- 1 § 20. Legislative intent. The legislature finds and declares the 2 following:
 - 1. According to data from the federal centers for disease control and prevention as reported in the year two thousand sixteen, suicide is the second leading cause of death for youth and young adults ten to twenty-four years of age, inclusive, in both the United States and in New York state.
 - 2. As children and teens spend a significant amount of their young lives in school, the personnel who interact with them on a daily basis are essential gatekeepers for recognizing warning signs of suicide and making the appropriate referrals for help.
- 3. In a national survey conducted by the Jason Foundation, a teacher
 was identified as the number one person to whom a student would turn to
 help a friend who might be suicidal. It is imperative that when a young
 person comes to a teacher for help, such teacher has the knowledge,
 tools, and resources to respond correctly.
- 4. In the year two thousand eighteen, the federal centers for disease control and prevention found in its Youth Risk Behavior Survey that lesbian, gay, and bisexual youth are almost four times more likely to seriously consider attempting suicide, have made a suicide plan, or have attempted suicide, than their heterosexual peers.
 - 5. There are national hotlines available to help adults and youth, including lesbian, gay, bisexual, transgender, queer, or questioning (LGBTQ) youth, who are experiencing suicidal ideation or who are worried about a family member or peer who may be at risk, including the National Suicide Prevention Lifeline, the Crisis Text Line, the Trevor Project Lifeline, and TrevorChat.
- 28 <u>6. According to the Family Acceptance Project, research has found</u>
 29 that, for an LGBTQ youth, having at least one supportive adult can
 30 reduce the youth's risk of suicide.
 - 7. New York state schools face the serious issues of students at high risk of suicide and death by suicide in the school communities. School personnel must be supported by clear policies and procedures, which serve as an easily-accessible roadmap, eliminate confusion over educator roles and the referral process, and equip educators with the tools to respond safely when a suicide does occur in the school community.
 - § 21. Definitions. For the purposes of this article, the following terms shall have the following meanings:
 - 1. "Crisis situation" means a situation where a teacher or other local educational agency employee believes a student or other individual is in imminent danger of a suicide attempt.
- 2. "LGBTQ" means individuals who identify, with regards to gender, as being lesbian, gay, bisexual, transgender, queer, or questioning.

 15 <u>supports;</u>
- 16 <u>d. providing the location of available online and community suicide</u> 17 <u>prevention resources, including local crisis centers and hotlines;</u>
- e. adopting policies and protocols regarding suicide prevention, intervention, and postvention, school safety, and response to crisis situations;
- f. training for school personnel who interact directly with students in recognizing suicide risks and warning signs and how to refer students for further assessment and evaluation; and
- g. instruction to students in problem-solving and coping skills to
 promote students' mental, emotional, and social health and well-being,
 and instruction in recognizing and appropriately responding to signs of
 suicidal intent in others.

- 55 <u>e. how school employees should respond to a crisis situation where a</u> 56 <u>student is in imminent danger to himself or herself;</u>

f. policies and protocols for communication with parents, including those that specify what to do if parental notification is not in the best interest of the student;

- g. counseling services available within the school for students and their families that are related to suicide prevention;
- h. availability of information concerning crisis situation intervention, suicide prevention, and mental health services in the community for students and their families and school employees;
