1	license plate reader technology, data sharing and dissemination, prohib-
2	ited uses, record retention and management, and training. For purposes
3	of this section, "automatic license plate reader system" shall mean a
4	system of one or more mobile or fixed high-speed cameras used in combi-
5	nation with computer algorithms to convert images of license plates
6	into computer-readable data. The department of state shall post such
7	policy on its website, in a location accessible to the public, and all
8	non-law enforcement entities using automatic license plate readers in
9	the state.
10	(ii) Recommend to the governor, the temporary president of the senate
11	and the speaker of the assembly, rules and regulations with respect to
12	the establishment and implementation on an ongoing basis of a training
13	program for all current and new employees of non-law enforcement enti-
14	ties regarding the policies and procedures established pursuant to this
15	paragraph, along with recommendations for periodic retraining of such
16	employees.
17	§ 2. The general business law is amended by adding a new section 399-
18	zzzzzz to read as follows:
19	§ 399-zzzzzz. Disclosure of the minimum standards policy for automatic
20	license plate readers by non-law enforcement entities. All non-law
21	enforcement agencies using automatic license plate reader systems shall
22	conspicuously post the minimum standards for the use of automatic
23	license plate reader systems policy, promulgated pursuant to paragraph
24	seventeen of subdivision three of section ninety-four-a of the executive
25	law, on its website, or if such non-law enforcement entity does not
26	maintain a website, in its main office. Such policy shall be made
27	available to the public upon request. For purposes of this section,
28	"automatic license plate reader system" shall mean a system of one or
29	more mobile or fixed high-speed cameras used in combination with
30	computer algorithms to convert images of license plates into compu-
31	ter-readable data.
32	§ 3. This act shall take effect one year after it shall have become a
33	law. Effective immediately, the addition, amendment and/or repeal of any
34	rule or regulation necessary for the implementation of this act on its
35	effective date are authorized to be made and completed on or before such

36 effective date.
