Introduced by M. of A. WALKER -- read once and referred to the Committee on Election Law

AN ACT providing for the state board of elections to undertake a study on the feasibility of permitting voting by mail, telephone and/or the internet and to establish pilot projects relating thereto

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

- 1 Section 1. The state board of elections shall undertake a study on the  
2 feasibility of permitting voting by mail, telephone and/or the internet.  
3 Such study shall include but not be limited to evaluation of the ability  
4 of verifying votes by mail, telephone and/or the internet and the impact  
5 on the number of the electorate voting in primary and general elections.  
6 Notwithstanding any other provision of law to the contrary, at any  
7 primary or general election during the undertaking of such study, the  
8 state board of elections may provide a pilot program permitting voting  
9 by mail, telephone and/or the internet. The state board of elections  
10 shall submit such study including recommendations to the governor and  
11 state legislature within twenty-four months of the effective date of  
12 this act.  
13 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.
