

STATE OF NEW YORK

3434

2023-2024 Regular Sessions

IN ASSEMBLY

February 3, 2023

Introduced by M. of A. MEEKS, GONZALEZ-ROJAS, EPSTEIN, GALLAGHER,
BURDICK, JACKSON -- read once and referred to the Committee on Codes

AN ACT to amend the penal law, the criminal procedure law and the general business law, in relation to decriminalizing possession of controlled substances; to amend the public health law, in relation to establishing the drug decriminalization task force; to repeal certain provisions of the penal law related thereto; and providing for the repeal of certain provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature hereby finds that
2 substance use disorder is a disease and should therefore be treated
3 using a public health, rather than a criminal-legal-system-centered
4 approach. Existing laws criminalizing the possession of drugs have been
5 ineffective in reducing drug use and preventing substance use disorder.
6 Instead, these laws have devastated individuals, families, and communities.
7 Treating substance use as a crime by arresting and incarcerating
8 people for personal use offenses causes significant harm to individuals
9 who use drugs by disrupting and further destabilizing their lives. It
10 also contributes to an increased risk of death, the spread of infectious
11 diseases, mass incarceration, the separation of families, and barriers
12 to accessing housing, employment, and other vital services. Furthermore,
13 even though research shows that drugs are used and sold at similar
14 levels across all races, laws criminalizing the use of drugs have
15 disproportionately impacted Black and Latinx communities. The purpose of
16 this legislation is to save lives and to help transform New York's
17 approach to drug use from one based on criminalization and stigma to one
18 based on science and compassion, by eliminating criminal and civil
19 penalties for the personal possession of controlled substances.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

§ 2. Section 220.03 of the penal law, as amended by section 4 of part I of chapter 57 of the laws of 2015 and the opening paragraph as amended by chapter 433 of the laws of 2021, is amended to read as follows:

Such screening shall be conducted by individuals trained in the use of evidence-based, culturally and gender competent trauma-informed practices. Upon verification that the person has completed the screening within forty-five days of when the fine was imposed, the fine imposed by this section shall be waived. Failure to pay such fine shall not be the basis for further penalties or for a term of incarceration.

§ 3. Subdivision 3 of section 160.50 of the criminal procedure law is amended by adding a new paragraph (m) to read as follows:

(m) (i) the conviction was for a violation of an offense defined in section 220.03 of the penal law prior to the effective date of this paragraph.

1 having been rendered by this paragraph legally invalid. All such records
2 for an offense described in this paragraph where the conviction was
3 entered on or before the effective date of the chapter of the laws of
4 ~~[2019]~~ two thousand nineteen or two thousand twenty-three, as applica-

11 record destruction if requested, is required by this subdivision but any
12 record of the court system in this state has not yet been updated to

14 provided in paragraph (d) of subdivision one of this section and para-
15 graph (e) of subdivision four of section eight hundred thirty-seven of
16 the executive law: (1) when the division of criminal justice services
17 conducts a search of its criminal history records, maintained pursuant
18 to subdivision six of section eight hundred thirty-seven of the execu-
19 tive law, and returns a report thereon, all references to a conviction
20 for an offense described in paragraph (k) or (m) of subdivision three of
21 this section shall be excluded from such report; and (2) the chief
22 administrator of the courts shall develop and promulgate rules as may be
23 necessary to ensure that no written or electronic report of a criminal
24 history record search conducted by the office of court administration
25 contains information relating to a conviction for an offense described
26 in paragraph (k) or (m) of subdivision three of this section; and (B)
27 where court records relevant to such matter cannot be located or have
28 been destroyed, and a person or the person's attorney presents to an
29 appropriate court employee a fingerprint record of the New York state
30 division of criminal justice services, or a copy of a court disposition
31 record or other relevant court record, which indicates that a criminal
32 action or proceeding against such person was terminated by conviction of
33 an offense described in paragraph (k) or (m) of subdivision three of
34 this section, then promptly, and in any event within thirty days after

46 paragraph (k) or subparagraph (i) of paragraph (m) of subdivision three
47 of section 160.50 of this part, in which case the court shall presume
48 that a conviction by plea for the aforementioned offenses was not know-
49 ing, voluntary and intelligent if it has ~~[severe or]~~ ongoing collateral
50 consequences, including but not limited to potential or actual immi-
51 gration consequences, and shall presume that a conviction by verdict for
52 the aforementioned offenses constitutes cruel and unusual punishment
53 under section five of article one of the state constitution, based on
54 those consequences. The people may rebut these presumptions.

§ 7. Subdivision 6 of section 440.10 of the criminal procedure law, as amended by chapter 629 of the laws of 2021, is amended to read as follows:

§ 10. Section 220.25 of the penal law is REPEALED.
