32 local governmental entity or any instrumentality thereof, bearing a  
33 rating of one of the three highest grades by a nationally recognized  
34 statistical rating organization that has been engaged in rating state  
35 and municipal issues for a period of not less than five years;

36 (ii) dollar deposits; or

37 (iii) such other assets or letters of credit as the superintendent  
38 shall by rule or regulation permit.

39 (b) Except as provided hereunder, the principal amount of such surety  
40 bond or deposit shall be two hundred fifty thousand dollars. The super-  
41 intendent may:

42 (i) require a larger bond or deposit if he or she determines, in his  
43 or her sole discretion, that a licensee has engaged in a pattern of  
44 conduct resulting in bona fide debtor complaints of misconduct and that  
45 such increased bond or deposit is necessary for the protection of  
46 debtors; or

47 (ii) increase or decrease the amount of such bond or deposit based  
48 upon the applicant's or licensee's financial condition, business plan,  
49 business experience, or any other factor the superintendent considers  
50 appropriate.

51 (c) The proceeds of such surety bond or deposit shall constitute a  
52 trust fund to be used exclusively:

53 (i) to reimburse fees that have been improperly charged to or  
54 collected from debtors with respect to the business of a debt settlement  
55 company in this state, as such business is described in section five  
56 hundred eighty-eight-b of this article;

1 (ii) to reimburse amounts that have not been properly distributed to  
2 creditors or properly returned to debtors with respect to the business  
3 of a debt settlement company in this state, as such business is  
4 described in section five hundred eighty-eight-b of this article; and  
5 (iii) to pay outstanding banking department examination costs and  
6 assessments.

7 § 588-d. Conditions for issuance of a license; procedure where appli-  
8 cation denied. Upon the filing of an application for a license, if the  
9 superintendent shall find that the financial responsibility, experience,  
10 character, and general fitness of the applicant, and of the control  
11 persons, officers, and directors thereof are such as to command the  
12 confidence of the community and to warrant belief that the business will  
13 be operated honestly, fairly, and efficiently within the purposes of  
14 this article, he or she shall thereupon issue a license in duplicate to  
15 engage in debt settlement services in accordance with the provisions of  
16 this article. The superintendent shall transmit one copy of such  
17 license to the applicant and file the other in the office of the depart-  
18 ment. Such license shall remain in full force and effect until it is  
19 surrendered by the licensee or revoked, suspended, or terminated as  
20 hereinafter provided. If the superintendent shall not so find, he or  
21 she shall not issue such license and he or she shall notify the appli-  
22 cant of the denial.

23 § 588-e. License provisions. Each license issued under this article  
24 shall state the principal office address and, if applicable, the address  
25 of the branch office for which it was issued. Such license shall state  
26 fully the name of the licensee and, if applicable, the date and place of  
27 its incorporation or organization. A copy of such license shall be prom-  
28 inently posted in the principal office and, if applicable, such branch  
29 office. Such license shall not be transferable or assignable. In the  
30 event the location at which the business is to be conducted shall be  
31 changed, the licensee shall forthwith notify the superintendent who  
32 shall thereupon without charge attach to the license a rider setting  
33 forth such changed location.

34 § 588-f. Changes in officers or directors of licensee. In the event  
35 that there shall be any change among the officers or directors of any  
36 licensee, the licensee shall promptly notify the superintendent of the  
37 name, address, and occupation of each new officer or director and  
38 provide such other information as the superintendent may require.

39 § 588-g. Changes in control. 1. It shall be unlawful except with the  
40 prior approval of the superintendent for any action to be taken which  
41 results in a change of control of the business of a licensee. Prior to  
42 any change of control, the person desirous of acquiring control of the  
43 business of a licensee shall make written application to the superinten-  
44 dent and pay an investigation fee as prescribed pursuant to section  
45 eighteen-a of this chapter to the superintendent. The application shall  
46 contain such information as the superintendent may prescribe as neces-  
47 sary or appropriate for the purpose of making the determination required  
48 by subdivision two of this section.

49 2. The superintendent shall approve or disapprove the proposed change  
50 of control of a licensee in accordance with the provisions of section  
51 five hundred eighty-eight-d of this article.

