AN ACT to amend the cannabis law, in relation to the packaging of cannabis and hemp products

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 81 of the cannabis law is amended by adding a new subdivision 2-a to read as follows:

3 2-a. Such rules and regulations shall include requiring the board to 4 develop strategic plans detailing the primary use of industrial hemp for 5 packaging and labeling requirements to be used prior to the retail sale of any cannabis or cannabis product to a cannabis consumer, in accordance with this chapter. For the purposes of this section, the term 7 8 "industrial hemp" means the plant Cannabis sativa L. and any part of 9 such plant, whether growing or not, with a <u>delta-9</u> tetrahydrocannabinol concentration of not more than 0.3 percent on a dry 10 11 weight basis.

- 12 § 2. The cannabis law is amended by adding a new section 103-a to read 13 as follows:
- § 103-a. Sustainable cannabis packaging; incubator program. 1. The board, in coordination with the empire state development corporation, and after receiving input from other relevant stakeholders, shall establish and implement a sustainable cannabis packaging incubator program to encourage the use and development of sustainable cannabis packaging materials for use in the adult-use cannabis industry.
- 2. Such program participants shall develop compostable and biodegradable cannabis packaging materials and shall prioritize the use of industrial hemp for the creation of such packaging materials. Such compostable and biodegradable cannabis packaging materials produced through the incubator program shall be no less than thirty percent hemp.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
