12 audit and control, the chairperson of the senate finance committee and  
13 the chairperson of the assembly ways and means committee.

14 e) Notwithstanding any provision of law to the contrary, for purposes

18 entered foster care, the date the eligi-  
19 bility or payment errors occurred, or the  
20 filing date of any federal claims for  
21 reimbursement; provided, however, that the  
22 state shall be responsible for the disal-  
23 lowed costs and expenditures related to  
24 the placement of children in a facility  
25 operated by the office of children and  
26 family services, which shall be determined  
27 in the same manner as the disallowed costs  
28 and expenditures for social services  
29 districts other than the city of New York.  
30 In order to reimburse the federal govern-  
31 ment for the full amount of any disallow-  
32 ance imposed on the state by the federal  
33 administration for children and families  
34 within the timeframes necessary to avoid  
35 any potential interest payments on such  
36 amount, the office of children and family  
37 services is authorized to immediately  
38 offset funds otherwise due to each  
39 district for a pro rata share of the total  
40 disallowed costs based on the percentage  
41 of applicable federal title IV-E claims  
42 made by that district for the relevant  
43 time period as compared to the total  
44 applicable statewide title IV-E claims.  
45 The amount of the offset against each  
46 district will be adjusted, if necessary,  
47 upon completion of the disallowance allo-  
48 cation process. The final allocation of  
49 the amount of any federal disallowance

51 eligibility review shall be allocated

1 among the districts so that each district  
2 shall be responsible for the amount  
3 attributable to each of the district's  
4 children or cases that are determined by  
5 the federal review to be unallowable. Each  
6 district shall also be responsible for a  
7 portion of the federal extrapolated disal-  
8 lowance amount based on the relative error  
9 rate for the district. The city of New  
10 York's error rate will be based on the  
11 federal sample and federal statistics. For  
12 all social services districts other than  
13 the city of New York, the error rate will  
14 be based on a review conducted by the  
15 district of a sample of children and/or  
16 cases determined by the office of children  
17 and family services and a re-review of a  
18 sub-sample by the office of those children  
19 and/or cases determined by the office. The  
20 office of children and family services  
21 will determine what is reasonable in  
22 establishing the size of the sample and  
23 sub-sample for each district. The office  
24 of children and family services shall  
25 notify each social services district of  
26 the sample of children and/or cases from  
27 the federal audit period that the social  
28 services district must review. Any child  
29 or case from the social services district  
30 that was included in the federal sample  
31 will automatically be included in the  
32 social services district's review sample  
33 and the determination made at the federal  
34 review regarding that child or case will  
35 govern for the purposes of the social  
36 services district's review. The social  
37 services district must complete and submit  
38 the results of its review to the office of  
39 children and family services within 60  
40 days of receipt of the sample. The error  
41 rate for the district will be based on the  
42 findings of the district's review and the  
43 office of children and family services'  
44 re-review. If a social services district  
45 does not complete its review within 60  
46 days of receiving the sample from the  
47 office of children and family services,  
48 the office of children and family services  
49 shall assign an error rate to the social  
50 services district based on the relative  
51 percentage of the district's applicable

1 title IV-E claims for the relevant period  
2 as compared to applicable statewide title  
3 IV-E claims for that period and other  
4 circumstances that the office of children  
5 and family services may consider in order  
6 to allocate 100 percent of the federal  
7 disallowance. The office of children and  
8 family services shall apply each social  
9 services district's error rate to the  
10 total amount of the district's applicable  
11 title IV-E claims including associated  
12 administrative expenses. The resulting  
13 dollar amounts for all of the social  
14 services districts will be summed to  
15 derive the total amount of title IV-E  
16 claims deemed to be in error statewide. To  
17 establish a disallowance percentage for  
18 each social services district, the amount  
19 of the district's title IV-E claims deemed  
20 to be in error will be divided by the  
21 amount of statewide title IV-E claims  
22 deemed to be in error. The resulting  
23 disallowance percentage for each district  
24 will be applied to the entire title IV-E  
25 extrapolated disallowance calculated by  
26 the federal review to determine the amount  
27 of the extrapolated disallowance for which  
28 the district is responsible. Each district  
29 will be credited for the amount already  
30 disallowed for any individual children or  
31 cases found to be in error during the  
32 federal review. The exclusive appeal  
33 rights for the review of the amount of the  
34 federal disallowance assigned to each  
35 social services district shall be pursuant  
36 to article 78 of the civil practice law  
37 and rules; provided, however, that in any  
38 such action all of the social services  
39 districts shall be joined as necessary  
40 parties and the venue of any such action  
41 shall be in Rensselaer county. Any social  
42 services district that fails to complete  
43 its sample review in the required time  
44 frames shall have no right to appeal and  
45 shall not be a necessary party to any  
46 action brought by another social services  
47 district.

