AN ACT to amend the education law, in relation to supervising the transfilling of medical oxygen

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Section 6808 of the education law is amended by adding a new subdivision 9 to read as follows:

9. Supervision requirements for wholesalers transfilling medical oxygen. Wholesalers registered under this section which transfill medical oxygen shall ensure any person responsible for supervising the transfilling of medical oxygen is:

a. a respiratory therapist certified by a national accrediting body;

b. a person holding a bachelor's degree in chemistry, microbiology, chemical engineering or a related field;

c. a person having two years of education beyond high school and two years experience in the handling of compressed medical gases satisfactory to the state board of pharmacy; or

d. a person having training in accordance with the requirements established in section 211.25 of title 21 of the code of federal regulations.

§ 2. This act shall take effect on the one hundred eightieth day after it shall have become a law. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.
