STATE OF NEW YORK

2952

2023-2024 Regular Sessions

IN ASSEMBLY

February 1, 2023

Introduced by M. of A. GALLAHAN -- read once and referred to the Committee on Environmental Conservation

AN ACT to amend the environmental conservation law, in relation to selectively cutting timber

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 4 of section 24-0701 of the environmental 2 conservation law, as amended by chapter 697 of the laws of 1979, is 3 amended to read as follows:

- 4. The activities of farmers and other landowners in grazing and 5 watering livestock, making reasonable use of water resources, harvesting natural products of the wetlands, selectively cutting timber, draining land or wetlands for growing agricultural products and otherwise engaging in the use of wetlands or other land for growing agricultural products shall be excluded from regulated activities and shall not require a permit under subdivision one hereof, except that structures 10 11 not required for enhancement or maintenance of the agricultural productivity of the land and any filling activities shall not be excluded 12 13 hereunder, and provided that the use of land designated as a freshwater 14 wetland upon the freshwater wetlands map at the effective date thereof 15 for uses other than those referred to in this subdivision shall be subject to the provisions of this article. When selectively cutting timber, the construction and use of temporary skidder trails and machin-17 ery, using current best management practices as defined by the United 18 States Department of Agriculture Forest Services, for the removal of 19 20 such timber shall be excluded from regulated activities and shall not 21 require a permit under subdivision one of this section.
- § 2. Subdivision 4 of section 24-0701 of the environmental conservation law, as amended by section 7 of part QQ of chapter 58 of the laws of 2022, is amended to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

LBD04969-01-3

A. 2952 2

4. On lands in active agricultural use or silviculture use, the activities of farmers and other landowners in grazing and watering livestock, making reasonable use of water resources, harvesting natural products of the wetlands, selectively cutting timber, draining land or wetlands for growing agricultural products and otherwise engaging in the use of wetlands or other land for growing agricultural products shall be 7 excluded from regulated activities and shall not require a permit under subdivision one of this section, except that structures not required for 9 enhancement or maintenance of the agricultural productivity of the land 10 and any filling activities shall not be excluded hereunder, and provided 11 that the use of land that meets the definition of a freshwater wetland 12 in section 24-0107 of this article for uses other than those referred to in this subdivision shall be subject to the provisions of this article. 13 14 When selectively cutting timber, the construction and use of temporary 15 skidder trails and machinery, using current best management practices as defined by the United States Department of Agriculture Forest 16 17 Services, for the removal of such timber shall be excluded from regulated activities and shall not require a permit under subdivision 18 one of this section. All activities on lands that meet the definition of 19 20 a freshwater wetland shall be subject to the provisions of this article 21 once agricultural or silviculture activities cease. 22

§ 3. This act shall take effect immediately; provided that section two of this act shall take effect on the same date and in the same manner as section 7 of part QQ of chapter 58 of the laws of 2022 takes effect.
