26 § 3. Subdivisions 8 and 12 of section 27-1003 of the environmental

28 1982 and subdivision 12 as added by section 3 of part SS of chapter 59  
29 of the laws of 2009, are amended and five new subdivisions 14, 15, 16,

31 8. "Redeemer" means every person who demands the refund value provided  
32 for herein in exchange for the empty beverage container, regardless of  
33 personal purchase of the beverage container, but shall not include a  
34 dealer as defined in subdivision four of this section.

35 12. "Reverse vending machine" means an automated device that uses a  
36 laser scanner, microprocessor, or other technology to accurately recog-  
37 nize the universal product code (UPC) on containers to determine if the  
38 container is redeemable and accumulates information regarding containers  
39 redeemed, including the number of such containers redeemed, thereby  
40 enabling the reverse vending machine to accept containers from redeemers  
41 and to issue legal tender or a scrip [~~ex~~], receipt, or other form of  
42 credit for their refund value. Such definition shall also apply to  
43 alternative technology approved by the commissioner pursuant to subpara-  
44 graph (iii) of paragraph (b) of subdivision one of section 27-1007 of  
45 this title. Nothing in this definition shall be construed to relieve a  
46 dealer specified in subparagraph (iii) of paragraph (b) of subdivision  
47 one of section 27-1007 of this title of the requirement to provide an  
48 immediate form of deposit repayment if the reverse vending machine or  
49 alternative technology does not provide such.

50 14. "Refillable beverage container" means any beverage container which  
51 is so constructed and designed that it is structurally capable of being  
52 refilled and resold at least fifty times by a beverage manufacturer, and  
53 which the beverage manufacturer requires to be returned for the purpose  
54 of refilling and resale.

55 15. "Return and reusable system" means a refillable beverage container  
56 reuse system that features an operational and financial arrangement in

1 which refillable beverage containers are collected for washing and reus-  
2 ing. The distances between each point of the system shall be no greater  
3 than two hundred miles.

4 16. "Redemption rate" means the percentage of beverage containers sold  
5 that are redeemed for deposit value.

6 17. "Recycling" means to separate, dismantle or process the materials,  
7 components or commodities contained in discards for the purpose of  
8 preparing the materials, components, or commodities for use or reuse in  
9 new products or components. "Recycling" shall not include:

10 (a) energy recovery or energy generation by any means, including but  
11 not limited to, combustion, incineration, pyrolysis, gasification,  
12 solvolysis, or waste-to-fuel;

13 (b) any chemical conversion process; or

14 (c) landfill disposal.

15 18. "Recycling rate" means the percentage of redeemed beverage  
16 containers that are ultimately recycled. The recycling rate shall be  
17 calculated as the total weight of beverage containers that are recycled  
18 in a given year divided by the total weight of beverage containers  
19 generated by a distributor in that year.

20 § 4. Section 27-1007 of the environmental conservation law, as added  
21 by section 4 of part SS of chapter 59 of the laws of 2009, paragraph (b)  
22 of subdivision 1 as amended by chapter 459 of the laws of 2011, and  
23 subdivision 12 as added by section 3 of part F of chapter 58 of the laws  
24 of 2013, is amended to read as follows:

25 § 27-1007. Mandatory acceptance.

26 Except as provided in section 27-1009 of this title:

27 1. (a) A dealer shall accept at [~~his or her~~] such dealer's place of  
28 business from a redeemer any empty beverage containers of the design,  
29 shape, size, color, composition and brand sold or offered for sale by  
30 the dealer, and shall pay to the redeemer the refund value of each such  
31 beverage container as established in section 27-1005 of this title.  
32 Redemptions of refund value must be in legal tender, or a scrip or  
33 receipt from a reverse vending machine, provided that the scrip or  
34 receipt can be exchanged for legal tender for a period of not less than  
35 sixty days without requiring the purchase of other goods. In the event  
36 such scrip or receipt expires, such scrip or receipt must indicate any  
37 expiration date and the dealer must post a conspicuous sign indicating  
38 how many days a redeemer has to exchange the scrip or receipt for legal  
39 tender. If such notification is not provided, a dealer must redeem the  
40 full refund value indicated on any legible scrip or receipt. The use or  
41 presence of a reverse vending machine shall not relieve a dealer of any  
42 obligations imposed pursuant to this section. If a dealer utilizes a  
43 reverse vending machine to redeem containers, the dealer shall provide  
44 redemption of beverage containers when the reverse vending machine is  
45 full, broken, under repair or does not accept a type of beverage  
46 container sold or offered for sale by such dealer and may not limit the  
47 hours or days of redemption except as provided by subdivision three of  
48 this section. All dealers and redemption centers shall provide consum-  
49 ers the ability to recycle any containers deemed unredeemable.

