AN ACT to amend the economic development law and the tax law, in relation to creating a tax credit for manufacturing companies that have one established place of business in the state and relocate a minimum of fifty employees from outside the state into the state

Section 1. The economic development law is amended by adding a new section 107 to read as follows:

§ 107. Encourage manufacturing jobs. 1. 1 imposed under sections one hundred eighty-three and one hundred eighty-
2 four of this article. Such credit, to be computed as hereinafter
3 provided, shall be allowed for qualified manufacturing companies pursu-
4 ant to section one hundred seven of the economic development law.
5 Provided, however, that the amount of such credit allowable against the
6 tax imposed by section one hundred eighty-four of this article shall be
7 the excess of the credit allowed by this section over the amount of such
8 credit allowable against the tax imposed by section one hundred eighty-
9 three of this article.

10 2. Amount of credit. The amount of the credit under this section shall
11 be 2.5 percent of the average salaries of the newly created manufactur-
12 ing jobs multiplied by the number of new jobs brought into the state by
13 such companies.

14 3. Carryover. In no event shall the credit under this section be
15 allowed in an amount which will reduce the tax payable to less than the
16 applicable minimum tax fixed by section one hundred eighty-three of this
17 article. If, however, the amount of credit allowable under this section
18 for any taxable year reduces the tax to such amount, any amount of cred-
19 it not deductible in such taxable year may be carried over to the
20 following year or years and may be deducted from the taxpayer's tax for
21 such year or years.

22 § 3. This act shall take effect immediately and shall apply to taxable
23 years beginning on or after the first of January next succeeding the
24 date on which it shall have become a law. Effective immediately, the
25 addition, amendment and/or repeal of any rule or regulation necessary
26 for the implementation of this act on its effective date are authorized
27 to be made and completed on or before such effective date.
