AN ACT to amend the tax law, in relation to providing for the advance payment of the earned income tax credit

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Paragraph 1 of subsection (d) of section 606 of the tax law, as amended by section 1 of part Q of chapter 63 of the laws of 2000, is amended and a new paragraph 9 is added to read as follows:

(1) General. A taxpayer shall be allowed a credit as provided herein equal to (i) the applicable percentage of the earned income credit allowed under section thirty-two of the internal revenue code for the same taxable year, (ii) reduced by the credit permitted under subsection (b) of this section. Provided, however, for taxable years beginning in two thousand twenty-five and thereafter, for the purpose of determining the amount of tax credit under this paragraph, in calculating the earned income tax credit allowed under section thirty-two of the internal revenue code, the phaseout amount as referenced in section 32(b)(2)(A) of the internal revenue code shall be read as twenty-four thousand nine hundred sixty dollars instead of eleven thousand six hundred ten dollars and such phaseout amount shall be subject to adjustments made in section thirty-two of the internal revenue code (the calendar year referenced in the cost of living adjustment in section 32(j)(1)(B) of the internal revenue code shall be applied as calendar year two thousand twenty-five with respect to the phaseout amounts), including an additional phaseout

amount for a joint filer and inflation adjustment specified in such section of the internal revenue code for taxable years beginning in two thousand twenty-five and thereafter.

The applicable percentage shall be (i) seven and one-half percent for taxable years beginning in nineteen hundred ninety-four, (ii) ten percent for taxable years beginning in nineteen hundred ninety-five, (iii) twenty percent for taxable years beginning after nineteen hundred ninety-five and before two thousand, (iv) twenty-two and one-half percent for taxable years beginning in two thousand, (v) twenty-five percent for taxable years beginning in two thousand one, (vi) twenty-seven and one-half percent for taxable years beginning in two thousand two, ~~[and]~~ (vii) thirty percent for taxable years beginning in two thousand three, (viii) thirty-five percent for taxable years beginning in two thousand twenty-five, and (ix) forty percent for taxable years beginning in two thousand twenty-six and thereafter. For taxable years beginning in two thousand twenty-five and thereafter, in the case of an eligible individual with no qualifying children, the credit percentage shall be fifteen and three-tenths to determine the amount of the earned income tax credit referenced in section 32(b)(1) of the internal revenue code and the earned income amount and the phaseout amount of such individual shall be determined as if such earned income amount and phaseout amount as referenced in section 32(b)(2)(A) of the internal revenue code are equal to the amount allowed for an eligible individual with one qualifying child as such amounts are referenced in such paragraph. Provided further, for the purpose of this subsection, an eligible individual shall be an individual who has attained nineteen years of age as opposed to twenty-five years of age, irrespective of the eligibility referenced in section 32(c)(1)(A)(ii)(II) of the internal revenue code. Furthermore, an individual otherwise eligible but for the requirement under section 32(m) of the internal revenue code shall be eligible for this credit. Provided, however, that if the reversion event, as defined in this paragraph, occurs, the applicable percentage shall be twenty percent for taxable years ending on or after the date on which the reversion event occurred. The reversion event shall be deemed to have occurred on the date on which federal action, including but not limited to, administrative, statutory or regulatory changes, materially reduces or eliminates New York state's allocation of the federal temporary assistance for needy families block grant, or materially reduces the ability of the state to spend federal temporary assistance for needy families block grant funds for the earned income credit or to apply state general fund spending on the earned income credit toward the temporary assistance for needy families block grant maintenance of effort requirement, and the commissioner of the office of temporary and disability assistance shall certify the date of such event to the commissioner of taxation and finance, the director of the division of the budget, the speaker of the assembly and the temporary president of the senate.

(9) Individuals over age sixty-five. Notwithstanding the provisions of section 32(c)(1)(A)(ii)(III) of the internal revenue code, an individual who is otherwise eligible to receive the earned income credit under this subsection shall not be deemed ineligible due solely to the fact that such individual has attained the age of sixty-five.

§ 2. The tax law is amended by adding a new section 679 to read as follows:

5 any credit, other than the credit allowed by subsection (d) or (d-1) of  
6 section six hundred six of this article, allowable under this article.
