Introduced by M. of A. DAVILA -- read once and referred to the Committee on Education -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT to amend the education law, in relation to authorizing schools to possess and administer FDA approved opioid reversal agents in emergency situations

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The education law is amended by adding a new section 921-b to read as follows:

§ 921-b. On-site FDA approved opioid reversal agents. 1. School districts, boards of cooperative educational services, county vocational education and extension boards, charter schools, and non-public elementary and secondary schools in this state may provide and maintain on-site in each instructional school facility all FDA approved opioid reversal agents in quantities and types deemed by the commissioner, in consultation with the commissioner of health, to be adequate to ensure ready and appropriate access for use during emergencies to any student or staff to negate or neutralize, in whole or in part, the pharmacological effects of an opioid in the human body.

2. School districts, boards of cooperative educational services, county vocational education and extension boards, charter schools, and non-public elementary and secondary schools in this state, any person employed by any such entity, or employed by a contractor of such an entity while performing services for the entity may administer any FDA approved opioid reversal agents in the event of an emergency.

§ 2. This act shall take effect on the one hundred twentieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

EXPLANATION--Matter in *italics* (underscored) is new; matter in brackets [-] is old law to be omitted.
