AN ACT making appropriations for the support of government

CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the
2 purpose of the appropriations, are appropriated by comprehensive
3 construction programs (hereinafter referred to by the abbreviation CCP),
4 purposes, and projects designated by the appropriations, and authorized
5 to be made available as hereinafter provided to the respective public
6 officers; such appropriations shall be deemed to provide all costs
7 necessary and pertinent to accomplish the intent of the appropriations
8

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 and are appropriated in accordance with the provisions of section 93 of
2 the state finance law.

3 b) Any amounts specified in this chapter for advances for capital
4 projects, or so much thereof as shall be necessary to accomplish the
5 purpose of the appropriations, are appropriated by comprehensive
6 construction programs (hereinafter referred to by the abbreviation CCP),
7 purposes and projects designated by the appropriations as advances from
8 the capital projects fund in accordance with the provisions of sections
9 40-a and 93 of the state finance law, and are authorized to be paid as
10 hereinafter provided as an advance for a share, part or whole of the
11 cost for such programs, purposes and projects hereinafter specified.

12 c) The several amounts specified in this chapter as capital projects -
13 reappropriations, or so much thereof as shall be sufficient to accom-
14 plish the purpose of the appropriations, as appropriated by comprehen-
15 sive construction programs (hereinafter referred to by the abbreviation
16 CCP), purposes, and projects, being the undisbursed and/or unexpended
17 balances of the prior year's appropriations, are reappropriated and
18 unless otherwise amended or repealed in part or total in this chapter
19 shall continue to be available for the same purposes as the prior appro-
20 priations or as otherwise amended for the fiscal year beginning April 1,
21 2023.

22 The capital projects reappropriations contained in this chapter may be
23 amended by repealing the items set forth in brackets and by adding ther-
24 eto the underscored material. Certain reappropriations in this chapter
25 are shown using abbreviated text, with three leader dots (an ellipsis)
26 followed by three spaces (...) used to indicate where existing law
27 that is being continued is not shown. However, unless a change is clear-
28 ly indicated by the use of brackets [-] for deletions and underscores
29 for additions, the purpose, amounts, funding source and all other
30 aspects pertinent to each item of appropriation shall be as last appro-
31 priated.

32 For the purpose of complying with section 25 of the state finance law,
33 the year, chapter and section of the last act reappropriating a former
34 original appropriation or any part thereof is, unless otherwise indi-
35 cated, chapter 54, section 1, of the laws of 2022.

36 d) No moneys appropriated by this chapter shall be available for
37 payment until a certificate of approval has been issued by the director
38 of the budget, who shall file such certificate with the department of
39 audit and control, the chairperson of the senate finance committee and
40 the chairperson of the assembly ways and means committee.

41 e) The appropriations contained in this chapter shall be available for
42 the fiscal year beginning on April 1, 2023 except as otherwise noted.

12 Each school district shall be eligible to receive an allocation from
13 the funds appropriated herein equal to the product of the enrollment
14 of all such nonpublic schools in the 2014-15 school year multiplied
15 by the per pupil amount, provided that the liability of the state
16 and the amount to be distributed or otherwise expended by the state
17 to provide such loans shall be limited to the amount appropriated
18 herein. The per pupil amount shall equal the quotient of (i) the
19 amount budgeted by such school district in its approved smart
20 schools investment plan for servers, wireless access points and
21 other portable connectivity devices to be acquired as part of a
22 school connectivity project, divided by (ii) the total public and
23 nonpublic school enrollment in such school district in the 2014-15
24 school year.

25 Provided further that no school district shall be eligible to receive
26 an allocation to support the loan of smart schools classroom tech-
27 nology in an aggregate amount greater than \$250 multiplied by the
28 nonpublic school enrollment in the 2014-15 school year.

32 By chapter 54, section 3, of the laws of 1977, as amended by chapter 54,
 33 section 1, of the laws of 2002:

34 The state share of the cost of construction of water quality improve-
 35 ment projects, including the payment of liabilities incurred prior
 36 to April 1, 1977, in accordance with the provisions of title three
 37 of article fifty-one of the environmental conservation law as
 38 amended for projects included in the following schedule, including
 39 costs incidental and appurtenant thereto, hereinafter referred to as
 40 "Water Quality Improvement Disbursements."

41 Notwithstanding the provisions of any general or special law, the
 42 moneys hereby appropriated shall be available for water quality
 43 improvement expenditures for eligible water quality improvement
 44 projects as defined by section 51-0303 of the environmental conser-
 45 vation law upon the issuance of a certificate of approval of avail-
 46 ability by the director of the division of the budget.