Local Assistance Account - 10000

By chapter 53, section 1, of the laws of 2022:

Notwithstanding any inconsistent provision of law, the amount appro-  
priated herein, shall be available under a foster care block grant  
for state reimbursement of eligible social services district expend-  
itures for the provision and administration of foster care services  
including care, maintenance, supervision, and tuition; for super-  
vision of foster children placed in federally funded job corps  
programs; for care, maintenance, supervision, and tuition for adju-  
dicated juvenile delinquents placed in residential programs operated  
by authorized agencies and in out-of-state residential programs; for  
the provision and administration of the kinship guardian assistance  
program including kinship guardianship assistance payments and  
payments for non-recurring guardianship expenses and eligible  
expenditures associated with local compliance with the federal Fami-  
ly First Prevention Services Act (P.L. 115-123); except that,  
reimbursement from the amount appropriated herein shall not be  
available for tuition expenditures for foster children, including  
persons in need of supervision and adjudicated juvenile delinquents,  
made by a social services district located within a city having a  
population of one million or more.

Notwithstanding any other provision of law, a portion of the funds are  
available to reimburse social services districts for the change in  
the maximum state aid rates established by the office of children  
and family services for the 2022-23 rate year pursuant to section  
398-a of the social services law and sections 4003 and 4405 of the  
education law to reflect the continuation of the cost of living  
adjustments that became effective April 1, 2008 for payments made to  
foster parents and for salary and fringe benefit costs and other  
critical nonpersonal services costs for foster care programs as  
determined by the office. Social services districts must adjust the

1 amount of payments made for care provided by congregate care and  
2 foster boarding home programs and to foster parents to reflect the  
3 cost of living adjustments in the manner specified by the office.  
4 Each authorized agency operating a congregate care or foster board-  
5 ing home program in New York state for which the office sets a maxi-  
6 mum state aid rate pursuant to section 398-a of the social services  
7 law or section 4003 or 4405 of the education law shall submit, at  
8 the time and in a manner to be determined by the office, a written  
9 certification, attesting that the funds received for the continua-  
10 tion of the cost of living adjustment to the maximum state aid rate  
11 that became effective April 1, 2008 for that program will be or were  
12 used solely in accordance with the requirements of the cost of  
13 living adjustment established by the office.

14 Notwithstanding any inconsistent provision of law except a chapter of  
15 the laws of 2022 authorizing a 5.4 percent cost of living adjustment  
16 increase for the period commencing on April 1, 2022 and ending March  
17 31, 2023, the commissioner shall not apply any other cost of living  
18 adjustment for the purpose of establishing rates of payments,  
19 contracts or any other form of reimbursement.

20 Within the amounts appropriated herein, state reimbursement to each  
21 social services district for services identified herein that are  
22 otherwise reimbursable by the state from April 1, 2022 through March  
23 31, 2023 shall be limited to a district allocation, hereinafter  
24 referred to as the district's block grant allocation. Notwithstand-  
25 ing any other provision of law, such block grant allocation shall be  
26 based, in part, on each district's claims for such costs, adjusted  
27 by the applicable cost allocation methodology and net of any retro-  
28 active payments for the 12 month period ending June 30, 2021 that  
29 are submitted on or before January 3, 2022 and, in part, on such  
30 other factors as determined by the office of children and family  
31 services and approved by the director of the budget. Any portion of  
32 a social services district's allocation from funds appropriated  
33 herein not claimed by such district during the state fiscal year may  
34 be used by such district for expenditures on preventive services  
35 provided pursuant to section 409-a of the social services law, inde-  
36 pendent living services and aftercare services provided pursuant to  
37 regulations of the department of family assistance, claimed by such  
38 district during the next state fiscal year up to the amount remain-  
39 ing from the district's foster care block grant allocation, provided  
40 however, that any claims for such services during the next state  
41 fiscal year in excess of such amount shall be subject to 62 percent  
42 state reimbursement exclusive of any federal funds made available  
43 for such purposes, in accordance with directives of the department  
44 of family assistance and subject to the approval of the director of  
45 the budget. Any claims submitted by a social services district for  
46 reimbursement for a particular state fiscal year for which the  
47 social services district does not receive state or federal  
48 reimbursement during that state fiscal year may not be claimed  
49 against that district's block grant apportionment for the next state  
50 fiscal year.

