The credit shall be allowed for the taxable year in which the qualified asbestos project is first commenced and for the next two succeeding taxable years. The credit authorized pursuant to this section shall not exceed one million dollars in the aggregate for the three taxable years allowed and claimed. The costs, expenses and other amounts for which a credit is allowed and claimed under this subdivision shall not be used in the calculation of any other credit allowed under this chapter.

(c) Cross-references. For application of the credit provided for in this section, see the following provisions of this chapter:

Article 9: Section 187-t.

Article 9-A: Section 210-B, subdivision 59.

Article 22: Section 606, subsections (i) and (ooo).

§ 2. The tax law is amended by adding a new section 187-t to read as follows:

§ 187-t. Asbestos remediation credit. 1. Allowance of credit. A taxpayer shall be allowed a credit, to be computed as provided in section twenty-three-a of this chapter, against the taxes imposed by this article. Provided, however, that the amount of such credit allowable against the tax imposed by section one hundred eighty-four of this article shall be the excess of the amount of such credit over the amount of any credit allowed by this section against the tax imposed by section one hundred eighty-three of this article.

2. Application of credit. The credit under this section for any taxable year shall not reduce the tax due for such year to less than the applicable minimum tax prescribed by this article. If, however, the amount of credit allowable under this section for any taxable year reduces the tax to such amount, any amount of credit not deductible in such taxable year shall be treated as an overpayment of tax to be refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 3. Section 210-B of the tax law is amended by adding a new subdivision 59 to read as follows:

59. Asbestos remediation credit. (a) Allowance of credit. A taxpayer who has undertaken a qualified asbestos project on an existing structure shall be allowed a credit, to be computed as provided in section twenty-three-a of this chapter, against the tax imposed by this article.

(b) Application of credit. The credit allowed under this subdivision for any taxable year shall not reduce the tax due for such year to less than the higher amount prescribed in paragraph (d) of subdivision one of section two hundred ten of this article. However, if the amount of credits allowed under this subdivision for any taxable year reduces the tax to such amount, any amount of credit thus not deductible in such taxable year shall be treated as an overpayment of tax to be credited or refunded in accordance with the provisions of section one thousand eighty-six of this chapter. Provided, however, the provisions of subsection (c) of section one thousand eighty-eight of this chapter notwithstanding, no interest shall be paid thereon.

§ 4. Subparagraph (B) of paragraph 1 of subsection (i) of section 606 of the tax law is amended by adding a new clause (xlx) to read as follows:

(xix) Asbestos remediation credit Amount of credit under
under subsection (ooo) subdivision fifty-nine of