47 The state comptroller shall at the commencement of each month certify
 48 to the director of the division of the budget, the commissioner of
 49 environmental conservation, the chairman of the senate finance
 50 committee, and the chairman of the assembly ways and means committee

14 protect continued access to health care services in communities
15 including but not limited to children's residential treatment facil-
16 ities. Such purposes may include debt retirement and capital
17 projects or non-capital projects that facilitate health care trans-
18 formation activities including, merger, consolidation, acquisition
19 or other activities intended to: create financially sustainable
20 systems of care; preserve or expand essential health care services;
21 modernize obsolete facility physical plants and infrastructure;
22 foster participation in alternative payment arrangements, including
23 but not limited to contracts with managed care plans and accountable
24 care organizations; increase the quality of resident care or experi-
25 ence in residential health care facilities; or improve health infor-
26 mation technology infrastructure, including telehealth, to strength-
27 en the acute, post-acute care, primary care, and longterm care
28 continuum. Grants shall not be available to support general operat-
29 ing expenses.

30 The commissioner and the president of the dormitory authority of the
31 state of New York shall enter into an agreement, subject to the
32 approval of the director of the budget, and subject to section
33 1680-r of the public authorities law, for the purposes of awarding,
34 distributing, and administering the funds made available pursuant to
35 this appropriation.

36 In determining awards for eligible applicants under this appropri-
37 ation, the commissioner of health shall consider criteria including,
38 but not limited to:

- 39 (a) The extent to which the proposed project will contribute to the
40 integration of health care services or the long term sustainability
41 of the applicant or preservation of essential health services in the
42 community or communities served by the applicant;
43 (b) The extent to which the proposed project or purpose is aligned
44 with delivery system reform incentive payment ("DSRIP") program
45 goals and objectives;
46 (c) The geographic distribution of funds;
47 (d) The relationship between the proposed project and identified
48 community need;
49 (e) The extent to which the applicant has access to alternative
50 financing;

CAPITAL PROJECTS - REAPPROPRIATIONS 2023-24

- 1 (f) The extent to which the proposed project furthers the development
2 of primary care and other outpatient services;
3 (g) The extent to which the proposed project benefits medicaid enrol-
4 lees and uninsured individuals;
5 (h) The extent to which the applicant has engaged the community
6 affected by the proposed project and the manner in which community
7 engagement has shaped such project; and
8 (i) The extent to which the proposed project addresses potential risk
9 to patient safety and welfare.

10 Notwithstanding any inconsistent provision of law to the contrary, and
11 upon approval of the director of the budget, the commissioner may
12 award up to \$300,000,000 of the funds made available pursuant to
13 this appropriation for unfunded project applications submitted in
14 response to the request for applications number 17648 issued by the
15 department on January 8, 2018 pursuant to section 2825-e of the
16 public health law.

17 Authorized amounts to be awarded pursuant to applications submitted in
18 response to the request for application number 17648 shall be
19 awarded no later than September 1, 2019.

20 The department shall provide a report on a quarterly basis to the
21 chairs of the senate finance, assembly ways and means, and senate
22 health and assembly health committees, until such time as the
23 department determines that the projects that receive funding pursu-
24 ant to this appropriation are substantially complete. Such reports
25 shall be submitted no later than sixty days after the close of the
26 quarter, and shall include, for each award, the name of the appli-
27 cant, a description of the project or purpose, the amount of the
28 award, disbursement date, and status of achievement of process and
29 performance metrics and milestones pursuant to subdivision 6 of
30 section 2825-f of the public health law.

31 Within amounts appropriated herein, a minimum of \$45,000,000 shall be
32 made available for grant awards to residential health care facili-
33 ties, up to \$20,000,000 may be made available for grant awards made
34 pursuant to paragraphs (l) and (m) of subdivision 3 of section 461-l
35 of the social services law, pursuant to criteria to be determined by
36 the commissioner and a minimum of \$60,000,000 shall be made avail-
37 able for grant awards to community-based health care providers which
38 shall be defined as a diagnostic and treatment center licensed or
39 granted an operating certificate under article 28 of the public
40 health law, a mental health clinic licensed or granted an operating
41 certificate under article 31 of the mental hygiene law, a substance
42 use disorder treatment clinic licensed or granted an operating
43 certificate under article 32 of the mental hygiene law, a primary
44 care provider, a home care provider certified or licensed pursuant
45 to article 36 of the public health law, a facility granted an oper-
46 ating certificate under article 16 of the mental hygiene law or
47 hospices licensed or granted an operating certificate pursuant to
48 article 40 of the public health law.

