

STATE OF NEW YORK

2023-2024 Regular Sessions

IN ASSEMBLY

June 2, 2023

Introduced by M. of A. ZINERMAN, JOYNER -- read once and referred to the Committee on Ways and Means

AN ACT to amend the New York city charter, the education law, the general municipal law, the labor law, the public authorities law, and the New York city health and hospitals corporation act, in relation to providing for employment opportunities for economically disadvantaged candidates and economically disadvantaged region candidates and apprenticeship utilization on public transactions; and providing for the repeal of such provisions upon expiration thereof

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Legislative findings. The legislature finds that both with-
2 in the city of New York and across the United States, over the past
3 several decades, income inequality has expanded and that poverty is
4 frequently concentrated in economically disadvantaged regions. The
5 legislature also finds that economic disparities among individuals and
6 across communities have further expanded due to the economic and health
7 effects of the virus known as COVID-19. The purpose of this legislation
8 is to remediate these economic disparities by authorizing the city of
9 New York, the city school district of the city of New York, the New York
10 city school construction authority, the New York city health and hospi-
11 tals corporation, the New York city industrial development agency, and
12 other city-affiliated not-for-profit corporations to use the economic
13 power of their transactions to implement programs by administrative rule
14 requiring contractors and subcontractors benefitting from such trans-
15 actions to make best efforts to employ qualified economically disadvan-
16 tagged candidates and qualified candidates from economically disadvan-
17 tagged regions.

18 § 2. The New York city charter is amended by adding a new chapter 79
19 to read as follows:

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

22 tor's or subcontractor's non-compliance with an obligation created
23 pursuant to this section and a procedure for the imposition of such
24 penalties, which will not exclude other remedies established in this

38 payroll reports, as applicable; and

39 (12) (i) authorizing the director, in consultation with the city chief
40 procurement officer, as such term is defined in rules promulgated by the

43 than for goals established pursuant to such paragraph seven in
44 connection with transactions subject to a project labor agreement, will
45 be established for individual transactions, including:

46 (A) the scope of the transaction;

47 (B) the availability of qualified economically disadvantaged candi-

49 (C) the nature of any employment opportunities that the director
50 expects will result from the transaction; and

51 (D) any other similar factors.

52 (ii) prior to setting a goal pursuant to this subdivision for an indi-

54 consider the goals set for previous, similar transactions and whether
55 such goals were appropriate for such transactions.

1 b. Lists of economically disadvantaged regions. No later than ninety
2 days after the effective date of this section, and at least once during
3 each twelve-month period thereafter, the director shall publish a report
4 including an updated list of all economically disadvantaged regions
5 within a radius of one hundred miles of the city or all such econom-
6 ically disadvantaged regions within the metropolitan area. Nothing shall
7 preclude an individual whose residence is within an economically disad-
8 vantaged region that is not included in such list from qualifying as an
9 economically disadvantaged region candidate for the purposes of goals
10 set forth under this section.

11 c. Reporting. No later than one hundred eighty days after the effec-
12 tive date of this section and each quarter thereafter, the office of
13 community hiring and workforce development shall publish a report on a
14 website maintained or controlled by the city, pursuant to rules adopted
15 by the director, that shall include, for each transaction subject to a
16 goal established pursuant to paragraph six, seven, or eight of subdivi-

18 contractor's progress towards meeting such goal and, if applicable, any
19 subcontractor's progress towards meeting any goal established pursuant
20 to paragraph seven or nine of subdivision a of this section, and aggre-
21 gate information regarding the overall progress towards meeting such
22 goals as well as the demographics and compensation of economically
23 disadvantaged region candidates, economically disadvantaged candidates,
24 and apprentices who are economically disadvantaged region candidates, as
25 applicable, relative to all individuals employed by such contractor and,
26 if applicable, subcontractors on such transaction. Such report shall
27 also include aggregate information regarding the total number of econom-
28 ically disadvantaged candidates and economically disadvantaged region
29 candidates hired, including the number of such candidates hired by
30 contract type and the resulting financial benefits of the program. In
31 compiling this report, the director shall, to the extent he or she deems
32 feasible, use data sources established or maintained by the city for
33 other programs or operations in order to minimize administrative burdens
34 on contractors and subcontractors, provided that where the director
35 determines that such data sources cannot be used to complete such
36 report, the director may adopt rules requiring contractors and subcon-
37 tractors to provide such additional data necessary to complete this
38 report, and to certify the accuracy of such additional information.
39 Nothing in this subdivision shall be interpreted to authorize the direc-
40 tor to promulgate rules requiring labor organizations to provide infor-
41 mation on a regular basis to complete such reports.

42 d. Best efforts. (1) In determining whether a contractor or subcon-
43 tractor has exercised best efforts to meet the employment goals estab-
44 lished pursuant to subdivision a of this section, the director shall
45 consider the degree to which the contractor or subcontractor has endeav-
46 ored;

47 (i) to review economically disadvantaged region candidates' and
48 economically disadvantaged candidates' qualifications, as applicable, in
49 good faith;

50 (ii) to advertise employment opportunities, as applicable, in a manner
51 reasonably intended to attract qualified economically disadvantaged
52 candidates or economically disadvantaged region candidates, except that
53 contractors and subcontractors performing construction work pursuant to
54 a project labor agreement shall not be required to advertise employment
55 opportunities for construction work;

1 (iii) to coordinate with referral sources or apprenticeship programs,
2 as applicable, in order to employ such candidates identified by such
3 referral sources or apprenticeship programs, provided that for contrac-
4 tors and subcontractors performing construction work pursuant to a
5 project labor agreement, the director shall only consider the degree to
6 which the contractor or subcontractor has endeavored to meet such goals
7 by complying with the referral provisions of such project labor agree-
8 ment;

9 (iv) to review and organize the work under the transaction in order to
10 eliminate obstacles to meeting such employment goals;

11 (v) to monitor and to document the contractor's or subcontractor's
12 efforts to meet the employment goals;

13 (vi) to contact the office of community hiring and workforce develop-
14 ment at routine intervals, or as otherwise required by rule, to inform
15 the director of the contractor's or subcontractor's efforts to meet the
16 employment goals; and

17 (vii) to take all other commercially reasonable actions to meet the
18 employment goals.

