Introduced by M. of A. HYNDMAN -- read once and referred to the Committee on Housing

AN ACT to require that the siting, construction and establishment of supportive housing facilities in cities having a population of one million or more be disbursed in the boroughs of such cities in proportion to the population of each such borough

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Notwithstanding any provision of law to the contrary, with-  
2 in cities having a population of one million or more, supportive housing  
3 facilities within each such city shall be sited, constructed and/or  
4 established throughout the boroughs of the city in proportion to each  
5 borough's population to the city's total population. Provided, however,  
6 that the provisions of this section shall not apply to the siting,  
7 construction or establishment of any supportive housing facility for  
8 which the appropriate community board or, if there be no community  
9 board, the appropriate neighborhood board shall have granted an  
10 exemption from such provisions.

11 § 2. Supportive housing facilities sited, constructed and/or estab-  
12 lished in cities having a population of one million or more after the  
13 effective date of this act shall be located in those boroughs of the  
14 city which have the lowest concentration of such facilities in propor-  
15 tion to the borough population to the city's population.

16 § 3. Notwithstanding any other provision of law to the contrary, no  
17 supportive housing facility shall be sited, constructed or established  
18 within a city of one million or more unless the appropriate community  
19 board, or, if there be no community board, the appropriate neighborhood  
20 board shall have approved the siting, construction or establishment of  
21 such facility.

22 § 4. For the purposes of this act, "supportive housing facility" means  
23 multiple residences operated by not-for-profit organizations and funded