49 The dormitory authority may issue bonds for such purposes up to the
50 amount appropriated herein. No expenditures may be made from this
51 appropriation to a facility until a facility specific plan has been
52 submitted to the department of health and has been approved by the

35 affected by the proposed capital project and the manner in which
36 community engagement has shaped such capital project; and
37 (i) the extent to which the proposed capital project addresses poten-
38 tial risk to patient safety and welfare.

39 Disbursement of awards made pursuant to this appropriation shall be
40 conditioned on the awardee achieving certain process and performance
41 metrics and milestones as determined in the sole discretion of the
42 commissioner. Such metrics and milestones shall be structured to
43 ensure that the health care transformation and provider sustainabil-
44 ity goals of the project are achieved, and such metrics and mile-
45 stones shall be included in grant disbursement agreements or other
46 contractual documents as required by the commissioner.

47 The department shall provide a report on a quarterly basis to the

2022-23 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2022-23 fiscal year housing program (ccp), including a brief description of the project, project address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (construction, complete, defunded). In addition to the annual report, the commissioner shall provide, in electronic excel format or as requested by the Legislature, a summary update to the director of the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before January 1 of each year. Such summary update shall include total commitments against each subprogram within the 2022-23 fiscal year housing program (ccp), total number of projects supported with those commitments, and total number of affordable units within those projects. Such report and summary update shall continue to be provided until such time as the final disbursement of funds appropriated in the 2022-23 state fiscal year housing program (ccp) has occurred. Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated or transferred to any state department, agency, or public authority for the purposes stated herein.

1. A total of \$1,500,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development or preservation of supportive housing units throughout the state over the next five years.
2. A total of \$1,000,000,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. A total of \$300,000,000 shall be made available for the purpose of developing or rehabilitating senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. A total of \$80,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. A total of \$90,000,000 shall be made available for the purpose of providing capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.
6. A total of \$450,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing.
7. A total of \$120,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.
8. A total of \$150,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and

the budget, the speaker of the Assembly, and the temporary president of the Senate, on or before July 1 of each year, that summarizes the activities undertaken pursuant to the funding made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp). Such annual report shall be cumulative and shall include an itemized list of each project utilizing funds appropriated by the 2016-17 and 2017-18 state fiscal year housing program (ccp), including a brief description of the project, street address, county, awardee, total budget, amount of capital subsidy appropriated by the housing program (ccp), relevant section of the housing program (ccp), bonded or cash, amount of each additional public funding source, funding program, number of units, area median income requirements if applicable, month and year construction will commence, projected date of occupancy, and project phase (in development, engineering, construction, complete, defunded). Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than an additional \$500,000,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional \$41,525,000 for the period April 1, 2020 through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.
2. DEPARTMENT OF TRANSPORTATION

CAPITAL PROJECTS 2023-24

1 For state aid to municipal corporations for
2 the preparation of designs, plans, spec-
3 ifications and estimates, for the acquisi-
4 tion, construction, reconstruction, and
5 improvement of mass transportation capital
6 projects including the acquisition of real
7 property, for other mass transportation
8 projects including local transportation
9 planning studies. Notwithstanding any
10 inconsistent provisions of law, the state
11 share of such projects shall be 50 percent
12 of the non-federal share, but in no event
13 shall the state share exceed 10 percent of
14 project costs.

15 Notwithstanding any other provision of law,
16 the commissioner of transportation shall
17 make available directly to the City of New
18 York (City) an amount commensurate with
19 the state share of (i) federal funds
20 previously awarded to the City and reallo-
21 cated to the metropolitan transportation
22 authority (MTA), and (ii) the federally
23 authorized level of financial assistance
24 transferred by resolution of the metropol-
25 itan planning organization (MPO) to the
26 metropolitan transportation authority
27 (MTA) and credited to the City by the MTA
28 for capital expenses.

