AN ACT to amend the criminal procedure law, in relation to allowing evidence of a defendant's prior sexual assault to be admissible in a sexual assault proceeding

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The criminal procedure law is amended by adding a new  
2 section 60.77 to read as follows:

3 § 60.77 Rules of evidence; admissibility of defendant committing another  
4 sexual offense in a sexual offense case.

5 1. In a criminal proceeding, evidence of any other crime, wrong, or  
6 act may be admissible for any non-propensity purpose, such as proving  
7 motive, opportunity, intent, preparation, plan, knowledge, state of mind  
8 of the defendant, state of mind of the victim or other party, identity,  
9 absence of mistake, lack of accident, modus operandi, common scheme or  
10 plan, or any other non-propensity purpose.

11 2. In a criminal proceeding in which a defendant is accused of a sexu-  
12 al offense, the court may admit evidence that the defendant committed  
13 any other sexual offense. Such evidence may be considered on any matter  
14 to which it is relevant.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 3. The court, in its discretion, may exclude evidence described in  
2 this section if its probative value is outweighed by the probability  
3 that its admission will create undue prejudice to the defendant.

4 4. For purposes of this section, "sexual offense" shall include an act  
5 committed in any jurisdiction that involves conduct proscribed by any  
6 section of article one hundred thirty of the penal law, or by section  
7 230.34 or 230.34-a of the penal law.

8 § 2. This act shall take effect immediately.