52 3. As used in this section, the term "control" means the possession,  
53 directly or indirectly, of the power to direct or cause the direction of  
54 the management and policies of a licensee, whether through the ownership  
55 of voting stock of such licensee, the ownership of voting stock of any  
56 person which possesses such power or otherwise. Control shall be

1 presumed to exist if any person, directly or indirectly, owns, controls  
2 or holds with power to vote ten percent or more of the voting stock of  
3 any licensee or of any person which owns, controls or holds with power  
4 to vote ten percent or more of the voting stock of any licensee, but no  
5 person shall be deemed to control a licensee solely by reason of being  
6 an officer or director of such licensee or person. The superintendent  
7 may in his or her discretion, upon the application of a licensee or any  
8 person who, directly or indirectly, owns, controls or holds with power  
9 to vote or seeks to own, control or hold with power to vote any voting  
10 stock of such licensee, determine whether or not the ownership, control  
11 or holding of such voting stock constitutes or would constitute control  
12 of such licensee for purposes of this section.

13 § 588-h. Grounds for suspension, revocation, or termination of  
14 license; procedure. 1. In addition to the authority set forth in subdi-  
15 vision two of this section, the superintendent may suspend or revoke any  
16 license issued under this article if, after notice and a hearing, he or  
17 she shall find that:

18 (a) the licensee has violated any provisions of this article, or of  
19 any rule or regulation made by the superintendent under and within the  
20 authority of this article;

21 (b) any fact or condition exists which, if it had existed at the time  
22 of the original application for such license, would have warranted the  
23 superintendent in refusing originally to issue such license; or

24 (c) the licensee or an officer, director, or control person of the  
25 licensee has been convicted of a crime against the laws of this state or  
26 any other state or of the United States involving moral turpitude or  
27 fraudulent or dishonest actions, or a final judgment in a court of  
28 competent jurisdiction has been entered against the licensee or an offi-  
29 cer, director, or control person of the licensee in a civil action aris-  
30 ing from fraud, misrepresentation, or deceit.

31 2. (a) The superintendent may, for good cause, without notice or a  
32 hearing, issue an order suspending any license issued pursuant to this  
33 article for a period not exceeding ninety days, pending investigation.  
34 "Good cause", as used in this subdivision, shall exist only when the  
35 licensee has defaulted or is likely to default in performing its finan-  
36 cial engagements or engages or has engaged in dishonest or inequitable  
37 practices which may cause substantial harm to the persons afforded the  
38 protection of this article.

39 (b) The superintendent may, in his or her sole discretion, without  
40 notice or a hearing, issue an order suspending any license issued pursu-  
41 ant to the authority of this article upon the failure of such licensee  
42 to make any payments as required by this chapter.

43 (c) The superintendent may, in his or her sole discretion, without  
44 notice or a hearing, issue an order suspending any license issued pursu-  
45 ant to the authority of this article:

46 (i) thirty days after the date the licensee fails to file any report  
47 required under this article to be filed by it with the superintendent;

48 (ii) immediately upon the licensee filing a petition in bankruptcy;

49 (iii) at least thirty days after the licensee has had filed against it  
50 a petition in bankruptcy; or

51 (iv) immediately upon the receipt by the superintendent of notice that  
52 the surety bond required pursuant to section five hundred eighty-eight-c  
53 of this article is no longer in effect or that the value of assets in  
54 the pledge account is less than the required amount.

55 3. If the superintendent has issued an order suspending a license  
56 issued pursuant to the authority of this article pursuant to paragraph

(a) of subdivision two of this section, such license may be reinstated if the superintendent determines, in his or her sole discretion after investigation, that good cause therefor did not exist or no longer exists. If the superintendent has issued an order suspending a license issued pursuant to paragraph (b) or (c) of subdivision two of this section, such license may be reinstated, if the superintendent determines, in his or her sole discretion, that the licensee has cured all deficiencies set forth in such order by the close of business ninety days after the date of such suspension order, including, without limitation, making any overdue payment, having any such bankruptcy petition dismissed, or having such bond reinstated or depositing all required additional assets. Otherwise, in the case of a suspension pursuant to paragraph (b) or (c) of subdivision two of this section, unless the superintendent has, in his or her sole discretion, extended such suspension, all licenses of such licensee shall be deemed to be automatically terminated by operation of law at the close of business on such ninetieth day.

4. Except as provided for in subdivision two of this section, no license shall be revoked or suspended except after notice and a hearing thereon.

5. With the prior consent of the superintendent, any licensee may surrender any license by delivering to the superintendent written notice that it thereby surrenders such license, but such surrender shall not affect such licensee's civil or criminal liability for acts committed prior to such surrender or its obligations to the superintendent for assessments, fees, or administrative actions with respect to the periods before such surrender.

