5	§ 8860. Short title. This article shall be known and may be cited as
6	the "interstate medical licensure compact".
7	§ 8861. Purpose. In order to strengthen access to health care, and in
8	recognition of the advances in the delivery of health care, the member
9	states of the interstate medical licensure compact have allied in common
10	purpose to develop a comprehensive process that complements the existing
11	licensing and regulatory authority of state medical boards, provides a
12^{11}	streamlined process that allows physicians to become licensed in multi-
13	
	ple states, thereby enhancing the portability of a medical license and
14	ensuring the safety of patients. The compact creates another pathway
15	for licensure and does not otherwise change a state's existing medical
16	practice act. The compact also adopts the prevailing standard for licen-
17	sure and affirms that the practice of medicine occurs where the patient
18	is located at the time of the physician-patient encounter, and there-
19	fore, requires the physician to be under the jurisdiction of the state
20	medical board where the patient is located. State medical boards that
21	participate in the compact retain the jurisdiction to impose an adverse
22	action against a license to practice medicine in that state issued to a
23	physician through the procedures in the compact.

19	state in which a physician holds a license to practice medicine.
20	§ 8870. Disciplinary actions. 1. Any disciplinary action taken by any
21	member board against a physician licensed through the compact shall be
22	deemed unprofessional conduct which may be subject to discipline by
23	other member boards, in addition to any violation of the medical prac-
24	tice act or regulations in that state.
25	2. If a license granted to a physician by the member board in the
26	state of principal license is revoked, surrendered or relinquished in
27	lieu of discipline, or suspended, then all licenses issued to the physi-
28	cian by member boards shall automatically be placed, without further
29	action necessary by any member board, on the same status. If the member
30	board in the state of principal license subsequently reinstates the
31	physician's license, a license issued to the physician by any other
32	member board shall remain encumbered until that respective member board
33	takes action to reinstate the license in a manner consistent with the
34	medical practice act of that state.
35	3. If disciplinary action is taken against a physician by a member
36	board not in the state of principal license, any other member board may
37	deem the action conclusive as to matter of law and fact decided, and:
38	(a) impose the same or lesser sanction or sanctions against the physi-
39	cian so long as such sanctions are consistent with the medical practice
40	<u>act of that state; or</u>
41	(b) pursue separate disciplinary action against the physician under
42	its respective medical practice act, regardless of the action taken in
43	other member states.
44	4. If a license granted to a physician by a member board is revoked,
45	surrendered, or relinquished in lieu of discipline, or suspended, then
46	any license or licenses issued to the physician by any other member
47	board or boards shall be suspended, automatically and immediately with-
48	out further action necessary by the other member board or boards, for
49	ninety days upon entry of the order by the disciplining board, to permit
50	the member board or boards to investigate the basis for the action under
51	the medical practice act of that state. A member board may terminate the
52	automatic suspension of the license it issued prior to the completion of
53	the ninety day suspension period in a manner consistent with the medical
54	practice act of that state.

36	sioner shall not delegate a vote to another commissioner. In the absence
37	of its commissioner, a member state may delegate voting authority for a
38	specified meeting to another person from that state who shall meet the
39	requirements of subdivision four of this section.
40	8. The interstate commission shall provide public notice of all meet-
41	ings and all meetings shall be open to the public. The interstate
42	commission may close a meeting, in full or in portion, where it deter-
43	mines by a two-thirds vote of the commissioners present that an open
44	meeting would be likely to:
45	(a) Relate solely to the internal personnel practices and procedures
46	of the interstate commission;
47	(b) Discuss matters specifically exempted from disclosure by federal
48	statute;
49	(c) Discuss trade secrets, commercial, or financial information that
50	is privileged or confidential;
51	(d) Involve accusing a person of a crime, or formally censuring a
52	person;
53	(e) Discuss information of a personal nature where disclosure would
53 54	constitute a clearly unwarranted invasion of personal privacy;
55	(f) Discuss investigative records compiled for law enforcement
56	purposes; or