50 (b) Beginning March first, two thousand ten, a dealer whose place of  
51 business is part of a chain engaged in the same general field of busi-  
52 ness which operates ten or more units in this state under common owner-  
53 ship and whose business has at least: (i) forty thousand but less than  
54 sixty thousand square feet devoted to the display of merchandise for  
55 sale to the public shall install and maintain at least two reverse vend-  
56 ing machines at the dealer's place of business; (ii) sixty thousand but

1 less than eighty-five thousand square feet devoted to the display of  
2 merchandise for sale to the public shall install and maintain at least  
3 three reverse vending machines at the dealer's place of business; or  
4 (iii) eighty-five thousand square feet devoted to the display of  
5 merchandise for sale to the public shall install and maintain at least  
6 four reverse vending machines at the dealer's place of business. The  
7 requirements of [~~paragraph (b) of~~] this subdivision to install and main-  
8 tain reverse vending machines shall not apply to a dealer that: (i)  
9 sells only beverage containers of twenty ounces or less where such  
10 beverage containers are packaged in quantities fewer than six; (ii)  
11 sells beverage containers and devotes no more than five percent of its  
12 floor space to the display and sale of consumer commodities, as defined  
13 in section two hundred fourteen-h of the agriculture and markets law; or  
14 (iii) obtains a waiver from the commissioner authorizing dealers to  
15 provide consumers with an alternative technology that: (A) determines if  
16 the container is redeemable, (B) provides protections against fraud  
17 through a system that validates each container redeemed by reading the  
18 universal product code and, except with respect to refillable contain-  
19 ers, renders the container unredeemable, (C) accumulates information  
20 regarding containers redeemed, and (D) issues legal tender, or a scrip,  
21 receipt, or other form of credit for the refund value, that can be  
22 exchanged for legal tender for a period of not less than sixty days  
23 without requiring the purchase of other goods and includes any expira-  
24 tion date on the scrip, receipt, or other form of credit. Notwithstand-  
25 ing the foregoing, if the alternative technology does not allow consum-  
26 ers to immediately obtain the refund value of the redeemed container, a  
27 dealer shall be permitted to deploy such alternative technology only if  
28 it also offers an alternative that allows consumers to conveniently and  
29 immediately obtain such refund value through a reverse vending machine  
30 or other alternative method.

31 (c) A dealer to which paragraph (b) of this subdivision does not apply  
32 and whose place of business is at least forty thousand square feet which  
33 does not utilize reverse vending machines to process empty beverage  
34 containers for redemption shall: (i) establish and maintain a dedicated  
35 area within such business to accept beverage containers for redemption;  
36 (ii) adequately staff such area to facilitate efficient acceptance and  
37 processing of such containers during business hours; and (iii) post one  
38 or more conspicuous signs conforming to the size and color requirements  
39 described in subdivision two of this section at each public entrance to  
40 the business which describes where in the business the redemption area  
41 is located. The commissioner may establish in rules and regulations  
42 additional standards for the efficient processing of beverage containers  
43 by such dealers.

44 (d) For the purposes of this subdivision on any day that a dealer is  
45 open for less than twenty-four hours, the dealer may restrict or refuse  
46 the payment of refund values during the first and last hour the dealer  
47 is open for business.

48 2. A dealer shall post a conspicuous sign, at the point of sale, that  
49 states:

50 "NEW YORK BOTTLE BILL OF RIGHTS

51 STATE LAW REQUIRES US TO REDEEM EMPTY RETURNABLE BEVERAGE CONTAINERS OF  
52 THE SAME TYPE AND BRAND THAT WE SELL OR OFFER FOR SALE

53 YOU HAVE CERTAIN RIGHTS UNDER THE NEW YORK STATE RETURNABLE CONTAINER  
54 ACT:

1 THE RIGHT to return your empties for refund to any dealer who sells  
2 the same brand, type and size, whether you bought the beverage from the  
3 dealer or not. It is illegal to return containers for refund that you  
4 did not pay a deposit on in New York state.

5 THE RIGHT to get your deposit refund in cash, without proof of  
6 purchase.

7 THE RIGHT to return your empties any day, any hour, except for the  
8 first and last hour of the dealer's business day (empty containers may  
9 be redeemed at any time in 24-hour stores).

10 THE RIGHT to return your containers if they are empty and intact.  
11 Washing containers is not required by law, but is strongly recommended  
12 to maintain sanitary conditions.

13 The New York state returnable container act can be enforced by the New  
14 York state department of environmental conservation, the New York state  
15 department of agriculture and markets, the New York state department of  
16 taxation and finance, the New York state attorney general and/or by your  
17 local government."

18 Such sign must be no less than eight inches by ten inches in size and  
19 have lettering a minimum of one quarter inch high, and of a color which  
20 contrasts with the background. The department shall maintain a toll free  
21 telephone number for a "bottle bill complaint line" that shall be avail-  
22 able from 9:00 a.m. to 5:00 p.m. each business day to receive reports of  
23 violations of this title. The telephone number shall be listed on any  
24 sign required by this section.

25 3. On or after June first, two thousand nine, a dealer may limit the  
26 number of empty beverage containers to be accepted for redemption at the  
27 dealer's place of business to no less than seventy-two containers per  
28 visit, per redeemer, per day, provided that:

29 (a) The dealer has a written agreement with a redemption center, be it  
30 either at a fixed physical location within the same county and within  
31 [~~one-half~~] one mile of the dealer's place of business, or a mobile  
32 redemption center, operated by a redemption center, that is located  
33 within one-quarter mile of the dealer's place of business. The redemp-  
34 tion center must have a written agreement with the dealer to accept  
35 containers on behalf of the dealer; and the redemption center's hours of  
36 operation must cover at least [~~9:00 a.m. through 7:00 p.m.~~] eight hours  
37 daily or in the case of a mobile redemption center, the hours of opera-  
38 tion must cover at least four consecutive hours between 8:00 a.m. and  
39 8:00 p.m. daily. The dealer must post a conspicuous, permanent sign,  
40 meeting the size and color specifications set forth in subdivision two  
41 of this section, open to public view, identifying the location and hours  
42 of operation of the affiliated redemption center or mobile redemption  
43 center; and

44 (b) The dealer provides, at a minimum, a consecutive two hour period  
45 between 7:00 a.m. and 7:00 p.m. daily whereby the dealer will accept up  
46 to two hundred forty containers, per redeemer, per day, and posts a  
47 conspicuous, permanent sign, meeting the size and color specifications  
48 set forth in subdivision two of this section, open to public view, iden-  
49 tifying those hours. The dealer may not change the hours of redemption  
50 without first posting a thirty day notice; and

51 (c) The dealer's primary business is the sale of food or beverages for  
52 consumption off-premises, and the dealer's place of business is less  
53 than ten thousand square feet in size.

54 4. A deposit initiator shall accept from a dealer or operator of a  
55 redemption center any empty beverage container of the design, shape,  
56 size, color, composition and brand sold or offered for sale by the

1 deposit initiator, and shall pay the dealer or operator of a redemption  
2 center the refund value of each such beverage container as established  
3 by section 27-1005 of this title. A deposit initiator shall accept and  
4 redeem all such empty beverage containers from a dealer or redemption  
5 center without limitation on quantity.

6 5. A deposit initiator's or distributor's failure to pick up empty  
7 beverage containers, including containers processed in a reverse vending  
8 machine, from a redemption center, dealer or the operator of a reverse  
9 vending machine, in a timely manner and at reasonable times as provided  
10 by the department pursuant to the regulations promulgated pursuant to  
11 paragraph (c) of subdivision eight of this section shall be a violation  
12 of this title.

