1	4. Such program shall include but not be limited to:
2	(a) authorizing emergency medical services personnel to provide
3	services within their scope of practice beyond settings currently
4	authorized.
5	(b) authorizing emergency medical service personnel to provide commu-
6	nity paramedicine, use alternative destinations, telemedicine to facili-
7	tate treatment of persons in place, and such other services as may be
8	approved by the commissioner.
9	(c) authorizing emergency medical services personnel providing commu-
10	nity paramedicine services, with prior approval of the department, to
11	administer vaccinations against influenza and COVID-19 pursuant to non-
12	patient specific orders and under the medical direction of a licensed
13	physician.
14	(d) nothing in this section shall be deemed to allow a person to
15	provide any service for which a license, registration, certification or
16	other authorization under title eight of the education law is required
17	and which the person does not possess, provided that any service being
18	excluded pursuant to this paragraph shall not include a service that is
19	within the scope of practice for the respective emergency medical
20	services personnel.
21	5. Upon the effective date of this section, the department shall
22	convene a stakeholder advisory panel including patient representatives,
23	health care facilities operating or utilizing community paramedicine
24	programs, emergency medical services providers and labor organizations
25	representing emergency medical services personnel, and labor organiza-
26	tions representing nursing and other healthcare professional titles
27	affected by the demonstration program flexibilities to advise the
28	department to make recommendations on regulations and guidance that
29	will:
30	(a) evaluate patient safety and standards of care for community param-
31	edicine programs participating in the demonstration program;
32	(b) establish criteria setting forth permitted tasks that can be
33	performed by each category of emergency medical services personnel;
34	(c) establish minimum training and competencies required for emergency
35	medical services personnel to provide patient care services; and
36	(d) work with the department to issue such regulations and guidelines
37	within ninety days following the assembly of the advisory panel.
38	<u>6. The department shall submit a report on the demonstration program</u>
39	on an annual basis to the speaker of the assembly, the temporary presi-
40	dent of the senate, the chairs of the assembly and senate health commit-
41	tees, and the governor.
42	§ 2. This act shall take effect immediately and shall expire and be
43	deemed repealed 2 years after such date; provided, however, that if this
44	act shall have become a law on or after May 22, 2023 this act shall take
45	effect immediately and shall be deemed to have been in full force and
46	effect on and after May 22, 2023.
