34 endorse upon each deed or instrument effecting a conveyance a receipt
35 for the amount of the tax so paid.

36 2. A return shall be required to be filed with such treasurer or
37 recording officer for purposes of the real estate transfer tax imposed
38 pursuant to this article at the same time as a return is required to be

40 thirty-one of this chapter. The treasurer shall prescribe the form of
41 return, the information which it shall contain, and the documentation
42 that shall accompany the return. Said form shall be identical to the
43 real estate transfer tax return required to be filed pursuant to section
44 fourteen hundred nine of this chapter, except that the treasurer shall
45 adapt said form to reflect the provisions in this chapter that are
46 inconsistent, different, or in addition to the provisions of article
47 thirty-one of this chapter. The real estate transfer tax returns
48 required to be filed pursuant to this section shall be preserved for

56 paid by the grantee. If the grantee has failed to pay the tax imposed

1 pursuant to this article or if the grantee is exempt from such tax, the
2 grantor shall have the duty to pay the tax. Where the grantor has the
3 duty to pay the tax because the grantee has failed to pay the tax, such
4 tax shall be the joint and several liability of the grantee and the
5 grantor.

6 2. For the purpose of the proper administration of this article and to
7 prevent evasion of the tax hereby imposed, it shall be presumed that all
8 conveyances are taxable. Where the consideration includes property other
9 than money, it shall be presumed that the consideration is the fair
10 market value of the real property or interest therein. These presump-
11 tions shall prevail until the contrary is proven, and the burden of
12 proving the contrary shall be on the person liable for payment of the
13 tax.

14 § 1579. Exemptions. 1. The following shall be exempt from the payment
15 of the real estate transfer tax: (a) the state of New York, or any of

18 agreement or compact with another state or Dominion of Canada); and

19 (b) the United Nations, the United States of America or any of its
20 agencies or instrumentalities.

36 dwellings; (g) conveyances which consist of a deed of partition; (h)
37 conveyances given pursuant to the federal bankruptcy act; (i) conveyanc-
38 es of real property which consist of the execution of a contract to sell

50 five-AA of the agriculture and markets law, (6) real property subject to
51 any locally adopted land preservation agreement, provided said exemption
52 is included in the local law imposing the tax authorized by this arti-
53 cle; (k) conveyances of real property, where the property is viable
54 agricultural land as defined in subdivision seven of section three
55 hundred one of the agriculture and markets law and the entire property
56 to be conveyed is to be made subject to one of the development

1 restrictions provided for in subparagraph two of paragraph (j) of this
2 subdivision provided that said development restriction precludes the
3 conversion of the property to a non-agricultural use for at least three
4 years from the date of transfer, and said development restriction is
5 evidenced by an easement, agreement, or other suitable instrument which
6 is to be conveyed to the city or town simultaneously with the conveyance
7 of the real property; or (l) conveyances of real property for open
8 space, parks, community housing, or historic preservation purposes to
9 any not-for-profit tax exempt corporation operated for conservation,
10 environmental, community housing or historic preservation purposes.

11 3. The governing body of a city or town, by local law may establish a
12 community housing exemption. Such exemption may not exceed an amount
13 equal to the residential median sale price of the county in which the
14 city or town is located, as determined by the office of real property
15 services within the department of taxation and finance. Such exemption
16 shall be allowed on the consideration of the conveyance of improved real
17 property or an interest therein. The exemption granted pursuant to the
18 provisions of this subdivision shall only apply to conveyances for resi-
19 dential property where the consideration is two million dollars or less.

20 § 1580. Credit. A grantee shall be allowed a credit against the tax
21 due on a conveyance of real property to the extent tax was paid by such
22 grantee on a prior creation of a leasehold of all or a portion of the
23 same real property or on the granting of an option or contract to
24 purchase all or a portion of the same real property by such grantee.
25 Such credit shall be computed by multiplying the tax paid on the
26 creation of the leasehold or on the granting of the option or contract
27 by a fraction, the numerator of which is the value of the consideration
28 used to compute such tax paid which is not yet due to such grantor on
29 the date of the subsequent conveyance (and which such grantor will not
30 be entitled to receive after such date), and the denominator of which is
31 the total value of the consideration used to compute such tax paid.

