AN ACT to amend the civil service law, in relation to appointments from eligible lists

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 4 of section 23 of the civil service law, as  
2 amended by chapter 403 of the laws of 2011, is amended and a new subdivision  
3 4-c is added to read as follows:

4 4. Use of state and county eligible lists, as the source of new hires,  
5 by municipal commissions. A municipal commission, in the absence of an  
6 eligible list of its own, may request the state civil service department,  
7 county civil service commission or county personnel officer to  
8 furnish it with the names of persons on an appropriate eligible list  
9 established by the department, commission or personnel officer, which,  
10 if so requested by the municipal commission, shall be limited to residents  
11 of the city, or town or civil division in which appointments are  
12 to be made, or to residents of the county or judicial district in which  
13 such city, town or civil division is located, or to any reasonable  
14 combination of political subdivisions both in and outside of New York  
15 state contiguous to the city or civil division in which appointment is  
16 to be made or contiguous to the political subdivision in which such city  
17 or civil division is located, except for the position of director of  
18 facilities I, II, & III of a school district located within the state  
19 which shall use the list developed pursuant to subdivision five of  
20 section seventeen of this ~~chapter~~ title. Such municipal commission may  
21 certify such names for appointment to a position under its jurisdiction  
22 in the same manner as certifications are made from the eligible lists of

2 an eligible list established by such municipal commission for such posi-  
3 tion, or until such list expires or is exhausted or is otherwise termi-

5 4-c. Alternate lists for police departments. Police departments where  
6 a list pursuant to subdivision four of this section does not adequately  
7 represent minority populations and the existing police department's  
8 ethnic, racial or women composition deviates from the community upon  
9 which they serve by twenty-five percent or more, a municipal commission  
10 may use alternate lists, including but not limited to the county list,  
11 for the filling of vacancies by both resident and non-resident minority  
12 group members, as defined by section three hundred ten of the executive  
13 law, and women in order to achieve diversity in the workforce. Alternate  
14 lists created by police departments in surrounding municipalities shall  
15 be provided and police departments shall hire from such alternate lists  
16 until such police department's ethnic, racial or women composition no  
17 longer deviates from the community upon which they serve by twenty-five  
18 percent or more, upon which time the municipal commission shall be  
19 required to use its own eligible list. Police departments shall hire  
20 candidates from alternate lists based on merit and fitness, further the  
21 rule of three shall apply.

22 § 2. This act shall take effect immediately.
