chapter, approved expenditures for the lease or other annual payments shall not include the costs of heat, electricity, water or other utilities or the costs of operation or maintenance of the leased facility. An apportionment shall be available pursuant to this subdivision for 5 construction, reconstruction, rehabilitation or improvement in a building, or portion thereof, being leased by a school district only if the 7 lease is for a term of at least ten years subsequent to the date of the general construction contract for such construction, reconstruction, 9 rehabilitation or improvement. Each school district shall prepare a five 10 year capital facilities plan, pursuant to regulations developed by the 11 commissioner for such purpose, provided that in the case of a city 12 school district in a city having a population of one million inhabitants or more, such facilities plan shall comply with the provisions of 13 14 section twenty-five hundred ninety-p of this chapter and this subdivi-15 sion. Such plan shall include, but not be limited to, a building inven-16 tory, and estimated expense of facility needs, for new construction, 17 additions, alterations, reconstruction, major repairs, energy consump-18 tion and maintenance by school building, as appropriate. Such plan shall consider the incorporation of design principles and strategies, pursuant 19 to guidance issued by the commissioner, as part of a comprehensive 20 21 approach to provide a safe, secure and healthy school environment. Such five year plan shall include a priority ranking of projects and shall be 23 amended if necessary to reflect subsequent on-site evaluations of facil-24 ities conducted by state supported contractors.

- 3. Paragraph a of subdivision 1 of section 2814 of the education law, as added by chapter 181 of the laws of 2000, is amended to read as follows:
- a. School safety activities. Programs eligible for funding pursuant to this section may include, but not be limited to: (i) safe corridors programs; (ii) diversity programs; (iii) collaborative school safety programs with law enforcement agencies or community-based organizations; metal detectors, intercom and other intra-school communication 33 devices and other devices to increase school security and the safety of school personnel and students; (v) programs which facilitate and promote community involvement in school facility planning; and (vi) other programs including comprehensive school-based intervention approved by the commissioner, that reduce violence and improve school safety. Comprehensive school based intervention models shall coordinate with and collaborate with other services currently being provided in the school district, incorporate appropriate school violence prevention and intervention services, and coordinate appropriate funding sources to ensure the efficient delivery of services. Such comprehensive schoolbased intervention models shall also include provisions for the involvement of teachers, parents, school administrators in the development and implementation of the program, a detailed statement identifying specific performance goals, a proposed timetable for implementation and achievement of such goals and specific assessment methods which will be used to measure student and school progress.
- 49 4. This act shall take effect eighteen months after it shall have become a law. Effective immediately, the addition, amendment, and/or 50 repeal of any rule or regulation necessary for the implementation of 51 this act on its effective date are authorized to be made and completed 52 53 on or before such effective date.