AID TO LOCALITIES - REAPPROPRIATIONS 2023-24

1 The office of children and family services, with the approval of the  
2 director of the budget, may reduce a district's block grant allo-  
3 cation by the state share decrease related to federal retroactive  
4 reimbursement for such foster care services identified herein. The  
5 office, with the approval of the director of the budget, may reduce  
6 a district's block grant allocation by the state share of disallow-  
7 ances or sanctions taken against the district pursuant to the social  
8 services law or federal law.

9 Notwithstanding any other provision of law, the state shall not be  
10 responsible for reimbursing a social services district and a  
11 district shall not seek state reimbursement for any portion of any  
12 state disallowance or sanction taken against the social services  
13 district, or any federal disallowance attributable to final federal  
14 agency decisions or to settlement made, on or after July 1, 1995,  
15 when such disallowance or sanction results from the failure of the  
16 social services district to comply with federal or state require-  
17 ments, including, but not limited to, failure to document eligibil-  
18 ity for federal or state funds in the case record; provided, howev-  
19 er, if the office determines that any federal disallowance for  
20 services provided between January 1, 1999 and May 31, 1999 results  
21 solely from the late enactment of the state legislation implementing  
22 the federal adoption and safe families act, the state shall be sole-  
23 ly responsible for the full amount of the disallowance or sanction;  
24 provided, further, however, this provision shall be deemed to apply  
25 both prospectively and retroactively regardless of whether such  
26 sanctions or disallowances are for services provided or claims made  
27 prior to or after April 1, 2022.

28 Notwithstanding any other provision of law, any federal disallowance  
29 resulting from a federal title IV-E eligibility review or audit that  
30 uses extrapolated statistic techniques shall be passed along by the  
31 state to any and all social services districts that the office of  
32 children and family services has determined have not complied with  
33 the title IV-E eligibility requirements or have not taken the neces-  
34 sary actions to ensure compliance with such requirements including,  
35 but not limited to, failing to: assess and fully document all the  
36 criteria and have readily available all the necessary documents to  
37 establish and continue title IV-E eligibility for all title IV-E  
38 eligible children within the required time frames; claim title IV-E  
39 funding only for cases that meet all of the title IV-E eligibility  
40 criteria; and fully implement the social services payment system on  
41 or before April 1, 2005 for all direct and voluntary agency foster  
42 care services.

43 Notwithstanding any law to the contrary, the office of children and  
44 family services shall impose on social services districts any feder-  
45 al disallowance issued against the state as a result of a federal  
46 title IV-E secondary eligibility review regardless of the date the  
47 children may have entered foster care, the date the eligibility or  
48 payment errors occurred, or the filing date of any federal claims  
49 for reimbursement; provided, however, that the state shall be  
50 responsible for the disallowed costs and expenditures related to the  
51 placement of children in a facility operated by the office of chil-

dren and family services, which shall be determined in the same manner as the disallowed costs and expenditures for social services districts other than the city of New York. In order to reimburse the federal government for the full amount of any disallowance imposed on the state by the federal administration for children and families within the timeframes necessary to avoid any potential interest payments on such amount, the office of children and family services is authorized to immediately offset funds otherwise due to each district for a pro rata share of the total disallowed costs based on the percentage of applicable federal title IV-E claims made by that district for the relevant time period as compared to the total applicable statewide title IV-E claims. The amount of the offset against each district will be adjusted, if necessary, upon completion of the disallowance allocation process. The final allocation of the amount of any federal disallowance resulting from a title IV-E secondary eligibility review shall be allocated among the districts so that each district shall be responsible for the amount attributable to each of the district's children or cases that are determined by the federal review to be unallowable. Each district shall also be responsible for a portion of the federal extrapolated disallowance amount based on the relative error rate for the district. The city of New York's error rate will be based on the federal sample and federal statistics. For all social services districts other than the city of New York, the error rate will be based on a review conducted by the district of a sample of children and/or cases determined by the office of children and family services and a re-review of a sub-sample by the office of those children and/or cases determined by the office. The office of children and family services will determine what is reasonable in establishing the size of the sample and sub-sample for each district. The office of children and family services shall notify each social services district of the sample of children and/or cases from the federal audit period that the social services district must review. Any child or case from the social services district that was included in the federal sample will automatically be included in the social services district's review sample and the determination made at the federal review regarding that child or case will govern for the purposes of the social services district's review. The social services district must complete and submit the results of its review to the office of children and family services within 60 days of receipt of the sample. The error rate for the district will be based on the findings of the district's review and the office of children and family services' re-review. If a social services district does not complete its review within 60 days of receiving the sample from the office of children and family services, the office of children and family services shall assign an error rate to the social services district based on the relative percentage of the district's applicable title IV-E claims for the relevant period as compared to applicable statewide title IV-E claims for that period and other circumstances that the office of children and family services may consider in order to allocate 100 percent of the federal disallow-

