

STATE OF NEW YORK

4457

2023-2024 Regular Sessions

IN ASSEMBLY

February 16, 2023

Introduced by M. of A. RAMOS, DICKENS -- read once and referred to the Committee on Codes

AN ACT to amend the penal law, the civil practice law and rules, the state finance law, the correction law, the education law and the mental hygiene law, in relation to defining offenses involving criminal street gangs, creating the criminal street gang prevention fund, and providing for gang prevention services in schools; and to repeal sections 120.06 and 120.07 of the penal law, relating to offenses of gang assault

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings and purpose. The legislature hereby
2 finds that New York laws are insufficient regarding the prosecution of
3 criminal street gangs and the protection of public order and individual
4 safety against gang-related violence, because of the lack of programs
5 and activities specifically designed to prevent the growth of criminal
6 street gangs, facilitate prosecution and punishment of members of criminal
7 street gangs, and punish those who solicit others to participate in
8 criminal street gangs and in acts of gang-related violence or who
9 provide support or resources to those who commit or encourage the
10 commission of such acts.

11 The legislature further finds that the threat of violence and the
12 disruption of public order and safety presented by criminal street gangs
13 have reached a crisis point that threatens the right of residents of
14 this state to be secure and protected from fear, intimidation, and physical
15 harm.

16 The legislature therefore finds and declares that it is in every sense
17 in the public interest to establish a comprehensive approach to the
18 protection of public order and individual safety against criminal street
19 gangs and gang-related violence, by severely criminalizing such activities,
20 by creating anti-crime programs that focus on patterns of criminal