32 § 1581. Cooperative housing corporation transfers. 1. Notwithstanding
33 the definition of "controlling interest" contained in subdivision two of
34 section fifteen hundred seventy-five of this article or anything to the
35 contrary contained in subdivision five of section fifteen hundred seven-
36 ty-five of this article, the tax imposed pursuant to this article shall
37 apply to (a) the original conveyance of shares of stock in a cooperative
38 housing corporation in connection with the grant or transfer of a
39 proprietary leasehold by the cooperative corporation or cooperative plan
40 sponsor, and (b) the subsequent conveyance of such stock in a cooper-
41 ative housing corporation in connection with the grant or transfer of a
42 proprietary leasehold by the owner thereof. With respect to any such
43 subsequent conveyance where the property is an individual residential
44 unit, the consideration for the interest conveyed shall exclude the
45 value of any liens on certificates of stock or other evidences of an
46 ownership interest in and a proprietary lease from a corporation or
47 partnership formed for the purpose of cooperative ownership of residen-
48 tial interest in real estate remaining thereon at the time of convey-
49 ance. In determining the tax on a conveyance described in paragraph (a)
50 of this subdivision, a credit shall be allowed for a proportionate part
51 of the amount of any tax paid upon the conveyance to the cooperative
52 housing corporation of the real property comprising the cooperative
53 dwelling or dwellings to the extent that such conveyance effectuated a
54 mere change of identity or form of ownership of such property and not a
55 change in the beneficial ownership of such property. The amount of the
56 credit shall be determined by multiplying the amount of tax paid upon

1 the conveyance to the cooperative housing corporation by a percentage
2 representing the extent to which such conveyance effectuated a mere
3 change of identity or form of ownership and not a change in the benefi-
4 cial ownership of such property, and then multiplying the resulting
5 product by a fraction, the numerator of which shall be the number of
6 shares of stock conveyed in a transaction described in paragraph (a) of
7 this subdivision, and the denominator of which shall be the total number
8 of shares of stock of the cooperative housing corporation (including any
9 stock held by the corporation). In no event, however, shall such credit
10 reduce the tax, on a conveyance described in paragraph (a) of this
11 subdivision, below zero, nor shall any such credit be allowed for a tax
12 paid more than twenty-four months prior to the date on which occurs the
13 first in a series of conveyances of shares of stock in an offering of
14 cooperative housing corporation shares described in paragraph (a) of
15 this subdivision.

16 2. Every cooperative housing corporation shall be required to file an
17 information return with the treasurer by July fifteenth of each year
18 covering the preceding period of January first through June thirtieth
19 and by January fifteenth of each year covering the preceding period of
20 July first through December thirty-first. The return shall contain such
21 information regarding the conveyance of shares of stock in the cooper-
22 ative housing corporation as the treasurer may deem necessary, includ-
23 ing, but not limited to, the names, addresses and employee identifica-
24 tion numbers or social security numbers of the grantor and the grantee,
25 the number of shares conveyed, the date of the conveyance and the
26 consideration paid for such conveyance.

27 § 1582. Designation of agents. The treasurer is authorized to desig-
28 nate the recording officer to act as his or her agent for purposes of
29 collecting the tax authorized by this article. The treasurer shall
30 provide for the manner in which such person may be designated as his or
31 her agent subject to such terms and conditions as the treasurer shall
32 prescribe. The real estate transfer tax shall be paid to such agent as
33 provided in section fifteen hundred seventy-seven of this article.

34 § 1583. Liability of recording officer. A recording officer shall not
35 be liable for any inaccuracy in the amount of tax imposed pursuant to
36 this article that he or she shall collect so long as he or she shall
37 compute and collect such tax on the amount of consideration or the value
38 of the interest conveyed as such amounts are provided to him or her by
39 the person paying the tax.

