Introduced by M. of A. SOLAGES -- read once and referred to the Committee on Corporations, Authorities and Commissions

AN ACT to amend the public service law, in relation to requiring covered entities to publicly report on franchise fees, consumer complaints and denials of requests for service

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The public service law is amended by adding a new section 28 to read as follows:

§ 28. Publication of reports. 1. Within ninety days of the effective date of this section, the department shall direct all covered entities, to report publicly on its website or websites all franchise fees paid to the municipality or municipalities served, all consumer complaints, and any denials of requests for service from residents of such municipalities during the term of the current franchise. Covered entities shall report such information without unreasonably exposing consumers' personally identifiable information in a manner that violates public service law, department practice, or federal law. Such reports shall be updated quarterly.

2. For the purposes of this section, a covered entity shall include any broadband, telephone and cable service company:

(a) with annual gross revenues of at least two hundred fifty thousand dollars; or

(b) which serves any municipality as an overbuilder and provides competitive services to an incumbent cable company, except in municipalities with a population of one million or more. For the purposes of this section, an "overbuilder" shall mean any cable provider that constructs new wireline facilities to end-users in the traditional service territory of a legacy telephone or cable incumbent.

3. Upon a written request for an investigation into the covered entity's compliance with its franchise terms and applicable state and feder-