1	(g) Specifically relate to the participation in a civil action or
2	other legal proceeding.
3	9. The interstate commission shall keep minutes which shall fully
4	describe all matters discussed in a meeting and shall provide a full and
5	accurate summary of actions taken, including record of any roll call
б	votes.
7	10. The interstate commission shall make its information and official
8	records, to the extent not otherwise designated in the compact or by its
9	rules, available to the public for inspection.
10	11. The interstate commission shall establish an executive committee,
11	which shall include officers, members, and others as determined by the
12	bylaws. The executive committee shall have the power to act on behalf of
13	the interstate commission, with the exception of rulemaking, during
14	periods when the interstate commission is not in session. When acting on
15	behalf of the interstate commission, the executive committee shall over-
16	see the administration of the compact including enforcement and compli-
17	ance with the provisions of the compact, its bylaws and rules, and other
18	such duties as necessary.
19	12. The interstate commission may establish other committees for
20	governance and administration of the compact.
21	§ 8872. Powers and duties of the interstate commission. The interstate
22	commission shall have the duty and power to:
23	<u>1. Oversee and maintain the administration of the compact;</u>
24	2. Promulgate rules which shall be binding to the extent and in the
25	manner provided for in the compact;
26	<u>3. Issue, upon the request of a member state or member board, advisory</u>
27	opinions concerning the meaning or interpretation of the compact, its
28	bylaws, rules, and actions;
29	4. Enforce compliance with compact provisions, the rules promulgated
30	by the interstate commission, and the bylaws, using all necessary and
31	proper means, including but not limited to the use of judicial process;
32	5. Establish and appoint committees including, but not limited to, an
33	executive committee as required by section eighty-eight hundred seven-
34	ty-one of this article, which shall have the power to act on behalf of
35	the interstate commission in carrying out its powers and duties;
36	6. Pay, or provide for the payment of the expenses related to the
37	establishment, organization, and ongoing activities of the interstate
38	commission;
39	7. Establish and maintain one or more offices;
40	8. Borrow, accept, hire, or contract for services of personnel;
41	9. Purchase and maintain insurance and bonds;
42	10. Employ an executive director who shall have such powers to employ,
43	select or appoint employees, agents, or consultants, and to determine
44	their qualifications, define their duties, and fix their compensation;
45	11. Establish personnel policies and programs relating to conflicts of
46	interest, rates of compensation, and qualifications of personnel;
47	12. Accept donations and grants of money, equipment, supplies, materi-
48	als and services, and to receive, utilize, and dispose of it in a manner
49	consistent with the conflict of interest policies established by the
50	interstate commission;
51	13. Lease, purchase, accept contributions or donations of, or other-
52	wise to own, hold, improve, or use, any property, real, personal, or
53	mixed;
54	14. Sell, convey, mortgage, pledge, lease, exchange, abandon, or
55	otherwise dispose of any property, real, personal, or mixed;

56 <u>15. Establish a budget and make expenditures;</u>

1	16. Adopt a seal and bylaws governing the management and operation of
2	the interstate commission;
3	17. Report annually to the legislatures and governors of the member
4	states concerning the activities of the interstate commission during the
5	preceding year. Such reports shall also include reports of financial
6	audits and any recommendations that may have been adopted by the inter-
7	state commission;
8	18. Coordinate education, training, and public awareness regarding the
9	compact, its implementation, and its operation;
10	<u>19. Maintain records in accordance with the bylaws;</u>
11	20. Seek and obtain trademarks, copyrights, and patents; and
12	21. Perform such functions as may be necessary or appropriate to
13	achieve the purposes of the compact.
14	§ 8873. Finance powers. 1. The interstate commission may levy on and
15	collect an annual assessment from each member state to cover the cost of
16	the operations and activities of the interstate commission and its
17	staff. The total assessment must be sufficient to cover the annual budg-
18	et approved each year for which revenue is not provided by other sourc-
19	es. The aggregate annual assessment amount shall be allocated upon a
20	formula to be determined by the interstate commission, which shall
21	promulgate a rule binding upon all member states.
22	2. The interstate commission shall not incur obligations of any kind
23	prior to securing the funds adequate to meet the same.
24	3. The interstate commission shall not pledge the credit of any of the
25	member states, except by, and with the authority of, the member state.
26	4. The interstate commission shall be subject to a yearly financial
27	audit conducted by a certified or licensed public accountant and the
28	report of the audit shall be included in the annual report of the inter-
29	state commission.
30	§ 8874. Organization and operation of the interstate commission. 1.
31	The interstate commission shall, by a majority of commissioners present
32	and voting, adopt bylaws to govern its conduct as may be necessary or
33	appropriate to carry out the purposes of the compact within twelve
34	months of the first interstate commission meeting.
35	2. The interstate commission shall elect or appoint annually from
36	among its commissioners a chairperson, a vice-chairperson, and a treas-
37	urer, each of whom shall have such authority and duties as may be speci-
38	fied in the bylaws. The chairperson, or in the chairperson's absence or
39	disability, the vice-chairperson, shall preside at all meetings of the
40	<u>interstate commission.</u>
41	3. Officers selected pursuant to subdivision two of this section shall
42	serve without remuneration from the interstate commission.
43	4. The officers and employees of the interstate commission shall be
44	immune from suit and liability, either personally or in their official
45	capacity, for a claim for damage to or loss of property or personal
46	injury or other civil liability caused or arising out of, or relating
47	to, an actual or alleged act, error, or omission that occurred, or that
48	such person had a reasonable basis for believing occurred, within the
49	scope of interstate commission employment, duties, or responsibilities;
50	provided that such person shall not be protected from suit or liability
51	for damage, loss, injury, or liability caused by the intentional or
52	willful and wanton misconduct of such person.
53	(a) The liability of the executive director and employees of the
54	interstate commission or representatives of the interstate commission,
55	acting within the scope of such person's employment or duties for acts,
56	errors, or omissions occurring within such person's state, may not