6. No revocation, suspension, termination, or surrender of any license shall impair or affect the obligation of any pre-existing lawful contract between the licensee and any person.

7. Every license issued hereunder shall remain in force and effect until the same shall have been surrendered, revoked, suspended, or terminated in accordance with the provisions of this article, but the superintendent shall have authority to reinstate a suspended license or to issue a new license to a licensee whose license shall have been revoked if no fact or condition then exists which would have warranted the superintendent in refusing originally to issue such license under this article.

8. Whenever the superintendent shall revoke or suspend a license issued pursuant to this article, he or she shall forthwith execute in duplicate a written order to that effect. The superintendent shall file one copy of such order in the office of the department and shall forthwith serve the other copy upon the licensee. Any such order may be reviewed in the manner provided by article seventy-eight of the civil practice law and rules. Such application for review as authorized by this section must be made within thirty days from the date of such order of suspension or revocation.

9. Whenever a license shall have terminated in accordance with this article, the superintendent shall notify the licensee that the license has terminated and that the licensee may not engage in the business of a debt settlement company in this state.

§ 588-i. Advertising and marketing practices. 1. A debt settlement company shall not, expressly or by implication, make any unfair or deceptive representations, or any omissions of material facts, in any of its advertising or marketing communications concerning debt settlement services.

2. All advertising and marketing communications concerning debt settlement services shall disclose the following information clearly and conspicuously: "Debt settlement services are not appropriate for everyone. Failure to pay your monthly bills in a timely manner will result in increased balances and will harm your credit rating. Not all creditors will agree to reduce the amount you owe, and they may pursue collection, including lawsuits."

3. All advertising and marketing communications of a licensed debt settlement company concerning debt settlement services shall indicate that the debt settlement company is licensed by the department and shall contain the name and office address of such debt settlement company, which shall conform to a name and address on record with the department.

§ 588-j. Individualized financial analysis; statement. 1. Prior to entering into a debt settlement services agreement, a debt settlement company shall prepare and provide to the debtor in writing and retain a copy of:

(a) an individualized financial analysis, including a listing of the debtor's income, expenses, and debts; and

(b) a statement containing:

(i) a description of the services to be provided under the proposed debt settlement services agreement;

(ii) a good faith estimate of the time it will take to complete all steps necessary for a settlement of each debt included under the proposed debt settlement services agreement;

(iii) the total amount of debt owed to each creditor included under the proposed debt settlement services agreement;

(iv) the total amount of money estimated to be necessary to complete all steps necessary for a settlement of each debt included under the proposed debt settlement services agreement; and

(v) the monthly targeted amount of money necessary to complete all steps necessary for a settlement of each debt included under the proposed debt settlement services agreement.

2. A debt settlement company shall not enter into a debt settlement services agreement unless it makes written determinations, supported by the financial analysis, that:

(a) the debtor can reasonably meet the requirements of such proposed debt settlement services agreement, including the fees and the savings goals; and

(b) such proposed debt settlement services agreement will be suitable for the debtor at the time it is to be signed.

§ 588-k. Required pre-agreement disclosures and warnings. 1. Before the debtor signs a debt settlement services agreement, the debt settlement company shall provide an oral and written notice to the debtor that clearly and conspicuously discloses all of the following:

(a) debt settlement services may not be suitable for all debtors;

(b) using debt settlement services likely will harm the debtor's credit history, credit rating, and credit score;

(c) using debt settlement services does not stop creditor collection activity, including creditor lawsuits and garnishments;

(d) not all creditors will accept a reduction in the balance, interest rate, or fees a debtor owes;

(e) the debtor should inquire about other means of dealing with debt, including but not limited to budget planning and bankruptcy;

(f) the debtor remains obligated to make periodic or scheduled payments to creditors while participating in a debt settlement program;

(g) the failure to make periodic or scheduled payments to a creditor is likely to:

(i) harm the debtor's credit history, credit rating, and/or credit score;

(ii) lead the creditor to increase lawful collection activity, including litigation, garnishment of the debtor's wages, and judgment liens on the debtor's property; and

(iii) lead to the imposition by the creditor of interest charges, late fees, and other penalty fees, increasing the amount owed by the debtor; and

(h) the debtor may be required to pay taxes on any amount of debt that is forgiven.

