493. Local sector partnership duties and responsibilities.

494. Local sector partnership formation grant.

495. Local sector partnership enhancement grant.

496. Community college sector partnership exploration grant.

12 § 490. Short title. This article shall be known and may be cited as
13 the "sector partnership enhancement and reinforcement program act".

14 § 491. Definitions. For the purposes of this article:

15 1. "Community college" means a college established and operated pursu-
16 ant to the provisions of article one hundred twenty-six of the education
17 law which provides two-year postsecondary programs in general and
18 receives financial assistance from the state.

19 2. "Local sector partnership" means a workforce collaborative, within
20 an economic development region as established by the department pursuant
21 to article eleven of this chapter, focused on achieving the goal of
22 meeting shared human resources needs and consisting of multiple employ-
23 ers within an industry sector, in combination with representatives of
24 one or more of the following:

- (a) a labor organization, where appropriate;
- (b) a local workforce development board;
- (c) a postsecondary education institution;
- (d) a community college;
- (e) an adult basic education provider;
- (f) a school district;
- (g) the state or a local government;
- (h) a chamber of commerce or other economic development organization;
- (i) a community based organization or other not-for-profit organization; or
- (j) any other entity as determined eligible by the department.

§ 492. Sector partnership enhancement and reinforcement program. The department, in consultation with the department of labor, the state education department, the New York state higher education services corporation, the New York state workforce investment board, and representatives of local workforce development boards, shall establish a sector partnership enhancement and reinforcement program, the purpose of which shall be to:

1. upon request, assist in the identification of target industry clusters and employers for creation of new local sector partnerships throughout the state;

2. support and encourage contact and cooperation between local sector partnerships already in existence and those looking to create a new local sector partnership;

3. serve as a coordinator or convener pursuant to subdivision one of section four hundred ninety-three of this article on behalf of employers within an industry sector and the appropriate state and local agencies or not-for-profit organizations to facilitate the creation and support of local sector partnerships;

4. provide technical assistance, including counseling and direction from department staff in forming and sustaining a local sector partnership, professional development opportunities for members of a local sector partnership, customized labor market and economic data upon request, and similar assistance as to be determined by the department to local sector partnerships; and

5. provide and administer grants pursuant to sections four hundred ninety-four, four hundred ninety-five and four hundred ninety-six of this article to new and existing local sector partnerships.

§ 493. Local sector partnership duties and responsibilities. A local sector partnership shall:

1. designate one of the member entities or a representative from the department as the convener of the local partnership. The convener shall assume responsibility for recruiting membership to a local sector partnership, organizing meetings, fulfilling required reporting requirements pursuant to subdivision two of this section, and for designating a fiscal agent to oversee grant funds received pursuant to sections four hundred ninety-four, four hundred ninety-five and four hundred ninety-six of this article. The convener may perform additional duties as determined by the local sector partnership;

2. report performance information as determined by the department, including an annual financial statement prepared according to generally accepted accounting principles, to the department by December first of each year;

3. develop a comprehensive plan for addressing any identified skills gap in the sector in order to be eligible for a grant pursuant to

1 section four hundred ninety-four, section four hundred ninety-five, or
2 section four hundred ninety-six of this article; and

3 4. perform additional duties and responsibilities as determined by the
4 department.

5 § 494. Local sector partnership formation grant. 1. The department
6 shall award grants to emerging local sector partnerships, or local
7 sector partnerships created within the last five years of the effective
8 date of this article, to fund planning activities including, but not
9 limited to, building and promoting membership in a local sector partner-
10 ship, initial costs related to research identifying sector skill gaps
11 and factors contributing to such gaps, and developing a plan to close
12 any existing skills gap as identified by the local sector partnership.

13 2. Local sector partnership formation grants shall not be less than
14 fifty thousand dollars and shall not exceed one hundred thousand
15 dollars.

16 3. The first fifty percent of the total grant amount shall be made
17 available immediately upon notification of such grant award. The remain-
18 ing fifty percent of the grant shall be available to a local sector
19 partnership as a two-to-one match for funds raised.

20 4. For the purposes of this grant, matching funds include, but are not
21 limited to: cash funds raised; equipment costs, including computers,
22 training equipment, software, subscriptions, and other items directly
23 related to partnership operations; and facility costs, including acqui-
24 sition, rent, utilities, and other costs incurred directly related to
25 partnership operations.

26 5. For the purposes of this grant, matching funds shall not include:
27 salaries and fringe benefits provided in-kind by the lead applicant,
28 fiscal agent, or partnership member organizations; salaries and fringe
29 benefits paid by the lead applicant, fiscal agent, or partnership member
30 organizations to training or educational program participants; and fund-
31 ing granted through other programs administered by the department.

32 § 495. Local sector partnership enhancement grant. 1. The department
33 shall award grants to local sector partnerships which have already
34 completed planning activities as identified by the department for imple-
35 mentation activities including, but not limited to: skills training;
36 establishing a secondary to postsecondary education workforce pipeline;
37 establishing career pathways for adults; creating industry-based certif-
38 ication programs; developing curriculum; promoting participation in any
39 workforce training or education program; and other activities that
40 prepare or assist in providing workers for the industry sector.

41 2. Local sector partnership enhancement grants shall not be less than
42 fifty thousand dollars and shall not exceed two hundred fifty thousand
43 dollars.

44 3. Grants pursuant to this section shall be available to a local
45 sector partnership as a two-to-one match for funds raised by the local
46 sector partnership.

47 4. For the purposes of this grant, matching funds include, but are not
48 limited to: cash funds raised; equipment costs, including computers,
49 training equipment, software, subscriptions, and other items directly
50 related to partnership operations; and facility costs, including acqui-
51 sition, rent, utilities, and other costs incurred directly related to
52 partnership operations.

53 5. For the purposes of this grant, matching funds shall not include:
54 salaries and fringe benefits provided in-kind by the lead applicant,
55 fiscal agent, or partnership member organizations; salaries and fringe
56 benefits paid by the lead applicant, fiscal agent, or partnership member

1 organizations to training or educational program participants; and fund-
2 ing granted through other programs administered by the department.

3 § 496. Community college sector partnership exploration grant. 1. The
4 department shall award grants to community colleges seeking to establish
5 local sector partnerships for recruitment activities including, but not
6 limited to: developing a plan for creating and convening a local sector
7 partnership with employers in targeted industry clusters; related
8 marketing costs for advertising the potential creation of sector part-
9 nerships; financial incentives for recruiting employers in targeted
10 industry clusters to join a new local sector partnership; and other
11 activities that assist in the creation of a new local sector partner-
12 ship.

13 2. Community college sector partnership exploration grants shall not
14 be less than fifty thousand dollars and shall not exceed five hundred
15 thousand dollars.

16 3. Grants pursuant to this section shall be made available immediately
17 upon notification of such grant award.

18 § 2. The sum of up to fifteen million dollars (\$15,000,000), is hereby
19 appropriated to the department of economic development for the purpose
20 of carrying out the provisions of this act to be funded by grants under
21 the workforce investment act, federal Public Law 105-220, and the work-
22 force innovation and opportunity act, federal Public Law 113-128. Such
23 moneys shall be payable on the audit and warrant of the comptroller on
24 vouchers certified or approved by the commissioner of the department of
25 economic development in the manner prescribed by law.

26 § 3. This act shall take effect immediately.