13 6. In addition to the refund value of a beverage container as estab-  
14 lished by section 27-1005 of this title, a deposit initiator shall pay  
15 to any dealer or operator of a redemption center a handling fee of  
16 [~~three and one-half~~] five cents for each beverage container accepted by  
17 the deposit initiator from such dealer or operator of a redemption  
18 center. Beginning April first, two thousand twenty-six, the handling  
19 fee shall be six cents. Beginning April first, two thousand thirty-one,  
20 the handling fee shall be six and one-half cents. Payment of the handl-  
21 ing fee shall be as compensation for collecting, sorting and packaging  
22 of empty beverage containers for transport back to the deposit initiator  
23 or its designee. Payment of the handling fee may not be conditioned on  
24 the purchase of any goods or services, nor may such payment be made out  
25 of the refund value account established pursuant to section 27-1012 of  
26 this title. A distributor who does not initiate deposits on a type of  
27 beverage container is considered a dealer only for the purpose of  
28 receiving a handling fee from a deposit initiator.

29 7. A deposit initiator on a brand shall accept from a distributor who  
30 does not initiate deposits on that brand any empty beverage containers  
31 of that brand accepted by the distributor from a dealer or operator of a  
32 redemption center and shall reimburse the distributor the refund value  
33 of each such beverage container, as established by section 27-1005 of  
34 this title. In addition, the deposit initiator shall reimburse such  
35 distributor for each such beverage container the handling fee estab-  
36 lished under subdivision six of this section. Without limiting the  
37 rights of the department or any person, firm or corporation under this  
38 subdivision or any other provision of this section, a distributor shall  
39 have a civil right of action to enforce this subdivision, including,  
40 upon three days notice, the right to apply for temporary and preliminary  
41 injunctive relief against continuing violations, and until arrangements  
42 for collection and return of empty containers or reimbursement of such  
43 distributor for such deposits and handling fees are made.

44 8. It shall be the responsibility of the deposit initiator or distrib-  
45 utor to provide to a dealer or redemption center a sufficient number of  
46 bags, cartons, or other suitable containers, at no cost, for the packag-  
47 ing, handling and pickup of empty beverage containers that are not  
48 redeemed through a reverse vending machine. The bags, cartons, or  
49 containers must be provided by the deposit initiator or distributor on a  
50 schedule that allows the dealer or redemption center sufficient time to  
51 sort the empty beverage containers prior to pick up by the deposit  
52 initiator or distributor. In addition:

53 (a) When picking up empty beverage containers, a deposit initiator or  
54 distributor shall not require a dealer or redemption center to load  
55 their own bags, cartons or containers onto or into the deposit initi-  
56 ator's or distributor's vehicle or vehicles or provide the staff or

1 equipment needed to do so. However, where pallets or skids, bags,  
2 cartons or containers are readily movable only by means of a forklift or  
3 similar equipment, a deposit initiator or distributor may require a  
4 dealer or redemption center to move or load such items at no cost using  
5 a forklift or similar equipment belonging to the dealer or redemption  
6 center provided that such equipment and appropriate staff are readily  
7 available.

8 (b) A deposit initiator or distributor shall not require empty  
9 containers to be counted at a location other than the redemption center  
10 or dealer's place of business. The dealer or redemption center shall  
11 have the right to be present at the count. In the event of a discrepancy  
12 between the count of the dealer or redemption center and the count of  
13 the deposit initiator or distributor for containers not processed  
14 through a reverse vending machine all such empty containers shall be  
15 retained and a re-count may be requested. The re-count may be held at a  
16 location other than the redemption center or dealer's place of business  
17 only if the dealer or redemption center agrees and is present.

18 (c) A deposit initiator or distributor shall pick up empty beverage  
19 containers from the dealer or redemption center in a timely manner and  
20 at reasonable times [~~and intervals~~] as determined in rules or regu-  
21 lations promulgated by the department no later than April first, two  
22 thousand twenty-six.

23 9. No person shall return or assist another to return to a dealer or  
24 redemption center an empty beverage container for its refund value if  
25 such container had previously been accepted for redemption by a dealer,  
26 redemption center, or deposit initiator who initiates deposits on bever-  
27 age containers of the same brand.