2. The written notice required by subdivision one of this section shall be entitled "Debtor Notice and Rights Form".

3. Prior to signing a debt settlement services agreement, the debtor shall sign and date an acknowledgment form at the end of the Debtor Notice and Rights Form. The acknowledgment form shall state: "I, the debtor, have received from the debt settlement company a copy of the form entitled Debtor Notice and Rights Form." The debt settlement company or its representative shall also sign and date the acknowledgment form, which shall include the name and address of the debt settlement company. The acknowledgment form shall be in duplicate and incorporated into the Debtor Notice and Rights Form. The original acknowledgment form shall be retained by the debt settlement company, and the duplicate copy shall be given to the debtor.

4. The requirements of this section are satisfied if the debt settlement company gives the debtor the following warning verbatim, both orally and in writing, with the caption "DEBTOR NOTICE AND RIGHTS FORM" in at least twenty-eight-point font and the remaining portion in at least fourteen-point font, before the debtor signs a debt settlement services agreement:

"DEBTOR NOTICE AND RIGHTS FORM

ACKNOWLEDGMENT BY DEBTOR

I, the debtor, have received from the debt settlement company a copy of the form entitled Debtor Notice and Rights Form."

§ 588-1. Debt settlement services agreements. 1. A debt settlement company shall not provide debt settlement services to a debtor without a written debt settlement services agreement signed and dated by both the debtor and the debt settlement company.

2. Any debt settlement services agreement entered into in violation of the provisions of this section is void.

3. Each debt settlement company shall submit to the banking department any form of debt settlement services agreement it intends to use.

4. A debt settlement services agreement shall disclose all of the following clearly and conspicuously:

(b) the date of execution of the debt settlement services agreement;

(l) the written individualized financial analysis required by section five hundred eighty-eight-j of this article;

(m) a written notice to the debtor stating:

(i) that the debtor may cancel the debt settlement services agreement at any time; and

(B) the debtor may be entitled to a refund. The terms of such refund shall also be stated and shall be consistent with the requirements of section five hundred eighty-eight-o of this article.

(n) a form the debtor may use to cancel the debt settlement services agreement pursuant to the provisions of section five hundred eighty-eight-o of this article. (o) a clear and conspicuous notice to the debtor that the debtor may contact the department with any questions or complaints regarding the debt settlement company along with the address, telephone number and internet website of the department.

5. (a) A debt settlement services agreement may confer on a debt settlement company a power of attorney to settle the debtor's debt for no more than fifty percent of the principal amount of the debt. An agreement may not confer a power of attorney to settle a debt for more than fifty percent of that amount, but may confer a power of attorney to negotiate with creditors of the debtor on behalf of the debtor. A debt settlement services agreement must provide that the debt settlement company will obtain the assent of the debtor after a creditor has assented to a settlement for more than fifty percent of the principal amount of the debt.

(b) A debt settlement services agreement may not provide for application of the law of any jurisdiction other than the United States and this state.

§ 588-m. Fees. 1. The types of fees that a debt settlement company may charge a debtor are the following:

(a) enrollment fees; and

(b) settlement fees.

2. All fee types not included under subdivision one of this section are prohibited, including maintenance fees.

3. The amount of an enrollment fee charged by a debt settlement company shall not exceed fifty dollars or such other amount as set by the superintendent.

4. The amount of the settlement fee charged by a debt settlement company with respect to each debt covered by a debt settlement services agreement shall not exceed the lesser of:

(a) the amount that is reasonable and commensurate to the debt settlement services provided to the debtor; and

(b) the amount that is twenty percent of the difference between:

(i) the principal amount of the debt; and

(ii) the amount:

(A) paid by the debt settlement company to the creditor pursuant to the settlement negotiated by the debt settlement company on behalf of

1 the debtor as full and complete satisfaction of the creditor's claim  
2 with regard to that debt; or

3 (B) negotiated by the debt settlement company and paid by the debtor  
4 to the creditor pursuant to a settlement negotiated by the debt settle-  
5 ment company on behalf of the debtor as full and complete satisfaction  
6 of the creditor's claim with regard to that debt.

7 5. A debt settlement company shall not collect any settlement fee from  
8 a debtor until:

9 (a) the creditor enters into a legally enforceable agreement with the  
10 debtor to accept funds in a specific dollar amount as full and complete  
11 satisfaction of the creditor's claim with regard to that debt; and

12 (b) those funds are provided to the creditor:

13 (i) by the debt settlement company on behalf of the debtor; or

14 (ii) directly by the debtor pursuant to a settlement negotiated by the  
15 debt settlement company.

