AN ACT to amend the general business law, in relation to establishing restrictions on the sale of over-the-counter diet pills and dietary supplements for weight loss or muscle building

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The general business law is amended by adding a new section
2 391-oo to read as follows:

3 § 391-oo. Sale of over-the-counter diet pills and dietary supplements
4 for weight loss or muscle building. 1. For purposes of this section the
5 following terms shall have the following meanings:

6 (a) "Dietary supplements for weight loss or muscle building" means a
7 class of dietary supplement as defined in section three hundred ninety-
8 one-o of this article that is labeled, marketed, or otherwise repres-
9 ented for the purpose of achieving weight loss or muscle building, but
10 shall not include protein powders, protein drinks and foods marketed as
11 containing protein unless the protein powder, protein drink or food
12 marketed as containing protein contains an ingredient other than protein
13 which would, considered alone, constitute a dietary supplement for
14 weight loss or muscle building.

15 (b) "Over-the-counter diet pills" means a class of drugs labeled,
16 marketed, or otherwise represented for the purpose of achieving weight
17 loss that are lawfully sold, transferred, or furnished over-the-counter
18 with or without a prescription pursuant to the federal food, drug, and
19 cosmetic act, 21 U.S.C. section 301 et seq., or regulations adopted
20 thereunder.

21 (c) "Retail establishment" means any vendor that, in the regular
22 course of business, sells dietary supplements for weight loss or muscle

building or over-the-counter diet pills at retail directly to the public, including, but not limited to, pharmacies, grocery stores, other retail stores, and vendors that accept orders placed by mail, telephone, electronic mail, internet website, online catalog, or software application.

(d) "Delivery sale" means any sale of over-the-counter diet pills or dietary supplements for weight loss or muscle building to a consumer if:

(i) the consumer submits the order for the sale by means of a telephone or other method of voice transmission, mail, or the internet or other online service, or the seller is otherwise not in the physical presence of the buyer when the request for purchase or order is made; or

(ii) the over-the-counter diet pills or dietary supplements for weight loss or muscle building are delivered to the buyer by common carrier, private delivery service, or other method of remote delivery, or the seller is not in the physical presence of the buyer when the buyer obtains possession of the over-the-counter diet pills or dietary supplements for weight loss or muscle building.

(e) "Delivery seller" means a vendor, including online retailers, who makes delivery sales of over-the-counter diet pills or dietary supplements for weight loss or muscle building. Such vendors shall include persons who accept orders placed by mail, telephone, electronic mail, internet website, online catalog, or software application.

2. No person, firm, corporation, partnership, association, limited liability company, or other entity shall sell or offer to sell or give away, as either a retail or wholesale promotion, an over-the-counter diet pill or dietary supplement for weight loss or muscle building within this state to any person under eighteen years of age unless prescribed or ordered by a health care provider legally authorized to prescribe such pills or supplements under title eight of the education law. Retail establishments shall require proof of legal age for purchase of such products. Such identification need not be required of any individual who reasonably appears to be at least twenty-five years of age; provided, however, that such appearance shall not constitute a defense in any proceeding alleging the sale of any over-the-counter diet pills and dietary supplements for weight loss or muscle building to an individual under eighteen years of age. Any retail establishment which violates the provisions of this section shall be subject to a fine of not more than five hundred dollars for each such violation.

3. Notwithstanding subdivision two of this section, a delivery seller, including an online retailer, who mails or ships over-the-counter diet pills or dietary supplements for weight loss or muscle building to consumers:

(a) shall not sell, deliver, or cause to be delivered any over-the-counter diet pills or dietary supplements for weight loss or muscle building to a person under eighteen years of age; and

(b) shall use a method of mailing or shipping:

(i) that requires the purchaser placing the delivery sale order, or an adult who is at least eighteen years of age to sign to accept delivery of the shipping container at the delivery address; and

(ii) that requires the person who signs to accept delivery of the shipping container to provide proof, in the form of a valid, government-issued identification bearing a photograph of the individual, that the person is at least eighteen years of age.

4. Whenever there shall be a violation of this section, an application may be made by the attorney general in the name of the people of the state of New York, to a court or justice having jurisdiction by a

1 special proceeding to issue an injunction, and upon notice to the
2 defendant of not less than five days, to enjoin and restrain the contin-
3 uance of such violation; and if it shall appear to the satisfaction of
4 the court or justice that the defendant has, in fact, violated this
5 section, an injunction may be issued by the court or justice, enjoining
6 and restraining any further violations, without requiring proof that any
7 person has, in fact, been injured or damaged thereby. Whenever a court
8 shall determine that a violation of this section has occurred, the court
9 may impose a civil penalty of not more than five hundred dollars.

10 5. When determining whether an over-the-counter diet pill or dietary
11 supplement is labeled, marketed, or otherwise represented for the
12 purpose of achieving weight loss or muscle building, the court shall
13 consider, but is not limited to, the following factors:

14 (a) whether the product contains:

15 (i) an ingredient approved by the federal Food and Drug Administration
16 for weight loss or muscle building;

17 (ii) a steroid; or

18 (iii) creatine, green tea extract, raspberry ketone, garcinia cambo-
19 gia, green coffee bean extract;

20 (b) whether the product's labeling or marketing bears statements or
21 images that express or imply that the product will help:

22 (i) modify, maintain, or reduce body weight, fat, appetite, overall
23 metabolism, or the process by which nutrients are metabolized; or

24 (ii) maintain or increase muscle or strength;

25 (c) whether the product or its ingredients are otherwise represented
26 for the purpose of achieving weight loss or building muscle; or

27 (d) whether the retailer has categorized the dietary supplement for
28 weight loss or muscle building by:

29 (i) placing signs, categorizing, or tagging the supplement with state-
30 ments described in paragraph (b) of this subdivision;

31 (ii) grouping the supplements with other weight loss or muscle build-
32 ing products in a display, advertisement, webpage, or area of the store;
33 or

34 (iii) otherwise representing that the product is for weight loss or
35 muscle building.

36 § 2. This act shall take effect on the one hundred eightieth day after
37 it shall have become a law.
