Introduced by M. of A. TAPIA, DE LOS SANTOS -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to requiring third trimester syphilis testing

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Subdivision 1 of section 2308 of the public health law is amended to read as follows:

1. Every physician or other authorized practitioner attending pregnant [~~women~~] patients in the state shall in the case of every [~~woman~~] patient so attended take or cause to be taken a sample of blood of such [~~woman~~] patient at the time of first examination, and submit such sample to an approved laboratory for a standard serological test for syphilis. In addition to testing at the time of first examination, every such physician or other authorized practitioner shall order a syphilis test during the third trimester of pregnancy consistent with any guidance and regulations issued by the commissioner.

§ 2. This act shall take effect one year after it shall have become a law. Effective immediately, any rules and regulations or guidance necessary to implement the provisions of this act on its effective date are authorized to be amended, repealed and/or promulgated on or before such date.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [~~-~~] is old law to be omitted.