29 The state share of such reimbursement shall
30 be 50 percent of the non-federal share of
31 the federally authorized level of finan-
32 cial assistance transferred to the MTA,
33 but in no event shall the state share
34 exceed 10 percent of project costs. Prior
35 to requesting reimbursement for projects
36 progressed by the MTA on behalf of the
37 City, the City shall certify to the
38 commissioner of transportation that each
39 eligible project progressed under this
40 provision is federally eligible and that
41 the match amount requested does not exceed
42 the state share of the federally author-
43 ized level of financial assistance. In
44 addition, the City must provide an appli-
45 cation to the commissioner of transporta-
46 tion certifying that the work to be funded
47 under the project has been performed and
48 that the City has reimbursed the MTA for
49 100 percent of the match amount for the
50 project. Upon such application, the
51 commissioner of transportation shall

4 By chapter 54, section 1, of the laws of 2022:

5 For state aid to municipal corporations for the preparation of
6 designs, plans, specifications and estimates, for the acquisition,
7 construction, reconstruction, and improvement of mass transportation
8 capital projects including the acquisition of real property, for
9 other mass transportation projects including local transportation
10 planning studies. Notwithstanding any inconsistent provisions of
11 law, the state share of such projects shall be 50 percent of the
12 non-federal share, but in no event shall the state share exceed 10
13 percent of project costs.

14 Notwithstanding any other provision of law, the commissioner of trans-
15 portation shall make available directly to the City of New York
16 (City) an amount commensurate with the state share of (i) federal
17 funds previously awarded to the City and reallocated to the metro-

28 City shall certify to the commissioner of transportation that each
29 eligible project progressed under this provision is federally eligi-
30 ble and that the match amount requested does not exceed the state
31 share of the federally authorized level of financial assistance. In
32 addition, the City must provide an application to the commissioner
33 of transportation certifying that the work to be funded under the
34 project has been performed and that the City has reimbursed the MTA
35 for 100 percent of the match amount for the project. Upon such
36 application, the commissioner of transportation shall review and
37 approve eligible activities for reimbursement.

38 Prior to requesting approval of a certificate of approval of avail-
39 ability for the moneys hereby appropriated, the commissioner of
40 transportation shall certify that each omnibus project progressed
41 under the program has received federal approval.

6 The appropriation made by chapter 54, section 1, of the laws of 2022, is
7 hereby amended and reappropriated to read:

8 The sum of \$385,000,000 is hereby appropriated for the Community Resi-
9 liency, Economic Sustainability, and Technology program. Funds
10 appropriated herein shall be for: (i) grants for the payment of the
11 capital costs of acquisition, design, construction, reconstruction,
12 demolition, rehabilitation, preservation, development, improvement,
13 or modernization of an existing or proposed facility or other prop-
14 erty real and personal, and other appurtenances thereto; [and] (ii)
15 grants for the acquisition of equipment and other capital assets
16 with a useful life of not less than ten years purchased for instal-
17 lation onto infrastructure that is owned or controlled by the grant
18 recipient or appurtenant thereto, provided that in cases involving
19 the acquisition of non-fixed equipment and capital assets, including
20 vehicles, with a useful life of not less than ten years such assets
21 shall solely be used by the grant recipient; and (iii) grants for
22 the acquisition of bond eligible equipment and other capital assets
23 with a useful life of less than ten years, provided that such equip-
24 ment and other capital assets are for health and safety purposes and
25 purchased for installation onto infrastructure that is owned or
26 controlled by the grant recipient or appurtenant thereto, provided
27 that in cases involving the acquisition of non-fixed equipment and
28 capital assets, including vehicles, with a useful life of less than
29 ten years such assets shall solely be used by the grant recipient.
30 Eligible purposes shall include but not be limited to projects
31 intended to improve the quality of life of the residents of the
32 State of New York through investment in facilities which support
33 arts, cultural, athletic, housing, child care, educational, parks
34 and recreational, transportation, port development, economic devel-
35 opment, workforce training, employment development, tourism, commu-
36 nity redevelopment, climate change mitigation, resiliency, environ-

38 support of port development, economic development, workforce train-
39 ing, or employment development shall create or retain jobs or cata-
40 lyze economic activity in New York State as certified by the commis-
41 sioner of the department of economic development. Individual grants
42 issued pursuant to this appropriation shall be in an amount no less
43 than \$50,000. Funding under this appropriation shall be pursuant to
44 a plan agreed to by the director of the budget, speaker of the
45 assembly, and president pro temp of the senate. Notwithstanding any
46 provision of law to the contrary, funds appropriated herein may be