28 10. A redeemer, dealer, distributor or redemption center shall not  
29 knowingly redeem an empty beverage container on which a deposit was  
30 never paid in New York state.

31 11. Notwithstanding the provisions of subdivision two of section  
32 27-1009 of this title, a deposit initiator or distributor shall accept  
33 and redeem beverage containers as provided in this title, if the dealer  
34 or operator of a redemption center shall have accepted and paid the  
35 refund value of such beverage containers.

36 12. No person shall intentionally program, tamper with, render inaccu-  
37 rate, or circumvent the proper operation of a reverse vending machine to  
38 wrongfully elicit deposit monies when no valid, redeemable beverage  
39 container has been placed in and properly processed by the reverse vend-  
40 ing machine.

41 13. The department and the department of taxation and finance are  
42 authorized to audit any reverse vending machine.

43 14. Notwithstanding any provision of this section to the contrary, a  
44 dealer shall not be required to accept from a redeemer any empty bever-  
45 age container at a farmers' market as such term is defined by the  
46 department of agriculture and markets.

47 § 5. Subdivision 1 of section 27-1011 of the environmental conserva-  
48 tion law is amended by adding a new paragraph c to read as follows:

49 c. Each beverage container sold or offered for sale in this state that  
50 has a refund value pursuant to paragraph a of this subdivision, shall  
51 include a universal product code and barcode printed on the label that  
52 is readable by reverse vending machine or alternative technology. Each  
53 deposit initiator shall provide such universal product code and barcode  
54 and ownership and packaging information of any such beverage container,  
55 to the department not less than forty-five days prior to such product  
56 being offered for sale in the state. The department shall, not more than

1 thirty days after receipt of such information, make this information  
2 readily available to any redemption center, reverse vending machine  
3 system operator, deposit initiator-authorized contracted agents, or any  
4 other appropriate stakeholder approved by the department.

5 § 6. Paragraph (b) of subdivision 3 of section 27-1011 of the environ-  
6 mental conservation law, as added by section 1 of part PP of chapter 58  
7 of the laws of 2018, is amended and a new subdivision 4 is added to read  
8 as follows:

9 (b) comply with [~~minimum post-consumer recycled material content and~~]  
10 hole diameter limitations as defined in rules and regulations promulgat-  
11 ed by the department no later than April first, two thousand  
12 twenty-five, and is recyclable and indicates a resin identification  
13 code.

14 4. Each distributor is required to meet the following performance  
15 requirements: (a) Beginning April first, two thousand thirty, at least  
16 twenty-five percent of all beverage containers sold by each distributor  
17 in the state shall be refillable containers that are part of a return  
18 and reusable system. Each distributor shall work with dealers, reverse  
19 vending machine owners, and redemption centers to ensure that refilla-  
20 ble beverage containers sold by the distributor achieve at least an  
21 eighty percent return rate.

22 (b) (i) Beginning April first, two thousand twenty-five, all distribu-  
23 tors of non-refillable beverage containers shall report the recycling  
24 rate, by material type, of redeemed containers to the department.

25 (ii) Beginning April first, two thousand twenty-six, at least seventy  
26 percent of the redeemed beverage container material shall be recycled.

27 (iii) Beginning April first, two thousand twenty-eight, at least  
28 eighty percent of the redeemed beverage container material shall be  
29 recycled.

30 (iv) Beginning April first, two thousand thirty, at least ninety  
31 percent of the redeemed beverage container material, including beverage  
32 container caps, lids, and other rigid sealers, shall be recycled.

33 § 7. Subdivision 5 of section 27-1012 of the environmental  
34 conservation law, as amended by section 2 of part JJ of chapter 58 of  
35 the laws of 2017, is amended to read as follows:

36 5. All moneys collected or received by the department of taxation and  
37 finance pursuant to this title shall be deposited to the credit of the  
38 comptroller with such responsible banks, banking houses or trust compa-  
39 nies as may be designated by the comptroller. Such deposits shall be  
40 kept separate and apart from all other moneys in the possession of the  
41 comptroller. The comptroller shall require adequate security from all  
42 such depositories. Of the total revenue collected, the comptroller shall  
43 retain the amount determined by the commissioner of taxation and finance