exceed the limits of liability set forth under the constitution and laws 1 of that state for state officials, employees, and agents. The interstate 2 commission is considered to be an instrumentality of the states for the 3 4 purposes of any such action. Nothing in this paragraph shall be construed to protect such person from suit or liability for damage, 5 6 loss, injury, or liability caused by the intentional or willful and 7 wanton misconduct of such person. 8 (b) The interstate commission shall defend the executive director, its 9 employees, and subject to the approval of the attorney general or other 10 appropriate legal counsel of the member state represented by an inter-11 state commission representative, shall defend such interstate commission 12 representative in any civil action seeking to impose liability arising out of an actual or alleged act, error or omission that occurred within 13 the scope of interstate commission employment, duties or responsibil-14 15 ities, or that the defendant had a reasonable basis for believing occurred within the scope of interstate commission employment, duties, 16 17 or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and wanton miscon-18 duct on the part of such person. 19 20 (c) To the extent not covered by the state involved, member state, or 21 the interstate commission, the representatives or employees of the interstate commission shall be held harmless in the amount of a settle-22 ment or judgment, including attorney's fees and costs, obtained against 23 such persons arising out of an actual or alleged act, error, or omission 24 25 that occurred within the scope of interstate commission employment, duties, or responsibilities, or that such persons had a reasonable basis 26 27 for believing occurred within the scope of interstate commission employ-28 ment, duties, or responsibilities, provided that the actual or alleged act, error, or omission did not result from intentional or willful and 29 wanton misconduct on the part of such persons. 30 31 § 8875. Rulemaking functions of the interstate commission. 1. The interstate commission shall promulgate reasonable rules in order to 32 33 effectively and efficiently achieve the purposes of the compact. 34 Notwithstanding the foregoing, in the event the interstate commission 35 exercises its rulemaking authority in a manner that is beyond the scope 36 of the purposes of the compact, or the powers granted hereunder, then 37 such an action by the interstate commission shall be invalid and have no 38 force or effect. 39 2. Rules deemed appropriate for the operations of the interstate commission shall be made pursuant to a rulemaking process that substan-40 tially conforms to the federal Model State Administrative Procedure Act 41 42 of 2010, and subsequent amendments thereto. 43 3. Not later than thirty days after a rule is promulgated, any person 44 may file a petition for judicial review of the rule in the United States District Court for the District of Columbia or the federal district 45 where the interstate commission has its principal offices, provided that 46 47 the filing of such a petition shall not stay or otherwise prevent the 48 rule from becoming effective unless the court finds that the petitioner 49 has a substantial likelihood of success. The court shall give deference 50 to the actions of the interstate commission consistent with applicable law and shall not find the rule to be unlawful if the rule represents a 51 52 reasonable exercise of the authority granted to the interstate commis-53 sion. 54 § 8876. Oversight of interstate compact. 1. The executive, legislative, and judicial branches of state government in each member state 55 shall enforce the compact and shall take all actions necessary and 56