40 § 1584. Deposit and disposition of revenue. 1. All taxes, penalties
41 and interest imposed by the city or town under the authority of section
42 fifteen hundred seventy-six of this article, which are collected by the
43 treasurer or his or her agents, shall be deposited in trust funds as
44 provided by this section for the city or town and shall be kept in trust
45 and separate and apart from all other monies in possession of the treas-
46 urer. The treasurer or his or her agents shall provide for separate
47 trust funds for community preservation and community housing revenues.
48 Moneys in such fund shall be deposited and secured in the manner
49 provided by section ten of the general municipal law. Pending expendi-
50 ture from such fund, moneys therein may be invested in the manner
51 provided in section eleven of the general municipal law. Any interest
52 earned or capital gain realized on the moneys so deposited or invested
53 shall accrue to and become part of such fund.

54 2. The treasurer shall retain such amount as he or she may determine
55 to be necessary for refunds with respect to the tax imposed by the city
56 or town, under the authority of section fifteen hundred seventy-six of

1 this article, out of which the treasurer shall pay any refunds of such
2 taxes to those taxpayers entitled to a refund pursuant to the provisions
3 of this article.

4 3. The treasurer, after reserving such refunds, shall on or before the
5 twelfth day of each month pay to the city comptroller or the town super-
6 visor the taxes, penalties and interest imposed by the town under the
7 authority of section fifteen hundred seventy-six of this article,
8 collected by the treasurer, pursuant to this article during the next
9 preceding calendar month. The amount so payable shall be certified to
10 the city comptroller or the town supervisor by the treasurer, who shall
11 not be held liable for any inaccuracy in such certification. Provided,
12 however, any such certification may be based on such information as may
13 be available to the treasurer at the time such certification must be
14 made under this section. Where the amount so paid over to the city or
15 town in any such distribution is more or less than the amount due to the
16 city or town, the amount of the overpayment or underpayment shall be
17 certified to the city comptroller or the town supervisor by the treasur-
18 er, who shall not be held liable for any inaccuracy in such certifi-
19 cation. The amount of the overpayment or underpayment shall be so
20 certified to the city comptroller or the town supervisor as soon after
21 the discovery of the overpayment or underpayment as reasonably possible
22 and subsequent payments and distributions by the treasurer to such city
23 or town shall be adjusted by subtracting the amount of any such overpay-
24 ment from or by adding the amount of any such underpayment to such
25 number of subsequent payments and distributions as the treasurer and
26 city comptroller or town supervisor shall consider reasonable in view of
27 the overpayment or underpayment and all other facts and circumstances.

28 4. All monies received from the treasurer shall be deposited in the
29 appropriate fund of the city or town, pursuant to section six-w of the
30 general municipal law.

31 § 1585. Judicial review. 1. Any final determination of the amount of
32 any tax payable under section fifteen hundred seventy-eight of this
33 article shall be reviewable for error, illegality or unconstitutionality
34 or any other reason whatsoever by a proceeding under article seventy-
35 eight of the civil practice law and rules if application therefor is
36 made to the supreme court within four months after the giving of the
37 notice of such final determination, provided, however, that any such
38 proceeding under article seventy-eight of the civil practice law and
39 rules shall not be instituted unless (a) the amount of any tax sought to
40 be reviewed, with such interest and penalties thereon as may be provided
41 for by local law shall be first deposited and there is filed an under-
42 taking, issued by a surety company authorized to transact business in
43 this state and approved by the state superintendent of insurance as to
44 solvency and responsibility, in such amount as a justice of the supreme
45 court shall approve to the effect that if such proceeding be dismissed
46 or the tax confirmed the petitioner will pay all costs and charges which
47 may accrue in the prosecution of such proceeding or (b) at the option of
48 the petitioner, such undertaking may be in a sum sufficient to cover the
49 taxes, interest and penalties stated in such determination, plus the
50 costs and charges which may accrue against it in the prosecution of the
51 proceeding, in which event the petitioner shall not be required to pay
52 such taxes, interest or penalties as a condition precedent to the appli-
53 cation.

