FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would permit members of the New York State and Local Employees' Retirement System (NYSLERS) who are employed by Monroe County in the title of deputy sheriff-civil, as certified by the sheriff, to retire upon completion of twenty-five (25) years of creditable service with a benefit of one-half (50%) final average salary, provided Monroe County has filed a resolution with the New York State Comptroller to provide such benefits on or before December 31, 2024. Additionally, for those members covered under the provisions of Article 14, this bill would permit an irrevocable election to forfeit the benefits of Article 14 in favor of the 25-year plan benefit, when elected on or before December 31, 2024 or within one year of entering service as a deputy sheriff-civil with Monroe County.

If this bill is enacted during the 2023 legislative session, we anticipate that there will be an increase of approximately \$24,000 in the annual contributions of Monroe County for the fiscal year ending March 31, 2024. In future years, this cost will vary as the billing rates and salary of the affected members change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately \$147,000 which will be borne by Monroe County as a one-time payment. This estimate assumes that payment will be made on February 1, 2024.

These estimated costs are based on 9 affected members employed by Monroe County, with annual salary of approximately \$688,000 as of March 31, 2022. The affected members were identified using information provided by Andrew Toranzo of the New York State Minority Ways and Means Committee.
