

STATE OF NEW YORK

6248

2023-2024 Regular Sessions

IN ASSEMBLY

April 3, 2023

Introduced by M. of A. WEPRIN -- read once and referred to the Committee on Housing

AN ACT to establish a study committee on the housing aspect of tourism in the state of New York; and to amend chapter 225 of the laws of 2010, amending the multiple dwelling law and the administrative code of the city of New York relating to clarifying certain provisions relating to occupancy of class A multiple dwellings, in relation to postponing the effective date thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The legislature finds and declares that tourism, including
2 tourism in the city of New York, is a vital and important part of the
3 economy of the state of New York creating thousands of jobs and produc-
4 ing needed tax revenues both in sales tax receipts, occupancy taxes and
5 income tax revenue. It further finds and declares that an important part
6 of the tourism industry in the city of New York have been rooms and
7 affordable housing accommodations made available in mixed use buildings
8 serving as an alternative to higher end, more expensive hotels which
9 some tourists, such as students, simply cannot afford. Furthermore, the
10 legislature also finds and declares that unless alternative, affordable
11 rooms and affordable housing accommodations remain available, tourism
12 will decline, jobs will be lost and the state during a perilous fiscal
13 condition will lose revenue and jobs. The legislature finds and declares
14 that it is important to avoid any change in the current choice of accom-
15 modations available to visitors of our state until there is a thorough
16 economic impact study undertaken regarding the role of affordable tour-
17 ism units and the negative effect that the elimination of these units
18 could have on the economy of the state of New York and the city of New
19 York.

20 § 2. There is hereby established a study committee on the housing
21 aspect of the tourism industry in the state of New York. Such committee
