Introduced by M. of A. BRONSON -- read once and referred to the Committee on Transportation

AN ACT to amend the highway law, in relation to applications for permits for work within the highway right of way

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The second undesignated paragraph of section 52 of the  
2 highway law, as amended by chapter 297 of the laws of 1972, is amended  
3 to read as follows:

4 The commissioner of transportation shall establish regulations govern-  
5 ing the issuance of highway work permits, including the fees to be  
6 charged therefor, a system of deposits of money or bonds guaranteeing  
7 the performance of the work and requirements of insurance to protect the  
8 interests of the state during performance of the work pursuant to a  
9 highway work permit. With respect to accommodation of fiber optic util-  
10 ities within the state highway right of way, the regulations shall addi-  
11 tionally provide that the department shall issue a written notice of  
12 complete application to an applicant for a highway work permit or use  
13 and occupancy permit within twenty-one days of receipt of the work  
14 permit application. Within such time of submission for an accommodation  
15 of fiber optic utilities, an initial review of the application shall be  
16 conducted and the department shall either make a determination that the  
17 application is complete, or identify any additional information required  
18 to be submitted by the applicant for the application to be considered  
19 complete. With respect to accommodation of fiber optic utilities, the  
20 regulations shall also provide that the department shall: complete the  
21 review of the application and either issue or deny a work permit and/or  
22 use and occupancy permit within forty-five days of issuing the written  
23 notice of complete application; and provide that any application that is  
24 pending for more than forty-five days without a permit being issued  
25 shall be deemed approved. If the work permit and/or use and occupancy

1 permit is denied, the department shall identify and provide specific  
2 reasoning and basis for the denial. With respect to driveway entrance  
3 permits, the regulations shall take into consideration the prospective  
4 character of the development, the traffic which will be generated by the  
5 facility within the reasonably foreseeable future, the design and  
6 frequency of access to the facility, the effect of the facility upon  
7 drainage as related to existing drainage systems, the extent to which  
8 such facility may impair the safety and traffic carrying capacity of the  
9 existing state highway and any proposed improvement thereto within the  
10 reasonably foreseeable future, and any standards governing access, non-  
11 access or limited access which have been established by the department  
12 of transportation.

13 § 2. This act shall take effect ninety days after it shall have become  
14 a law. Effective immediately, the addition, amendment and/or repeal of  
15 any rule or regulation necessary for the implementation of this act on  
16 its effective date are authorized to be made and completed on or before  
17 such effective date.
