Introduced by M. of A. L. ROSENTHAL -- read once and referred to the Committee on Agriculture

AN ACT to authorize and direct the commissioners of agriculture and markets and economic development to study and develop a long-term strategy for sustaining farming and food production in New York state

## The People of the State of New York, represented in Senate and Assembly, do enact as follows:

Section 1. The commissioners of agriculture and markets and economic 1 2 development are hereby authorized and directed to study and develop a long-term strategy for sustaining farming and food production in New 3 4 York state. Such strategy shall be based on an analysis of land use and 5 economic trends, soil and natural resources, food consumption needs and б other factors necessary to develop a state-level blueprint for protect-7 ing farmland and strengthening food production in the state. Such strat-8 egy shall be developed in consultation with agricultural and economic 9 development advisory bodies created or authorized by statute and such 10 other organizations or persons as the commissioners shall deem appropri-11 ate. Within one year of the effective date of this act, the commission-12 ers shall submit a report of their findings and recommendations, includ-13 ing proposed legislation, if any, to the governor and the legislature. § 2. This act shall take effect immediately. 14