1       ance. The office of children and family services shall apply each  
2       social services district's error rate to the total amount of the  
3       district's applicable title IV-E claims including associated admin-  
4       istrative expenses. The resulting dollar amounts for all of the  
5       social services districts will be summed to derive the total amount  
6       of title IV-E claims deemed to be in error statewide. To establish a  
7       disallowance percentage for each social services district, the  
8       amount of the district's title IV-E claims deemed to be in error  
9       will be divided by the amount of statewide title IV-E claims deemed  
10      to be in error. The resulting disallowance percentage for each  
11      district will be applied to the entire title IV-E extrapolated  
12      disallowance calculated by the federal review to determine the  
13      amount of the extrapolated disallowance for which the district is  
14      responsible. Each district will be credited for the amount already  
15      disallowed for any individual children or cases found to be in error  
16      during the federal review. The exclusive appeal rights for the  
17      review of the amount of the federal disallowance assigned to each  
18      social services district shall be pursuant to article 78 of the  
19      civil practice law and rules; provided, however, that in any such  
20      action all of the social services districts shall be joined as  
21      necessary parties and the venue of any such action shall be in Rens-  
22      selaer county. Any social services district that fails to complete  
23      its sample review in the required time frames shall have no right to  
24      appeal and shall not be a necessary party to any action brought by  
25      another social services district.

26      The money hereby appropriated is to be available for payment of state  
27      aid heretofore accrued or hereafter to accrue to municipalities.  
28      Subject to the approval of the director of the budget, such funds  
29      shall be available to the office net of disallowances, refunds,  
30      reimbursements, and credits.

31      Notwithstanding any inconsistent provision of law, the amount herein  
32      appropriated may be transferred to any other appropriation within  
33      the office of children and family services and/or the office of  
34      temporary and disability assistance and/or suballocated to the  
35      office of temporary and disability assistance for the purpose of  
36      paying local social services districts' costs of the above program  
37      and may be increased or decreased by interchange with any other  
38      appropriation or with any other item or items within the amounts  
39      appropriated within the office of children and family services

3 option to individuals and families regard-  
4 less of immigration status who are experi-  
5 encing homelessness or are facing an immi-

7 individuals and families without children.  
8 Provided, however, that in social services  
9 districts with a population over five  
10 million, funds allocated to such district  
11 shall be used in the first instance to  
12 reimburse rental costs above the maximum  
13 rent levels in place as of January 1, 2021  
14 up to the United States department of  
15 housing and urban development's fair  
16 market rent level for the family homeless-  
17 ness and eviction prevention supplement  
18 program pursuant to section 131-bb of the  
19 social services law, then adjusted  
20 consistent with the annual year-over-year  
21 percentage changes in fair market rent,  
22 provided, however, in the event of a  
23 decrease in fair market rent the value of  
24 the maximum rent levels reimbursed with  
25 funds appropriated herein shall not  
26 decrease and shall be set at the maximum  
27 rent levels established during the prior  
28 year, and any remaining funds for such  
29 district may be used to provide shelter  
30 supplements pursuant to the purposes  
31 appropriated herein.

32 Such supplements shall be provided to house-

35 tion, provided however, that if sufficient  
36 demand does not exist for households who  
37 earn no more than 30 percent of area medi-

40 area median income.

41 Such supplements shall be provided in  
42 accordance with social services district  
43 plans, provided however that no plan shall  
44 require supplements to be below 85 percent  
45 of fair market rent, but may allow for  
46 supplements above 85 percent of fair  
47 market rent at local cost; provided  
48 further however that at least 50 percent  
49 of the supplements shall be allocated for  
50 households who are currently in shelter or  
51 experiencing homelessness, unless suffi-

cient demand does not exist for such households within the district. A social services district plan may provide for the administration of portions of this program to be delegated to another public agency or to a contractor or non-profit organization.

Funds appropriated herein shall be used to reimburse up to 100 percent of the additional rental costs determined based on limiting such household's earned and/or unearned income contribution to 30 percent. Each supplement shall be provided until 30 percent of the household's earned and/or unearned income reaches the total monthly rent.

Supplements provided herein shall not be part of the standard of need pursuant to section 131-a of the social services law. Notwithstanding any provision of law to the contrary such supplements shall not be subject to recoupment or repayment. Notwithstanding the aforementioned requirement that a social services district with a population over five million shall use this funding to reimburse rental costs above the maximum rent levels in place as of January 1, 2021 up to the United States department of housing and urban development's fair market rent level for the family homelessness and eviction prevention supplement pursuant to section 131-bb of the social services law, then adjusted consistent with the annual year-over-year percentage changes in fair market rent, provided, however, in the event of a decrease in fair market rent the value of the maximum rent levels reimbursed with funds appropriated herein shall not decrease and shall be set at the maximum rent levels established during the prior year, nothing in this language shall prohibit undocumented individuals and families from receiving this assistance. 32 The commissioner shall seek the input of the  
33 legislature, as well as organizations

1 (b) The commissioner may revise the medicaid  
2 savings allocation adjustment subsequent  
3 to the provisions of notice and prior to  
4 implementation but needs to provide a new  
5 notice pursuant to subparagraph (i) of  
6 this paragraph only if the commissioner  
7 determines, in his or her discretion, that  
8 such revisions materially alter the plan.

9 Notwithstanding the provisions of paragraphs

11 commissioner need not seek the input  
12 described in paragraph (a) of this subdi-

35 savings allocation adjustment from taking  
36 effect retroactively to the extent permit-  
37 ted by the federal centers for medicare  
38 and medicaid services.

39 In accordance with the medicaid savings  
40 allocation adjustment, the commissioner of

1 a result of a natural or other type of disaster, including a govern-  
2 mental declaration of emergency.

3 The director of the budget, in consultation with the commissioner of  
4 health, shall assess on a quarterly basis known and projected medi-  
5 caid expenditures by category of service and by geographic region,  
6 as determined by the commissioner of health, incurred both prior to  
7 and subsequent to such assessment for each such period, and if the  
8 director of the budget determines that such expenditures are  
9 expected to cause medicaid spending for such period to exceed the  
10 aggregate limit specified herein for such period, the state medicaid  
11 director, in consultation with the director of the budget and the  
12 commissioner of health, shall develop a medicaid savings allocation  
13 adjustment to limit such spending to the aggregate limit specified  
14 herein for such period.

15 Such medicaid savings allocation adjustment shall be designed, to  
16 reduce the expenditures authorized by the appropriations herein in  
17 compliance with the following guidelines: (1) reductions shall be  
18 made in compliance with applicable federal law, including the  
19 provisions of the Patient Protection and Affordable Care Act, Public  
20 Law No. 111-148, and the Health Care and Education Reconciliation  
21 Act of 2010, Public Law No. 111-152 (collectively "Affordable Care  
22 Act") and any subsequent amendments thereto or regulations promul-  
23 gated thereunder; (2) reductions shall be made in a manner that  
24 complies with the state medicaid plan approved by the federal  
25 centers for medicare and medicaid services, provided, however, that  
26 the commissioner of health is authorized to submit any state plan  
27 amendment or seek other federal approval, including waiver authori-  
28 ty, to implement the provisions of the medicaid savings allocation  
29 adjustment that meets the other criteria set forth herein; (3)  
30 reductions shall be made in a manner that maximizes federal finan-  
31 cial participation, to the extent practicable, including any federal  
32 financial participation that is available or is reasonably expected  
33 to become available, in the discretion of the commissioner, under  
34 the Affordable Care Act; (4) reductions shall be made uniformly  
35 among categories of services and geographic regions of the state, to  
36 the extent practicable, and shall be made uniformly within a cate-  
37 gory of service, to the extent practicable, except where the commis-  
38 sioner determines that there are sufficient grounds for non-uniform-  
39 ity, including but not limited to: the extent to which specific  
40 categories of services contributed to department of health medicaid  
41 state funds spending in excess of the limits specified herein; the  
42 need to maintain safety net services in underserved communities; or  
43 the potential benefits of pursuing innovative payment models contem-  
44 plated by the Affordable Care Act, in which case such grounds shall  
45 be set forth in the medicaid savings allocation adjustment; and (5)  
46 reductions shall be made in a manner that does not unnecessarily  
47 create administrative burdens to medicaid applicants and recipients  
48 or providers.

49 The commissioner shall seek the input of the legislature, as well as  
50 organizations representing health care providers, consumers, busi-  
51 nesses, workers, health insurers, and others with relevant exper-  
52 tise, in developing such medicaid savings allocation adjustment, to

1 the extent that all or part of such adjustment, in the discretion of  
2 the commissioner, is likely to have a material impact on the overall  
3 medicaid program, particular categories of service or particular  
4 geographic regions of the state.

5 (a) The commissioner shall post the medicaid savings allocation  
6 adjustment on the department of health's website and shall provide  
7 written copies of such adjustment to the chairs of the senate  
8 finance and the assembly ways and means committees at least 30 days  
9 before the date on which implementation is expected to begin.

10 (b) The commissioner may revise the medicaid savings allocation  
11 adjustment subsequent to the provisions of notice and prior to  
12 implementation but needs to provide a new notice pursuant to subpar-  
13 agraph (i) of this paragraph only if the commissioner determines, in  
14 his or her discretion, that such revisions materially alter the  
15 adjustment.

16 Notwithstanding the provisions of paragraphs (a) and (b) of this  
17 subdivision, the commissioner need not seek the input described in  
18 paragraph (a) of this subdivision or provide notice pursuant to  
19 paragraph (b) of this subdivision if, in the discretion of the  
20 commissioner, expedited development and implementation of a medicaid  
21 savings allocation adjustment is necessary due to a public health  
22 emergency.

23 For purposes of this section, a public health emergency is defined as:

24 (i) a disaster, natural or otherwise, that significantly increases  
25 the immediate need for health care personnel in an area of the  
26 state; (ii) an event or condition that creates a widespread risk of  
27 exposure to a serious communicable disease, or the potential for  
28 such widespread risk of exposure; or (iii) any other event or condi-  
29 tion determined by the commissioner to constitute an imminent threat  
30 to public health.

31 Nothing in this paragraph shall be deemed to prevent all or part of  
32 such medicaid savings allocation adjustment from taking effect  
33 retroactively to the extent permitted by the federal centers for  
34 medicare and medicaid services.

35 In accordance with the medicaid savings allocation adjustment, the  
36 commissioner of the department of health shall reduce department of  
37 health state funds medicaid spending by the amount of the projected  
38 overspending through, actions including, but not limited to modify-  
39 ing or suspending reimbursement methods, including but not limited  
40 to all fees, premium levels and rates of payment, notwithstanding  
41 any provision of law that sets a specific amount or methodology for  
42 any such payments or rates of payment; modifying medicaid program  
43 benefits; seeking all necessary federal approvals, including, but  
44 not limited to waivers, waiver amendments; and suspending time  
45 frames for notice, approval or certification of rate requirements,  
46 notwithstanding any provision of law, rule or regulation to the  
47 contrary, including but not limited to sections 2807 and 3614 of the  
48 public health law, section 18 of chapter 2 of the laws of 1988, and  
49 18 NYCRR 505.14(h).

5 spending increases or decreases due to: enrollment fluctuations,  
6 rate changes, utilization changes, MRT investments, and shift of  
7 beneficiaries to managed care; and variations in offline medicaid

18 ity, including but not limited to: the extent to which specific  
19 categories of services contributed to department of health medicaid  
20 state funds spending in excess of the limits specified herein; the  
21 need to maintain safety net services in underserved communities; or  
22 the potential benefits of pursuing innovative payment models contem-

24 be set forth in the medicaid savings allocation adjustment; and (5)  
25 reductions shall be made in a manner that does not unnecessarily  
26 create administrative burdens to medicaid applicants and recipients

For purposes of this section, a public health emergency is defined as:

(i) a disaster, natural or otherwise, that significantly increases the immediate need for health care personnel in an area of the state; (ii) an event or condition that creates a widespread risk of exposure to a serious communicable disease, or the potential for such widespread risk of exposure; or (iii) any other event or condition determined by the commissioner to constitute an imminent threat to public health.

Nothing in this paragraph shall be deemed to prevent all or part of such medicaid savings allocation adjustment from taking effect retroactively to the extent permitted by the federal centers for medicare and medicaid services.

In accordance with the medicaid savings allocation adjustment, the commissioner of the department of health shall reduce department of health state funds medicaid spending by the amount of the projected overspending through, actions including, but not limited to modifying or suspending reimbursement methods, including but not limited to all fees, premium levels and rates of payment, notwithstanding any provision of law that sets a specific amount or methodology for any such payments or rates of payment; modifying or discontinuing medicaid program benefits; seeking all necessary federal approvals, including, but not limited to waivers, waiver amendments; and suspending time frames for notice, approval or certification of rate requirements, notwithstanding any provision of law, rule or regulation to the contrary, including but not limited to sections 2807 and 3614 of the public health law, section 18 of chapter 2 of the laws of 1988, and 18 NYCRR 505.14(h).

The department of health shall prepare a quarterly report that sets forth: (a) known and projected department of health medicaid expenditures as described in subdivision (1) of this section, and factors that could result in medicaid disbursements for the relevant state fiscal year to exceed the projected department of health state funds disbursements in the enacted budget financial plan pursuant to subdivision 3 of section 23 of the state finance law, including spending increases or decreases due to: enrollment fluctuations, rate changes, utilization changes, MRT investments, and shift of beneficiaries to managed care; and variations in offline medicaid payments; and (b) the actions taken to implement any medicaid savings allocation adjustment implemented pursuant to subdivision (4) of this section, including information concerning the impact of such actions on each category of service and each geographic region of the state. Each such quarterly report shall be provided to the chairs of the senate finance and the assembly ways and means committees and shall be posted on the department of health's website in a timely manner.

23 implementation but needs to provide a new notice pursuant to subpar-  
24 agraph (i) of this paragraph only if the commissioner determines, in  
25 his or her discretion, that such revisions materially alter the

6 limits may be adjusted by the director of the budget to account for  
7 any changes in the New York state federal medical assistance  
8 percentage amount established pursuant to the federal social securi-

11 minimum wage increases and beginning April 1, 2012 the operational  
12 costs of the New York state medical indemnity fund, pursuant to  
13 chapter 59 of the laws of 2011, and state costs or savings from the  
14 essential plan. Such projections may be adjusted by the director of  
15 the budget to account for increased or expedited department of

17 other type of disaster, including a governmental declaration of  
18 emergency.

19 The director of the budget, in consultation with the commissioner of  
20 health, shall assess on a quarterly basis known and projected medi-  
21 caid expenditures by category of service and by geographic region,  
22 as determined by the commissioner of health, incurred both prior to  
23 and subsequent to such assessment for each such period, and if the  
24 director of the budget determines that such expenditures are  
25 expected to cause medicaid spending for such period to exceed the  
26 aggregate limit specified herein for such period, the state medicaid  
27 director, in consultation with the director of the budget and the  
28 commissioner of health, shall develop a medicaid savings allocation  
29 adjustment to limit such spending to the aggregate limit specified

31 Such medicaid savings allocation adjustment shall be designed, to

33 compliance with the following guidelines: (1) reductions shall be  
34 made in compliance with applicable federal law, including the  
35 provisions of the Patient Protection and Affordable Care Act, Public  
36 Law No. 111-148, and the Health Care and Education Reconciliation

3 ity, including but not limited to: the extent to which specific  
4 categories of services contributed to department of health medicaid

9 be set forth in the medicaid savings allocation adjustment; and (5)  
10 reductions shall be made in a manner that does not unnecessarily  
11 create administrative burdens to medicaid applicants and recipients  
12 or providers.

13 The commissioner shall seek the input of the legislature, as well as

27 adjustment subsequent to the provisions of notice and prior to  
28 implementation but needs to provide a new notice pursuant to subpar-  
29 agraph (i) of this paragraph only if the commissioner determines, in  
30 his or her discretion, that such revisions materially alter the  
31 plan.

32 Notwithstanding the provisions of paragraphs (a) and (b) of this  
33 subdivision, the commissioner need not seek the input described in  
34 paragraph (a) of this subdivision or provide notice pursuant to  
35 paragraph (b) of this subdivision if, in the discretion of the  
36 commissioner, expedited development and implementation of a medicaid
