32 the expiration or rescindment of the court's retention order; or

33 (B) do not voluntarily agree to destroy the provided information upon

35 7. A law enforcement agency or law enforcement officer that obtains

38 the electronic information without delay, shall within three days after
39 obtaining the electronic information file with the appropriate court an

53 8. This section does not limit the authority of a law enforcement

9 (c) require a service provider to provide subscriber information.

10 9. This section does not prohibit the intended recipient of an elec-
11 tronic communication from voluntarily disclosing electronic communi-
12 cation information concerning that communication to a law enforcement
13 agency or law enforcement officer.

14 10. Nothing in this section shall be construed to expand any authority
15 under state law to compel the production of or access to electronic
16 information.

17 § 695.15 Search and seizure of electronic devices and electronic commu-
18 nications; in an emergency.

19 1. Except as otherwise provided in this section, a law enforcement
20 agency or law enforcement officer that executes a warrant, or obtains
21 electronic information in an emergency pursuant to section 695.10 of
22 this article, shall serve upon or deliver to the target of a warrant or
23 emergency request by registered or first-class mail, electronic mail, or
24 by other means reasonably calculated to be effective, a notice that
25 informs the recipient that information about the recipient has been
26 compelled or requested. Such notice shall state with reasonable specif-
27 icity the nature of the government investigation pursuant to which the
28 information is sought. The notice shall include a copy of the warrant or
29 a written statement setting forth facts giving rise to the emergency.
30 The notice shall be provided contemporaneously with the execution of a
31 warrant, or, in the case of an emergency, within three days after
32 obtaining the electronic information. The target of the warrant is
33 entitled to request a copy of the electronic information obtained in the
34 same form it was received upon request. Notice shall include
35 instructions for requesting copies and a law enforcement agency and law
36 enforcement officer must provide copies of information obtained in the
37 same form within three days of receiving the request from the target of
38 the warrant.

39 2. (a) When a warrant is sought or electronic information is obtained
40 in an emergency under section 695.10 of this article, the law enforce-
41 ment agency or law enforcement officer may submit a request to a court
42 supported by a sworn affidavit for an order delaying notification and
43 prohibiting any party providing information from notifying any other
44 party that information has been sought. The court shall issue the order
45 if the court determines that there is reason to believe that notifica-
46 tion may have an adverse result, but only for the period of time that
47 the court finds there is reason to believe that the notification may
48 have that adverse result, and not to exceed ninety days.

49 (b) The court may grant extensions of the delay of up to ninety days
50 each on the same grounds as provided in paragraph (a) of this subdivi-
51 sion.

52 (c) Upon expiration of the period in which notification is delayed, a
53 law enforcement agency or law enforcement officer shall serve upon the
54 identified targets of a warrant or deliver to those targets by regis-
55 tered or first-class mail, electronic mail, or other means reasonably
56 calculated to be effective as specified by the court issuing the order

1 authorizing delayed notification, a document that includes the informa-
2 tion described in subdivision one of this section, along with a copy of
3 all electronic information obtained in the same form it was received,
4 and a statement of the grounds for the court's determination to grant a
5 delay in notifying the individual.

6 3. If there is no identified target of a warrant or emergency request
7 at the time of its issuance, the law enforcement agency or law enforce-
8 ment officer shall submit to the attorney general of this state within
9 three days of the execution of the warrant or issuance of the request a
10 report regarding the information required in subdivision one of this
11 section. If an order delaying notice is obtained pursuant to subdivision
12 two of this section, the law enforcement agency or law enforcement offi-
13 cer shall submit to the attorney general upon the expiration of the
14 period of delay of the notification a report regarding the information
15 required in paragraph (c) of subdivision two of this section. The attor-
16 ney general's office shall publish such reports on its internet website
17 within ninety days of receipt. The attorney general shall redact names
18 and other personal identifying information from the reports.

19 4. Except as otherwise provided in this section, nothing in this arti-
20 cle shall prohibit or limit a service provider or any other party from
21 disclosing information about any request or demand for electronic infor-
22 mation.

23 § 695.20 Search and seizure of electronic devices and electronic commu-
24 nications; when evidence can be suppressed.

25 1. Persons who are party to or otherwise subject to a trial, hearing,
26 or other legal or administrative proceeding may move to suppress elec-
27 tronic information obtained or retained in violation of this article,
28 the United States Constitution, State Constitution, the New York State
29 Constitution or the provisions of the criminal procedure law. The motion
30 shall be made and shall be subject to review by a court in accordance
31 with the procedures set forth in article seven hundred ten of this
32 title.

33 2. The attorney general of this state may commence a civil action to
34 compel a law enforcement agency or law enforcement officer to comply
35 with the provisions of this article. This does not preclude action by
36 an individual, service provider, or other recipient of a warrant, order,
37 or other legal process that is inconsistent with this article.

38 3. An individual, service provider or other recipient of a warrant,
39 order, or other legal process may petition the issuing court to quash or
40 modify the warrant, order, or process, or to order the destruction of
41 information that is sought pursuant to such a warrant, order or other
42 legal process, on the basis that the warrant, order or process violates
43 the United States Constitution, the New York State Constitution, or is
44 otherwise contrary to federal or state law. The warrant recipient may
45 also move the quash on the basis that the information or records
46 requested are unusually voluminous in nature or compliance with such
47 order otherwise would cause an undue burden on such provider. The
48 court's decision to grant or deny that petition, in whole or in part,
49 filed under this paragraph is immediately appealable pursuant to section
50 fifty-seven hundred one of the civil practice law and rules.

51 4. A state, territory or commonwealth of the United States and foreign
52 and domestic corporations as well as officers, employees, and agents of
53 these entities shall not be subject to a cause of action for providing
54 records, information, facilities, or other forms of assistance in
55 accordance with the terms of a warrant, court order, statutory authori-
56 zation, emergency certification, or wiretap order issued pursuant to

this article. This does not preclude a cause of action for providing records, information, facilities, or other forms of assistance in a manner that is inconsistent with this article.

§ 695.25 Search and seizure of electronic devices and electronic communications; annual report.

1. A law enforcement agency or law enforcement officer that obtains electronic communication information pursuant to this article shall make an annual report to the attorney general of this state regarding such information. 1 electronic communication identified in paragraphs (a), (b) and (c) of
2 subdivision one of this section by county.

4 provider from producing an annual report summarizing the demands or
5 requests it receives under this article.
