Introduced by M. of A. SIMON -- read once and referred to the Committee on Health

AN ACT directing the department of health to conduct a study on the number of accidents involving non-electric bikes, electric bikes and electric scooters resulting in an individual receiving emergency medical services at a hospital

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The department of health, in consultation with hospitals in the state, shall conduct a study on the number of accidents involving non-electric bikes, electric bikes and electric scooters which resulted in an individual receiving emergency medical services at a hospital.

§ 2. Such study shall include, but not be limited to, the number of individuals at each hospital within the prior year who have received emergency health services as a result of an accident involving a non-electric bike, electric bike or electric scooter.

§ 3. Upon completion of such study, but no later than one year from the effective date of this act, the department of health shall issue a report based on the findings of such study to the temporary president of the senate, the speaker of the assembly, and the governor.

§ 4. This act shall take effect immediately.
