7. (a) The department shall adopt regulations establishing civil penalties of up to ~~[one]~~ two thousand dollars per violation, per day and for repeat violations, under subparagraph two of paragraph (c) of this subdivision for which a prior penalty was assessed, an amount up to five thousand dollars per violation, per day to be assessed against all adult care facilities ~~[except facilities operated by a social services district]~~ for violations of (i) regulations of the department pertaining to the care of residents in such facilities, (ii) paragraph (a) of subdivision three of section four hundred sixty-one-a of this ~~[chapter]~~ article, or (iii) an order issued pursuant to subdivision eight of this section. The regulations shall specify the violations subject to penalty and the amount of the penalty to be assessed in connection with each such violation and shall specify that only civil penalties of up to ~~[one]~~ two thousand dollars ~~[per day]~~ per violation, per day, shall be assessed pursuant to this paragraph against an adult care facility found responsible for an act of retaliation or reprisal against any resident, employee, or other person for having filed a complaint with or having provided information to any long term care ~~[patient]~~ ombudsman functioning in accordance with section ~~[five hundred forty four or five hundred forty five]~~ two hundred eighteen of the ~~[executive]~~ elder law.

(b) ~~[(1)]~~ In addition to any other civil or criminal penalty provided by law, the department shall have the power to assess civil penalties in accordance with its regulations adopted pursuant to paragraph (a) of this subdivision, after a hearing conducted in accordance with the procedures established by regulations of the department. Such procedures shall require that notice of the time and place of the hearing, together with a statement of charges of violations, shall be served in person or by certified mail addressed to the facility at least thirty days prior to the date of the hearing. The statement of charges of violations shall set forth the existence of the violations, the amount of penalty for which it may become liable and the steps which must be taken to rectify the violation and, where applicable, a statement that the department contends that a penalty may be imposed under this paragraph regardless of rectification. The answer shall notify the department of the facility's position with respect to each of the charges and shall include all matters which if not disclosed in the answer would be likely to take the department by surprise. thirty days an acceptable plan for rectification and was rectifying the violations in accordance with the steps and within the additional periods of time as accepted by the department in such plan, no penalty shall be imposed, except as provided in subparagraph two of this paragraph.

(2) Rectification shall not preclude the assessment of a penalty if the department establishes at a hearing that a particular violation, although corrected[~~, endangered or resulted in harm to any resident as the result of~~]:

(A) the total or substantial failure of the facility's fire detection or prevention systems, or emergency evacuation procedures prescribed by department safety standard regulations;

~~[(i)]~~ (B) the retention of any resident who has been evaluated by the resident's physician as being medically or mentally unsuited for care in the facility or as requiring placement in a hospital or residential health care facility and for whom the operator is not making persistent efforts to secure appropriate placement;

~~[(vi)]~~ (F) [unreasonable] threats of retaliation or taking reprisals, including but not limited to [unreasonable] threats of eviction or hospitalization, against any resident, employee or other person who makes a complaint concerning the operation of an adult care facility, participates in the investigation of a complaint or is the subject of an action identified in a complaint[-

~~The department shall specify in its regulations those regulations to which this subparagraph two shall apply.~~

~~(3) In assessing penalties pursuant to this paragraph, the department shall consider promptness of rectification, delay occasioned by the department, and the specific circumstances of the violations as mitigating factors.~~

(d) In assessing penalties pursuant to this paragraph, the department shall consider promptness of rectification, delay occasioned by the department, and the specific circumstances of the violations as mitigating factors.

(e) Upon the request of the department, the attorney general may commence an action in any court of competent jurisdiction against any facility subject to the provisions of this section, and against any person or corporation operating such facility, for the recovery of any penalty assessed by the department in accordance with the provisions of this subdivision.

As promptly as possible thereafter, within a period not to exceed fifteen days, the commissioner shall provide the operator an opportunity to be heard and to present any proof that such condition or activity does not constitute a danger to the health of the residents of such facility. The attorney general, upon request of the department of health, shall be authorized to apply to the supreme court in the county in which the facility is located for an order for any appropriate additional relief.
