AN ACT to amend the judiciary law and the civil practice law and rules, in relation to the purchase of claims by corporations or collection agencies and to certain instruments calling for payment of a monetary obligation by a foreign state

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative intent. The intended purpose of this act is to  
2 restore the champerty defense in sovereign debt lawsuits for claims  
3 greater than \$500,000 with respect to suits brought by litigious holdout  
4 investors. The restoration is not intended to apply to conventional and  
5 generally cooperative investors who may occasionally choose to sue,  
6 where "conventional investors" includes investors that regularly buy and  
7 hold sovereign debt purchased in the primary market and "cooperative  
8 investors" includes distressed debt investors that regularly purchase  
9 debt at a discount in the secondary market and have a record of support-  
10 ing the consensual resolution of sovereign debt distress through serving  
11 as a member of creditor committees or by generally participating in  
12 transactions accepted by other creditors following a negotiation.

13 § 2. Subdivision 2 of section 489 of the judiciary law, as added by  
14 chapter 394 of the laws of 2004, is amended to read as follows:

15 2. Except as set forth in subdivision three of this section, the  
16 provisions of subdivision one of this section shall not apply to any

1 promissory notes, bills of exchange, book debts, or other things in  
2 action, or any claims or demands, if such assignment, purchase or trans-  
3 fer included bonds, promissory notes, bills of exchange and/or book  
4 debts, issued by or enforceable against the same eligible obligor  
5 (whether or not also issued by or enforceable against any other eligible  
6 obligors), having an aggregate purchase price of at least five hundred  
7 thousand dollars, in which event the exemption provided by this subdivi-  
8 sion shall apply as well to all other items, including other things in  
9 action, claims and demands, included in such assignment, purchase or  
10 transfer (but only if such other items are issued by or enforceable  
11 against the same eligible obligor, or relate to or arise in connection  
12 with such bonds, promissory notes, bills of exchange and/or book debts  
13 or the issuance thereof). For the purposes of this subdivision, the  
14 term "eligible obligor" means an obligor other than (i) the government  
15 of any foreign country or of any political subdivision of a foreign  
16 country, or (ii) an issuer of a bond, loan, or debt instrument guaran-  
17 teed by the government of any foreign country or of any political subdivi-  
18 vision of a foreign country.

19 § 3. Section 489 of the judiciary law is amended by adding a new  
20 subdivision 4 to read as follows:

21 4. For purposes of subdivision one of this section, an assignee's  
22 intent and purpose in taking an assignment of a claim against an obligor  
23 that is not an eligible obligor may be inferred from the history of the  
24 assignee's (and its affiliates') behavior in transactions involving the  
25 debts of other obligors including, but not limited to, whether that  
26 history indicates a pattern of either (a) participating in good faith  
27 alongside other creditors in consensual resolutions of such situations  
28 or (b) acquiring claims against such obligors at a significant discount  
29 from face value, refusing to participate in consensual workouts and  
30 instead resorting to legal enforcement of the acquired claims. A court  
31 shall consider such other facts and circumstances related to the acqui-  
32 sition of the claims or the assignee's overall business activities in  
33 the debt of any government or political subdivision of a foreign country  
34 as it may find relevant in assessing the assignee's intent and purpose.

35 § 4. Section 5004 of the civil practice law and rules, as amended by  
36 chapter 831 of the laws of 2021, is amended to read as follows:

38 per centum per annum, except where otherwise provided by statute;  
39 provided the annual rate of interest to be paid in an action arising out

52 ty-four, the annual rate of interest to be paid in an action arising out  
53 of a claim against (i) a government of any foreign country or of any  
54 political subdivision of a foreign country, or (ii) an issuer of a bond,  
55 loan, or debt instrument guaranteed by the government of any foreign  
56 country or of any political subdivision of a foreign country as a

1 defendant shall be equal to the weekly average one-year constant maturi-  
2 ty treasury yield, as published by the Board of Governors of the Federal  
3 Reserve System, for the calendar week proceeding the date of entry of  
4 the judgment awarding damages (28 U.S.C. §1961(a)). For the purpose of  
5 this subdivision, a "claim against a foreign state" means a payment  
6 claim against a foreign state for monies borrowed or for the foreign  
7 state's guarantee of, or other contingent obligation on, monies  
8 borrowed; the term "monies borrowed" shall include the following, wheth-  
9 er or not it represents the borrowing of money: monies owing  
10 under bonds; debentures; notes, or similar instruments of original matu-  
11 rity of at least one year; monies owing for the deferred purchase  
12 price of property or services, other than trade accounts payable arising  
13 in the ordinary course of government operations; monies owing on  
14 capitalized lease obligations; monies owing on or with respect to  
15 letters of credit, bankers' acceptances, or other extensions of credit  
16 of original maturity of at least one year.

17 (c) For the purpose of this section "consumer debt" means any obli-  
18 gation or alleged obligation of any natural person to pay money arising  
19 out of a transaction in which the money, property, insurance or services  
20 which are the subject of the transaction are primarily for personal,  
21 family or household purposes, whether or not such obligation has been  
22 reduced to judgment, including, but not limited to, a consumer credit  
23 transaction, as defined in subdivision (f) of section one hundred five  
24 of this chapter.

25 [~~(e)~~] (d) This section does not affect or create any rights or reme-  
26 dies related to any amounts paid prior to the effective date of this  
27 subdivision, including amounts paid to satisfy judgments or to accrued  
28 interest or fees paid, or with respect to judgments satisfied prior to  
29 the effective date of this subdivision. For amounts paid prior to the  
30 effective date of this subdivision and lawfully applied in satisfaction  
31 or partial satisfaction of interest or fees accrued prior to the effec-  
32 tive date of this subdivision, this section shall not be construed to  
33 require a judgment creditor or sheriff to (i) return or refund such  
34 amounts to judgment debtors; or (ii) apply such payments to satisfy any  
35 part of a money judgment other than fees or interest upon judgment  
36 pursuant to section five thousand three of this article.

37 [~~(d)~~] (e) If any word, phrase, clause, sentence, paragraph, subdivi-  
38 sion, or part of this section or its application to any person or  
39 circumstance is held invalid by any court of competent jurisdiction  
40 after exhaustion of all further judicial review, the invalidity shall  
41 not affect, impair, or invalidate the remainder of this section or  
42 applications of this article which can be given effect without the  
43 invalid provision or application, and to this end the provisions of this  
44 section are severable.

45 § 5. This act shall take effect immediately.