8 mate: Albany, the Bronx, Binghamton, Buffalo, Elmira, Hempstead,
9 Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester,
10 Syracuse, Troy, Utica and Watertown. Provided that, except in muni-
11 cipalities where a state-funded anti-poverty task force or initi-
12 ative already exists and is receiving or has received State funding
13 for such purpose, the mayor of each municipality, or in the case of
14 the Bronx, the borough president, will select a not-for-profit
15 organization that provides services in the municipality, or in the
16 case of the Bronx, the borough, to serve as the local coordinator of
17 each such local task force. Provided further that, except in muni-
18 cipalities where a state-funded antipoverty task force or initiative
19 already exists and is receiving or has received funding, each such
20 taskforce shall make efforts to be comprised of, but not limited to,
21 the following members: representatives from municipal, county,
22 and/or state government; individuals who have lived in or currently
23 live in households in poverty; individuals and advocates represen-
24 ting local not-for-profit and community organizations; represen-
25 tatives from local school districts; and representatives from local
26 social services districts. Of the funds appropriated herein, the
27 amount available for each local anti-poverty task force shall be
28 determined based on the number of people in each municipality, or a
29 borough, who are living in poverty as determined by the U.S. Census
30 Bureau's 2010-14 American Community Survey Five-year Estimate
31 provided that each local anti-poverty task force shall be eligible
32 to receive funding in the following amounts: municipalities with
33 fewer than 5,000 individuals in poverty shall each be eligible to
34 receive \$500,000; municipalities with between 5,000 and 10,000 indi-
35 viduals in poverty shall each be eligible to receive \$1,000,000;
36 municipalities with between 10,000 and 40,000 individuals in poverty
37 shall each be eligible to receive \$1,500,000; and municipalities, or
38 a borough, with more than 40,000 individuals in poverty shall each
39 be eligible to receive \$2,750,000. Funds appropriated herein shall
40 be available to support the work of each anti-poverty task force and
41 such work shall be divided into two phases. During the first phase,
42 the mayor of the municipality, or in the case of the Bronx, the
43 borough president, will select a not-for-profit organization that
44 has demonstrated successful performance working with community
45 stakeholders and achieving objectives specified herein, to coordi-
46 nate the local antipoverty task force. The not-for-profit organiza-
47 tion serving as coordinator will assemble the antipoverty task force
48 using the criteria outlined above. Provided further that, with
49 guidance and oversight of the commissioner of the office of tempo-

8 toward the identified issues or neighborhoods. Such focus areas may
9 include, but are not limited to childhood poverty and homelessness.
10 Activities included in such plan may include, but are not limited
11 to: providing public assistance recipients opportunities to partic-
12 ipate in enhanced work activities that either provide recognized
13 credentialing or enhanced career readiness or job training for
14 better linkage to potential employment; assisting families in pover-
15 ty through services provided to parents and children; and addressing
16 chronic homelessness or housing insecurity. Such plan must include
17 measurable objectives and a timeframe for completion and shall be
18 submitted for approval to the commissioner of the office of tempo-

20 to each anti-poverty task force, the lesser of \$300,000 or 20
21 percent of the total award may be used to carry out planning and
22 administration, provided however, that the amount used for planning
23 and administration may exceed such limitation if such amount is
24 approved by the commissioner of the office of temporary and disabili-

26 approval from the commissioner of the office of temporary and disa-
27 bility assistance, each such anti-poverty task force shall commence
28 the second phase of its work, which will support the implementation
29 of the plan developed during the first phase. Funding appropriated
30 herein shall be made available to the not-for-profit organization
31 serving as coordinator and its use shall be restricted to purposes
32 or initiatives that do not necessitate ongoing state financial
33 support. Such anti-poverty task forces shall be encouraged to secure
34 match funding from private sector and foundation sources to supple-
35 ment the funds appropriated herein and provided further that any
36 funding provided from this appropriation shall not be used to
37 supplant funding for programs already in existence. Such funds may

32 determination of the commissioner of health without a competitive
33 bid or request for proposal process to support debt retirement and
34 capital projects or non-capital projects that facilitate health care
35 transformation, including mergers, consolidation, acquisition or
36 other significant corporate restructuring activities intended to
37 create a financially sustainable system of care that promotes a
38 patient-centered model of health care delivery. Grants shall not be
39 available to support general operating expenses. For purposes of
40 this appropriation, an essential health care provider is a hospital
41 or hospital system that, in the discretion of the commissioner of
42 health, offers health services within a defined and isolated
43 geographic region where such services would otherwise be unavailable
44 to the population of such region.
45 Notwithstanding any other provision of law to the contrary, up to
46 \$83,500,000 appropriated herein may be available for the health
47 facility restructuring program pursuant to section 2815 of the
48 public health law.
