IN ASSEMBLY

April 12, 2023

Introduced by M. of A. SOLAGES -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to out-of-network treatment disclosure for certain surgical procedures

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 5 of section 230-d of the public health law, as
2 added by chapter 365 of the laws of 2007, is amended to read as follows:

3 5. Every licensee performing inpatient and/or outpatient surgical care
4 and that requires pre-approval of surgical procedures by the patient's
5 insurance provider shall provide notice to the patient if all or a
6 portion of treatment approved is authorized to be rendered by a provider
7 that is not an in-network provider. Such notification shall be provided
8 to the patient by telephone call, email or text message at the time of
9 approval by the licensee and shall be confirmed by mail not more than
10 twenty-four hours after approval of the surgical procedure. If the
11 licensee fails to provide such notice to the patient at least forty-
12 eight hours prior to the procedure, the licensee shall cover the cost of
13 the procedure as though the services were rendered by an in-network
14 provider. The provisions of this subdivision shall not apply to any
15 surgical procedure performed within twenty-four hours after the insured
16 sustains the injury necessitating the surgical procedure.

17 6. the commissioner shall make, adopt, promulgate and enforce such
18 rules and regulations, as he or she may deem appropriate, to effectuate
19 the purposes of this section. Where any rule or regulation under this
20 section would affect the scope of practice of a health care practitioner
21 licensed, registered or certified under title eight of the education law
22 other than those licensed under articles one hundred thirty-one or one
23 hundred thirty-one-B of the education law, the rule or regulation shall
24 be made with the concurrence of the commissioner of education.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 § 2. The public health law is amended by adding a new section 2807-g
2 to read as follows:

3 § 2807-g. Notice of out-of-network treatment. Every hospital or other
4 licensed entity providing inpatient and/or outpatient surgical care that
5 requires pre-approval of surgical procedures by the patient's insurance
6 provider shall provide notice to the patient if all or a portion of
7 treatment approved is authorized to be rendered by a provider that is
8 not an in-network provider. Such notification shall be provided to the
9 patient by telephone call, email or text message at the time of approval
10 by such hospital or other licensed entity and shall be confirmed by mail
11 not more than twenty-four hours after approval of the surgical proce-
12 dure. If such hospital or other licensed entity fails to provide such
13 notice to the patient at least forty-eight hours prior to the procedure,
14 such hospital or other licensed entity shall cover the cost of the
15 procedure as though the services were rendered by an in-network provid-
16 er. The provisions of this subdivision shall not apply to any surgical
17 procedure performed within twenty-four hours after the insured sustains
18 the injury necessitating the surgical procedure.

19 § 3. This act shall take effect on the ninetieth day after it shall
20 have become a law.
