2023-2024 Regular Sessions

## IN ASSEMBLY

February 8, 2023

---

Introduced by M. of A. CARROLL, PAULIN, WOERNER, LUPARDO -- read once  
and referred to the Committee on Election Law

AN ACT to amend the election law, in relation to the examination of  
voting machines by the state board of elections

The People of the State of New York, represented in Senate and Assem-  
bly, do enact as follows:

1 Section 1. Subdivisions 1 and 3 of section 7-201 of the election law,  
2 as amended by chapter 181 of the laws of 2005, are amended to read as  
3 follows:

4 1. Any person or corporation owning or being interested in any voting  
5 machine or system may apply to have the state board of elections examine  
6 such machine or system. Such applicant shall pay to the board before the  
7 examination a fee equal to the cost of such examination. The state board  
8 of elections shall cause the machine or system to be examined and a  
9 report of the examination to be made and filed in the office of the  
10 state board. Such examination shall include a determination as to wheth-  
11 er the machine or system meets the requirements of section 7-202 of this  
12 title and a thorough review and testing of any electronic or computer-  
13 ized features of the machine or system. Such report shall state an opin-  
14 ion as to whether the kind of machine or system so examined can safely  
15 ~~[and]~~, properly, and securely be used by voters and local boards of  
16 elections at elections, under the conditions prescribed in this article  
17 and the requirements of the federal Help America Vote Act. If the report  
18 states that the machine or system can be so used, and the board after  
19 its own examination so determines, in accordance with subdivision four  
20 of section 3-100 of this chapter, the machine or system ~~[shall]~~ may be  
21 deemed approved, and machines or systems of its kind may be adopted for  
22 use at elections as herein provided. Notwithstanding that a machine or  
23 system meets the requirements of section 7-202 of this title, the state  
24 board, in its discretion, may reject the use of such machine or system  
25 on the ground that it is not proper, safe and/or secure. The voting

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 machine or system shall be examined by examiners or testing laboratories  
2 to be selected for such purpose by the state board. Each examiner or  
3 laboratory shall receive compensation and expenses for making an exam-  
4 ination and report as to each voting machine or system examined by him  
5 or it. Neither any member of the state board of elections nor any exam-  
6 iner or owner or employee of any testing laboratory, shall have any  
7 pecuniary interest in any voting machine or system. Any form of voting  
8 machine or system not so approved, cannot be used at any election.

9 3. If at any time after any machine or system has been approved pursu-  
10 ant to the provisions of subdivision one or two of this section, the  
11 state board of elections has any reason to believe that such machine or  
12 system does not meet all the requirements for voting machines or systems  
13 set forth in this article, it shall forthwith cause such machine or  
14 system to be examined again in the manner prescribed by subdivision one  
15 of this section. If the opinions in the report of such examinations do  
16 not state that such machine or system can safely ~~[and]~~, properly ~~and~~  
17 ~~securely~~ be used by voters at elections under the conditions prescribed  
18 by this article, the state board of elections shall forthwith rescind  
19 its approval of such machine or system. After the date on which the  
20 approval of any machine or system is rescinded, no machines or systems  
21 of such type may be purchased for use in this state. Notwithstanding  
22 that a machine or system meets the requirements of section 7-202 of this  
23 title, the state board, in its discretion, may rescind its approval of  
24 such machine or system on the ground that it is not proper, safe and/or  
25 secure. The state board of elections shall examine all machines or  
26 systems of such type which were previously purchased, to determine if  
27 they may continue to be used in elections in this state.

28 § 2. This act shall take effect immediately.