11 te the compact's

1 appropriate to effectuate the compact's purposes and intent. The provisions of the compact and the rules promulgated hereunder shall have 2 3 standing as statutory law but shall not override existing state authori-4 ty to regulate the practice of medicine. 5 2. All courts shall take judicial notice of the compact and the rules 6 in any judicial or administrative proceeding in a member state pertain-7 ing to the subject matter of the compact which may affect the powers, 8 responsibilities or actions of the interstate commission. 9 3. The interstate commission shall be entitled to receive all service 10 of process in any such proceeding, and shall have standing to intervene 11 in the proceeding for all purposes. Failure to provide service of proc-12 ess to the interstate commission shall render a judgment or order void as to the interstate commission, the compact, or promulgated rules. 13 14 § 8877. Enforcement of interstate compact. 1. The interstate commis-15 sion, in the reasonable exercise of its discretion, shall enforce the 16 provisions and rules of the compact. 17 2. The interstate commission may, by majority vote of the commissioners, initiate legal action in the United States District Court for the 18 District of Columbia, or, at the discretion of the interstate commis-19 20 sion, in the federal district where the interstate commission has its 21 principal offices, to enforce compliance with the provisions of the compact, and its promulgated rules and bylaws, against a member state in 22 default. The relief sought may include both injunctive relief and 23 damages. In the event judicial enforcement is necessary, the prevailing 24 party shall be awarded all costs of such litigation including reasonable 25 attorney's fees. 26 27 3. The remedies herein shall not be the exclusive remedies of the 28 interstate commission. The interstate commission may avail itself of any other remedies available under state law or the regulation of a 29 30 profession. 31 § 8878. Default procedures. 1. The grounds for default include, but 32 are not limited to, failure of a member state to perform such obli-33 gations or responsibilities imposed upon it by the compact, or the rules 34 and bylaws of the interstate commission promulgated under the compact. 35 2. If the interstate commission determines that a member state has 36 defaulted in the performance of its obligations or responsibilities 37 under the compact, or the bylaws or promulgated rules, the interstate 38 commission shall: 39 (a) Provide written notice to the defaulting state and other member states, of the nature of the default, the means of curing the default, 40 and any action taken by the interstate commission. The interstate 41 42 commission shall specify the conditions by which the defaulting state 43 must cure its default; and 44 (b) Provide remedial training and specific technical assistance regarding the default. 45 46 3. If the defaulting state fails to cure the default, the defaulting 47 state shall be terminated from the compact upon an affirmative vote of a 48 majority of the commissioners and all rights, privileges, and benefits 49 conferred by the compact shall terminate on the effective date of termination. A cure of the default does not relieve the offending state of 50 obligations or liabilities incurred during the period of the default. 51 52 4. Termination of membership in the compact shall be imposed only after all other means of securing compliance have been exhausted. Notice 53 of intent to terminate shall be given by the interstate commission to 54 the governor, the majority and minority leaders of the defaulting 55 56 state's legislature, and each of the member states.

1	5. The interstate commission shall establish rules and procedures to
2	address licenses and physicians that are materially impacted by the
3	termination of a member state, or the withdrawal of a member state.
4	6. The member state which has been terminated is responsible for all
5	dues, obligations, and liabilities incurred through the effective date
6	of termination including obligations, the performance of which extends
7	beyond the effective date of termination.
8	7. The interstate commission shall not bear any costs relating to any
9	state that has been found to be in default or which has been terminated
10	from the compact, unless otherwise mutually agreed upon in writing
11	between the interstate commission and the defaulting state.
12	8. The defaulting state may appeal the action of the interstate
13	commission by petitioning the United States District Court for the
14	District of Columbia or the federal district where the interstate
15	commission has its principal offices. The prevailing party shall be
16	awarded all costs of such litigation including reasonable attorney's
17	fees.
18	§ 8879. Dispute resolution. 1. The interstate commission shall
19	attempt, upon the request of a member state, to resolve disputes which
20	are subject to the compact and which may arise among member states or
21	member boards.
22	2. The interstate commission shall promulgate rules providing for both
23	mediation and binding dispute resolution as appropriate.
24 25	§ 8880. Member states, effective date and amendment. 1. Any state is
25 26	eligible to become a member state of the compact. 2. The compact shall become effective and binding upon legislative
20 27	
28	enactment of the compact into law by no less than seven states. There- after, it shall become effective and binding on a state upon enactment
20 29	of the compact into law by that state.
30	3. The governors of non-member states, or their designees, shall be
31	invited to participate in the activities of the interstate commission on
32	a non-voting basis prior to adoption of the compact by all states.
33	4. The interstate commission may propose amendments to the compact for
34	enactment by the member states. No amendment shall become effective and
35	binding upon the interstate commission and the member states unless and
36	until it is enacted into law by unanimous consent of the member states.
37	§ 8881. Withdrawal. 1. Once effective, the compact shall continue in

6	other member states to physicians who designated the withdrawing member
7	state as the state of principal license.
8	§ 8882. Dissolution. 1. The compact shall dissolve effective upon the
9	date of the withdrawal or default of the member state which reduces the
10	membership in the compact to one member state.
11	2. Upon the dissolution of the compact, the compact becomes null and
12	void and shall be of no further force or effect, and the business and
13	affairs of the interstate commission shall be concluded and surplus
14	funds shall be distributed in accordance with the bylaws.
15	§ 8883. Severability and construction. 1. The provisions of the
