AN ACT to amend the public health law, in relation to the creation of a research program to determine the risks posed from potential toxins in menstrual products; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as  
2 "the menstrual product safety and research act".

3 § 2. Title 6 of article 2 of the public health law, as added by chap-  
4 ter 342 of the laws of 2014, is amended by adding a new section 269 to  
5 read as follows:

6 § 269. Menstrual product safety and research. 1. For purposes of this  
7 section, the term "menstrual products" means tampons, pads, liners,  
8 cups, sponges, douches, wipes, sprays, and similar products used in  
9 conjunction with respect to menstruation or other genital-tract  
10 secretions.

11 2. The commissioner shall provide for the conduct or support of  
12 research by the department to determine the extent to which the presence  
13 of dioxins, synthetic fibers, chlorine, and other components (including  
14 contaminants and substances used as fragrances, colorants, dyes, and  
15 preservatives) in menstrual products:

16 (a) poses any risks to the health of individuals who use the products,  
17 including risks relating to cervical cancer, endometriosis, infertility,  
18 ovarian cancer, breast cancer, immune system deficiencies, pelvic  
19 inflammatory disease, toxic shock syndrome, and bacterial and yeast  
20 infections; and

EXPLANATION--Matter in italics (underscored) is new; matter in brackets  
[-] is old law to be omitted.

1 (b) poses any risks to the health of biological children born to indi-  
2 viduals who used such products during or before the pregnancies  
3 involved, including risks relating to fetal and childhood development.

4 3. Research under subdivision two of this section shall include  
5 research to confirm the data on menstrual products submitted to the  
6 United States food and drug administration by manufacturers of such  
7 products.

8 4. Such research projects shall be completed within four years of the  
9 effective date of this section.

10 5. Within one year of the completion of such research, any conclu-  
11 sions, recommendations and proposals for implementing such recommenda-  
12 tions shall be transmitted to the governor, the temporary president of  
13 the senate, the speaker of the assembly, the chair of the senate health  
14 committee, and the chair of the assembly health committee, and shall  
15 also be made available to the public.

16 § 3. This act shall take effect on the ninetieth day after it shall  
17 have become a law and shall expire and be deemed repealed five years  
18 after such date.