16 6. It shall be unlawful to split or divide the provision of debt  
17 settlement services to a debtor into separate debt settlement services

29 (iii) be kept separate and apart at all times from funds belonging to  
30 the debt settlement company or any of its officers, employees, or  
31 agents; and

32 (iv) be deposited in such bank account not later than the end of the  
33 business day following receipt by the debt settlement company or its  
34 agent.

35 (b) A debt settlement company or its agent that maintains one or more  
36 debtor settlement accounts shall obtain and preserve a written agreement  
37 from each bank in which any such account is maintained. Such written  
38 agreement shall expressly provide that the funds in such debtor settle-  
39 ment account shall be subject to no right, charge, security interest,  
40 lien, or claim of any kind in favor of such bank or any person claiming  
41 through such bank.

42 (c) Any interest earned on a debtor settlement account shall be cred-  
43 ited to the debtor. If the funds of multiple debtors are kept in a  
44 single interest earning bank account, then the interest earned shall be  
45 deposited pro rata among the debtors whose funds are in the account.

46 (d) A debt settlement company may not hold funds received for a debtor  
47 settlement account in an account administered by a person that gives or  
48 accepts any money or other compensation in exchange for referrals of  
49 business involving the debt settlement company.

50 2. A debt settlement company shall, no less than monthly, provide each  
51 debtor with which it has a debt settlement services agreement a state-  
52 ment of fees paid, settlements completed, remaining debts and, if funds  
53 are held in a bank account pursuant to subdivision one of this section,  
54 account balances.

55 3. Nothing in this article requires the establishment of a debtor  
56 settlement account if no debtor funds other than enrollment fees or

1 earned settlement fees are held or controlled by a debt settlement  
2 company.

3 § 588-o. Cancellation of debt settlement services agreement; right to  
4 refunds. 1. A debtor may cancel a debt settlement services agreement at  
5 any time until after the debt settlement company has fully performed  
6 each service the debt settlement company contracted to perform or  
7 represented that it would perform.

8 2. If a debtor cancels a debt settlement services agreement not later  
9 than ninety days after the date of the execution of the debt settlement  
10 services agreement or at any time upon a violation of a provision of  
11 this article by the debt settlement company, the debt settlement company  
12 shall refund to the debtor:

13 (a) all fees paid to the debt settlement company by the debtor, with  
14 the exception of any earned settlement fee; and

15 (b) all funds provided by the debtor to the debt settlement company  
16 that:

17 (i) have accumulated in a debtor settlement account; and

18 (ii) the debt settlement company has not disbursed to creditors.

19 3. If a debtor cancels a debt settlement services agreement later than  
20 ninety days after the date of the execution of the debt settlement  
21 services agreement and for any reason other than for a violation of a  
22 provision of this article by the debt settlement company, the debt  
23 settlement company shall refund to the debtor:

24 (a) all fees paid to the debt settlement company by the debtor, with  
25 the exception of any earned settlement fee and any enrollment fee; and

26 (b) all funds provided by the debtor to the debt settlement company  
27 that:

28 (i) have accumulated in a debtor settlement account; and

29 (ii) the debt settlement company has not disbursed to creditors.

30 4. A debt settlement company shall make any refund required under this  
31 section within five business days after receipt of written notice of  
32 cancellation, and shall include with such refund a full statement of  
33 account showing:

34 (a) the fees received by the debt settlement company from the debtor;

35 (b) the fees refunded to the debtor by the debt settlement company;

36 (c) the payments made by the debt settlement company to creditors on  
37 behalf of the debtor;

38 (d) the settlement fees earned, if any, by the debt settlement company  
39 by settling debt on behalf of the debtor;

40 (e) the savings of the debtor held by the debt settlement company  
41 immediately prior to such refund; and

42 (f) the savings of the debtor refunded to the debtor by the debt  
43 settlement company.

44 5. Upon cancellation of a debt settlement services agreement by the  
45 debtor:

46 (a) all powers of attorney and direct debit authorizations granted to  
47 the debt settlement company by the debtor shall be considered revoked  
48 and voided; and

49 (b) the debt settlement company shall immediately take any action  
50 necessary to reflect cancellation of the debt settlement services agree-

36 behalf of a debtor against a debt settlement company for violations of  
37 this article.

38 8. Nothing in this article shall limit any statutory or common-law

52 its operation to the word, phrase, clause, sentence, paragraph, subdivi-  
53 sion, section, or part of this article directly involved in the contro-  
54 versy in which the judgment shall have been rendered.

55 § 11. This act shall take effect on the one hundred eightieth day  
56 after it shall have become a law and shall apply to all debt settlement