54 2. Where any tax imposed hereunder shall have been erroneously, ille-
55 gally or unconstitutionally assessed or collected and application for
56 the refund or revision thereof duly made to the proper fiscal officer or

1 officers, and such officer or officers shall have made a determination
2 denying such refund or revision, such determination shall be reviewable
3 by a proceeding under article seventy-eight of the civil practice law
4 and rules; provided, however, that (a) such proceeding is instituted
5 within four months after the giving of the notice of such denial, (b) a
6 final determination of tax due was not previously made, and (c) an
7 undertaking is filed with the proper fiscal officer or officers in such
8 amount and with such sureties as a justice of the supreme court shall
9 approve to the effect that if such proceeding be dismissed or the tax
10 confirmed, the petitioner will pay all costs and charges which may
11 accrue in the prosecution of such proceeding.

12 § 1586. Apportionment. A local law adopted by any city or town, pursu-
13 ant to this article, shall provide for a method of apportionment for
14 determining the amount of tax due whenever the real property or interest
15 therein is situated within and without the city or town.

16 § 1587. Miscellaneous. A local law adopted by any city or town, pursu-
17 ant to this article, may contain such other provisions as the city or
18 town deems necessary for the proper administration of the tax imposed
19 pursuant to this article, including provisions concerning the determi-
20 nation of tax, the imposition of interest on underpayments and overpay-
21 ments and the imposition of civil penalties. Such provisions shall be
22 identical to the corresponding provisions of the real estate transfer
23 tax imposed by article thirty-one of this chapter, so far as such
24 provisions can be made applicable to the tax imposed pursuant to this
25 article.

26 § 1588. Returns to be secret. 1. Except in accordance with proper
27 judicial order or as otherwise provided by law, it shall be unlawful for
28 the treasurer or any officer or employee of the county, city or town,
29 including any person engaged or retained on an independent contract
30 basis, to divulge or make known in any manner the particulars set forth
31 or disclosed in any return required under a local law enacted pursuant
32 to this article. Provided, however, that nothing in this section shall
33 prohibit the recording officer from making a notation on an instrument
34 affecting a conveyance indicating the amount of tax paid. No recorded
35 instrument affecting a conveyance shall be considered a return for
36 purposes of this section.

37 2. The officers charged with the custody of such returns shall not be
38 required to produce any of them or evidence of anything contained in
39 them in any action or proceeding in any court, except on behalf of the
40 county, city, or town in any action or proceeding involving the
41 collection of a tax due under a local law enacted pursuant to this arti-
42 cle to which such county, city, or town is a party, or a claimant, or on
43 behalf of any party to any action or proceeding under the provisions of
44 a local law enacted pursuant to this article when the returns or facts
45 shown thereby are directly involved in such action or proceeding, in any
46 of which events the court may require the production of, and may admit
47 in evidence, so much of said returns or of the facts shown thereby, as
48 are pertinent to the action or proceeding and no more.

49 3. Nothing in this section shall be construed to prohibit the delivery
50 to a grantor or grantee of an instrument effecting a conveyance or the
51 duly authorized representative of a grantor or grantee of a certified
52 copy of any return filed in connection with such instrument or to
53 prohibit the publication of statistics so classified as to prevent the
54 identification of particular returns and the items thereof, or the
55 inspection by the legal representatives of such county, city, or town of

1 the return of any taxpayer who shall bring action to set aside or review
2 the tax based thereon.

3 § 3. Severability. If any provision of this act or the application
4 thereof shall for any reason be adjudged by any court of competent
5 jurisdiction to be invalid, such judgment shall not affect, impair, or
6 invalidate the remainder of this act, but shall be confined in its oper-
7 ation to the provision thereof directly involved in the controversy in
8 which such judgment shall have been rendered.

9 § 4. This act shall take effect immediately.
