AN ACT to authorize the county of Steuben to offer an optional twenty-five year retirement plan to Erica M. McCoy, a deputy sheriff employed by such county

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. Notwithstanding any other provision of law to the contrary, the county of Steuben, a participating employer in the New York state employees' retirement system, which has elected to offer the optional twenty-five year retirement plan, established pursuant to article 14-B of the retirement and social security law, to deputy sheriffs employed by such county, is hereby authorized to make participation in such plan available to Erica M. McCoy, a deputy sheriff employed by the county of Steuben with a start date of September 6, 2016, who, for reasons not ascribable to her own negligence, failed to make a timely application to participate in such optional twenty-five year plan contained in article 14-B of the retirement and social security law. The county of Steuben may so elect by filing with the state comptroller, on or before 180 days after this act shall have become a law, a resolution of its governing body together with certification that such deputy sheriff did not bar themself from participation in the retirement plan as a result of their own negligence. Thereafter, such deputy sheriff may individually elect to be covered by the provisions of section 551 of the retirement and social security law, and shall be entitled to the full rights and benefits associated with coverage under such section, by filing a request with the state within one year of the effective date of this act.

§ 2. All employer past service costs associated with implementing the provisions of this act shall be borne by the county of Steuben and may be amortized over a five-year period.

§ 3. This act shall take effect immediately.

FISCAL NOTE.--Pursuant to Legislative Law, Section 50:

This bill would allow the County of Steuben to elect to reopen the provisions of Section 551 of Article 14-B of the Retirement and Social Security Law for deputy sheriff Erica M. McCoy.

If this bill is enacted during the 2024 Legislative Session, we anticipate that there will be an increase of approximately $4,700 in the annual contributions of the County of Steuben for the fiscal year ending March 31, 2025. In future years this cost will vary as the billing rates and salary of Erica M. McCoy change.

In addition to the annual contributions discussed above, there will be an immediate past service cost of approximately $28,600 which will be borne by the County of Steuben as a one-time payment. This estimate assumes that payment will be made on February 1, 2025. If the County of Steuben elects to amortize this cost over a five-year period, the cost for each year including interest would be $6,390.