19 (2) In order to exercise best efforts, neither contractors nor subcon-
20 tractors are required:

21 (i) to undertake an undue financial burden;

22 (ii) to terminate or reduce the work levels of any of a contractor's
23 or subcontractor's existing employees;

24 (iii) to extend an offer of employment to an individual whose labor
25 would not be commercially useful;

26 (iv) to forgo filling building service opportunities with absorption
27 hires; or

29 assigning individuals to perform construction work in accordance with
30 the terms of:

31 (A) an agreement with a union referral system to which a contractor or
32 subcontractor is a signatory; or

33 (B) an agreement with a referral source for the sourcing of labor to
34 which a contractor or subcontractor is a signatory, provided that such
35 contractor or subcontractor demonstrates to the satisfaction of the
36 director that such agreement was entered into in furtherance of a bona
37 fide interest in sourcing labor.

38 e. Discretionary application of goals. Notwithstanding any other
39 provision of this section, employment goals authorized under paragraphs
40 six, seven, eight and nine of subdivision a of this section may, but are
41 not required to be, established for transactions that are emergency
42 procurement contracts procured pursuant to the procedure set forth in
43 section three hundred fifteen of this charter.

44 f. Adjustment of construction goals for project labor agreements.
45 Where the city has entered or enters into a project labor agreement and
46 such project labor agreement includes numerical goals regarding the
47 sourcing of economically disadvantaged region candidates and appren-
48 tices, such numerical goals set forth in such project labor agreement
49 shall apply to transactions subject to such project labor agreement.

50 g. Wage payment assurances. The director may promulgate rules setting
51 forth standards and a procedure by which contractors and subcontractors
52 that the director has determined have a record of failing to pay wages,
53 including but not limited to prevailing wages and benefits required
54 pursuant to article eight of the labor law, to individuals performing
55 construction work under a transaction shall be required to provide addi-
56 tional assurances acceptable to the director in order to receive credit

1 towards the achievement of employment goals set forth in paragraph seven
2 of subdivision a of this section.

3 § 3. Subparagraphs (x) and (xi) of paragraph a of subdivision 36 of
4 section 2590-h of the education law, as amended by chapter 98 of the

11 for the emergency procurement shall be required and filed with the comp-
12 troller of the city of New York when such emergency contract is filed
13 with such comptroller; ~~and~~

18 city charter, including but not limited to employment goals established
19 pursuant to paragraph seven of subdivision a and the corresponding best
20 efforts provisions set forth in subdivision d of such section; provided,
21 however, that where a provision of such section requires action by the
22 director of the office of community hiring and workforce development,
23 such action shall not be taken by the director of the office of communi-
24 ty hiring and workforce development but shall be taken by the chancellor
25 or his or her designee.

26 § 4. Subdivision (c) of section 917 of the general municipal law, as

33 this chapter, except that it shall not have the power to construct or
34 rehabilitate any residential facility or housing of any nature and kind
35 whatsoever, nor shall it use any of its funds to further the
36 construction or rehabilitation of any residential facility or housing of
37 any nature and kind whatsoever. It shall constitute a body corporate and
38 politic, and be perpetual in duration. It shall only have the powers and
39 duties conferred by title one of article eighteen-A of this chapter upon

41 shall have the power to finance a rail freight facility and the power to
42 establish employment goals in accordance with the program established
43 pursuant to section thirty-five hundred two of the New York city char-
44 ter, including but not limited to employment goals established pursuant
45 to paragraph seven of subdivision a and the corresponding best efforts

48 tor of the office of community hiring and workforce development, such
49 action shall not be taken by the director of the office of community
50 hiring and workforce development but shall be taken by the chief execu-
51 tive officer of the agency or his or her designee, and it shall not have
52 the power of condemnation. In the exercise of the powers conferred upon

§ 5. Section 816-b of the labor law, as added by chapter 571 of the laws of 2001, is amended to read as follows:

A city governmental entity that is a direct or indirect party to a contract may establish in its specifications a requirement that, in performing the work, the contractor and its subcontractors utilize a minimum ratio of apprentices to journey-level workers, as established by the governmental entity but subject to any maximum ratio established by the department, for any classification appropriate for the type and scope of work to be performed, provided that no such minimum ratio shall be established for labor performed pursuant to a construction contract. Whenever utilizing ~~[this requirement]~~ these requirements, the governmental entity may, in addition to whatever considerations are required by law, consider the degree to which career opportunities in apprenticeship training programs approved by the commissioner may be provided.

§ 6. Notwithstanding any provision of law to the contrary, any city-affiliated not-for-profit corporation, as such term is defined in section 3501 of the New York city charter, is authorized to establish employment goals in accordance with the program established pursuant to section 3502 of such charter, including but not limited to employment goals established pursuant to paragraph 7 of subdivision a of such section and the corresponding best efforts provisions set forth in subdivision d of such section; provided, however, that where a provision of such section requires action by the director of the office of community hiring and workforce development of the city of New York, such action shall not be taken by the director of the office of community hiring and workforce development but shall be taken by the chief executive officer of such corporation, or a duly appointed designee.

2 new subdivision 15-a to read as follows:
