IN ASSEMBLY

March 23, 2023

Introduced by M. of A. ZEBROWSKI, DeSTEFANO -- read once and referred to the Committee on Governmental Operations

AN ACT in relation to amending state construction and commodity contracts to provide equitable relief to contractors who sustained unanticipated expenses by reason of construction materials price escalation; and providing for the repeal of such provisions upon the expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Declaration of policy and statement of purpose. It being in 2 the vital interest of the general public that public works in the state of New York be administered efficiently and at a reasonable and equitable cost; and, the unforeseen emergency of unanticipated escalation in construction materials prices having imposed substantial inequity upon contractors who have heretofore been awarded contracts after public 7 bidding; and, such inequity having threatened the ability of contractors to fulfill contracts so awarded; and, in order to perpetuate the bene-9 fits derived by the general public from the existing system of public 10 bidding, and to assure the continuance of the orderly performance of 11 contracts heretofore awarded as a result of such public bidding; and, it 12 being in the best interest to provide equitable relief to those contrac-13 tors who, having been awarded public contracts, have sustained damage by 14 reason of such construction materials price escalation, this act is 15 hereby enacted.

§ 2. Whenever the terms and conditions of a construction contract awarded by the state of New York or a public benefit corporation based 18 upon bids submitted prior to December 31, 2021 but only for which mate-19 rials were purchased or invoiced after March 1, 2020, require a contracto furnish materials in such contract pertaining to such 20 tor 21 construction materials may be adjusted upon a determination made by the 22 officer of the department, board, agency or public benefit corporation

that awarded such contract that there has been an increase in the cost of acquisition by the contractor, subcontractor or supplier of materials such materials in excess of five percent, determined as of the time 3 the award. Such a determination shall be based upon the available 4 5 evidence, including but not limited to, an appropriate nationally recognized economic index published by the United States department of labor 7 or other appropriate organization. In the case of any state department or agency any such increase in contract price shall be subject to the 9 approval of the state comptroller. Any contractor, subcontractor or supplier of materials who receives an increase in the cost 10 11 construction materials shall also be subject to a downward adjustment in construction materials prices for subsequent de-escalation which may 12 result in a price being lower than the original bid price. Any contrac-13 14 tor requesting an adjustment shall make application in writing submit-15 ting documentary evidence to the office of the department, board, agency 16 or public benefit corporation that awarded the contract establishing 17 such increase in accordance with the requirements of the department, 18 board, agency or public benefit corporation, which evidence shall be subject to public inspection during regular business hours. Any subse-19 quent decrease or de-escalation shall be made upon a determination by 20 21 the officer of the department, board, agency or public benefit corpo-22 ration that awarded such contract that there has been a subsequent decrease in the cost of acquisition of such construction materials by 23 the contractor, subcontractor or supplier of materials. Such a determi-24 25 nation shall be based upon the available evidence, including but not 26 limited to, an appropriate nationally recognized economic 27 published by the United States department of labor or other appropriate 28 organization. Upon the agreement of the parties, the contract may be 29 amended in writing to reflect the increased or decreased cost of acqui-30 sition of such materials insofar as it exceeds five percent thereof and 31 such contract amendment shall state the amount of adjustment and the 32 basis therefor, but in no event shall direct labor costs, additional 33 profit or overhead be part of such adjustment. To the extent a 34 construction contract is subject to approval by the state comptroller, and as to the form and manner of execution, by the attorney general, 35 every such contract amendment shall be subject to the approval of the 36 37 state comptroller, and as to form and manner of execution, by the attorney general. No adjustment shall be granted in an amount which, together 39 with any other sum obligated under the contract, shall exceed the money appropriated or otherwise lawfully available for the project. 40 41

§ 3. (a) The commissioner of general services in contracting for commodities is authorized, with the approval of the state comptroller, to terminate or suspend for a part of its term any state contract award for the purchase of commodities upon written application for such termination or suspension by the vendor, where extraordinary and unforeseen general market conditions have caused increases in the vendor's costs for construction materials or other physical elements consisting of construction materials to be sold under the contract, where the contract covers materials which were purchased or invoiced after March 1, and the commissioner of general services determines upon evidence furnished by the vendor as required and deemed to be sufficient by the commissioner that as the direct and sole result of such increases during the term of the contract, which exceed five percent of the contractor's aggregate acquisition costs determined as of the time of the award, contractor has incurred or will incur an actual net loss on such 56 contract from the estimated sales made under the contract and the

contractor would continue to incur such net losses unless the contract is suspended or terminated. Such a determination shall be based upon the available evidence, including but not limited to, an appropriate nationally recognized economic index published by the United States department of labor or other appropriate organization.

- (b) The commissioner of general services is further authorized, following the determination made pursuant to the provisions of subdivi-7 8 sion (a) of this section that the contractor has incurred or will incur 9 an actual net loss on such contract from the sales made under the 10 contract, to grant an increase or increases in the prices of the commod-11 ities specified by the contract, in amounts necessary to prevent further 12 net losses to the contractor on such contract from deliveries to be made thereafter under the contract, as compensation for and not exceeding 13 increases of the contractor's acquisition costs during the contract 14 15 term. Any such increase in contract prices shall be subject to the 16 approval of the state comptroller. Any contractor who receives an 17 increase in the price of the commodities shall also be subject to a 18 downward adjustment in the price of the commodities for subsequent de-escalation which may result in a price being lower than the original 19 bid price. Any subsequent decrease or de-escalation shall be made upon a 20 21 determination by the officer of the department, board, agency or public 22 benefit corporation that awarded such contract that there has been a 23 subsequent decrease in the cost of acquisition of such construction 24 materials by the contractor, subcontractor or supplier of materials. 25 Such a determination shall be based upon the available evidence, includ-26 ing but not limited to, an appropriate nationally recognized economic 27 index published by the United States department of labor or other appro-28 priate organization.
- 29 (c) All records, books and documents of the contractor which are 30 related or useful to the determinations made by the commissioner of 31 general services and to the approval of the state comptroller hereunder 32 shall be subject to audit and examination by the state comptroller.
- 33 § 4. This act shall take effect immediately and shall expire and be 34 deemed repealed June 30, 2024.
