refugees. Each temporary housing facility shall submit their plan to provide internet access pursuant to this subdivision to the department for oversight and approval within one year of the effective date of this 4 subdivision. Temporary housing facilities shall implement and comply with such plans within one year of such approval.

- (1) (i) A temporary housing facility shall not use, disclose, sell, retain, or permit access to the personal information pertaining to a person residing in temporary housing obtained in the course of providing internet access except as required to provide such access without regard to content, application, service, or use of a non-harmful device, or to respond to a warrant or subpoena issued by a court of competent jurisdiction.
- (ii) For the purposes of this subdivision, personal information shall mean information that directly or indirectly identifies, relates to, describes, is capable of being associated with, or could reasonably be linked to a particular individual, family, or personal device. Information is reasonably linkable to an individual, family, or personal device if it can be used on its own or in combination with other reasonably available information, regardless of whether such other information is held by the social services district or temporary housing facility, to identify an individual, family, or a personal device.
- (2) Any contract or agreement for internet access provided by an internet service provider to a temporary housing facility shall have the same terms and conditions, other than the requirements of this section, as the regularly priced comparable internet plan offered by such internet service provider.
- (3) Local social services districts, temporary housing facilities, and their employees and subcontractors shall not be required to actively monitor or control the information accessed through the WiFi service and shall not be held responsible for any illegal and/or criminal activities committed, orchestrated, or organized through the provided WiFi access by residents.
- (4) Where credentials, such as a password and username, are necessary to access WiFi, temporary housing facilities must conspicuously display such credentials in all public areas of the facility. Temporary housing facilities need not disclose the credentials to access WiFi that is reserved for staff or emergency service use.
- (5) Where a temporary housing facility is a hotel or motel as defined in section one hundred thirty-one-v of this chapter, and such temporary housing facility provides WiFi access to patrons at no additional cost, such facility shall provide WiFi to all residents, without discrimination at no additional cost.
- Subdivision 10 of section 16-gg of section 1 of chapter 174 of the laws of 1968, as added by section 2 of part MMM of chapter 58 of the laws of 2022, is amended to read as follows:
- 46 10. ConnectAll digital equity grant program. The ConnectAll digital 47 equity grant program is hereby established to support individuals to 48 have the information technology capacity needed for full participation 49 in society and the economy, including the effective implementation of a State Digital Equity Plan or any successor plan and to facilitate, fund, 50 or reimburse, the provision of internet access as provided in subdivi-51 52 sion (k) of section 17 and section 153 of the social services law. 53 Grants issued pursuant to this program shall be awarded in a manner and form as determined by the division consistent with all relevant federal laws, codes, rules, and regulations associated with the federal Digital 55 Equity Act as established under the Infrastructure Investment and Jobs

A. 5649--A

1 Act. The division shall establish such State Digital Equity Plan and the 2 procedures to solicit, receive and evaluate proposals for the program 3 consistent with rules, regulations, or guidelines established by the 4 commissioner.

§ 3. This act shall take effect immediately; provided, however, that the amendments to subdivision (1) of section 17 of the social services law made by section one of this act shall not affect the repeal of such subdivision and shall be deemed repealed therewith. Effective immediately, the addition, amendment and/or repeal of any rule or regulation necessary for the implementation of this act on its effective date are authorized to be made and completed on or before such effective date.
