the emergency tenant protection act of nineteen seventy-four, provided, however, that this provision shall not apply or become effective with respect to housing accommodations which, by local law or ordinance, are 4 made directly subject to regulation and control by a city housing rent 5 agency and such agency determines or finds that the housing accommodations became vacant because the landlord or any person acting on his 7 behalf, with intent to cause the tenant to vacate, engaged in any course of conduct (including but not limited to, interruption or discontinuance 9 of essential services) which interfered with or disturbed or was 10 intended to interfere with or disturb the comfort, repose, peace or 11 quiet of the tenant in his use or occupancy of the housing accommo-12 dations. The removal of any housing accommodation from regulation and control of rents pursuant to the vacancy exemption provided for in this 13 14 paragraph shall not constitute or operate as a ground for the subjection 15 to more stringent regulation and control of any housing accommodation in 16 such property or in any other property owned by the same landlord, 17 notwithstanding any prior agreement to the contrary by the landlord. The vacancy exemption provided for in this paragraph shall not arise with 18 respect to any rented plot or parcel of land otherwise subject to the 19 20 provisions of this act, by reason of a transfer of title and possession 21 occurring on or after July first, nineteen hundred seventy-one of a 22 dwelling located on such plot or parcel and owned by the tenant where such transfer of title and possession is made to a member of the 23 tenant's immediate family provided that the member of the tenant's imme-24 25 diate family occupies the dwelling with the tenant prior to the transfer 26 of title and possession for a continuous period of two years.

The term "immediate family" shall include a husband, wife, son, daughter, stepson, stepdaughter, father, mother, father-in-law or mother-inlaw.

[Notwithstanding the foregoing, no local law or ordinance shall hereafter provide for the regulation and control of residential rents and eviction in respect of any housing accommodations which are (1) presently exempt from such regulation and control or (2) hereafter decontrolled either by operation of law or by a city housing rent agency, by order or otherwise. No housing accommodations presently subject to regulation and control pursuant to local laws or ordinances adopted or amended under authority of this subdivision shall hereafter be by local law or ordinance or by rule or regulation which has not been theretofore approved by the state commissioner of housing and community renewal subjected to more stringent or restrictive provisions of regulation and control than those presently in effect.

Notwithstanding any other provision of law, on and after the effective date of this paragraph, a city having a population of one million or more shall not, either through its local legislative body or otherwise, adopt or amend local laws or ordinances with respect to the regulation and control of residential rents and eviction, including but not limited to provision for the establishment and adjustment of rents, the classification of housing accommodations, the regulation of evictions, and the enforcement of such local laws or ordinances, or otherwise adopt laws or ordinances pursuant to the provisions of this act, the emergency tenant protection act of nineteen seventy-four, the New York city rent and rehabilitation law or the New York city rent stabilization law, except to the extent that such city for the purpose of reviewing the continued need for the existing regulation and control of residential rents or to 55 remove a classification of housing accommodation from such regulation and control adopts or amends local laws or ordinances pursuant to subdiA. 4764 3

vision three of section one of this act, section three of the 2 tenant protection act of nineteen seventy four, section 26-415 of the New York city rent and rehabilitation law, and sections 26-502 and 26-520 of the New York city rent stabilization law of nineteen hundred sixty-nine.

Notwithstanding the foregoing, no local law or ordinance shall subject 7 to such regulation and control any housing accommodation which is not 8 occupied by the tenant in possession as his or her primary residence; 9 provided, however, that such housing accommodation not occupied by the 10 tenant in possession as his or her primary residence shall continue to 11 be subject to regulation and control as provided for herein unless the city housing rent agency issues an order decontrolling such accommodation, which the agency shall do upon application by the landlord when-13 14 ever it is established by any facts and circumstances which, in the 15 judgment of the agency, may have a bearing upon the question of resi-16 dence, that the tenant maintains his or her primary residence at some 17 place other than at such housing accommodation. For the purposes of 18 determining primary residency, a tenant who is a victim of domestic violence, as defined in section four hundred fifty-nine-a of the social 19 services law, who has left the unit because of such violence, and who 20 21 asserts an intent to return to the housing accommodation shall be deemed 22 to be occupying the unit as his or her primary residence.

2. This act shall take effect immediately; provided, however, that the amendments to subdivision 5 of section 1 of chapter 21 of the laws of 1962 made by section one of this act shall remain in full force and effect only so long as the public emergency requiring the regulation and control of residential rents and evictions continues, as provided in subdivision 3 of section 1 of the local emergency housing rent control 29 act.
