28 provisions of this section if, after a public hearing, its governing

30 resolution adopting the provisions of this section. Such local law or
31 resolution may provide for a tax abatement for real property that has
32 sustained damages from a major disaster, a local disaster, or both.

33 (b) Such local law or resolution shall include, but not be limited to:

53 (ii) any abatement from real property taxes may not exceed the maximum
54 benefit ceiling, if applicable;

56 damage floor, if applicable; and

1 (iv) if the abatement granted pursuant to this section exceeds the
2 amount of real property taxes owed on an eligible property, the excess
3 abatement shall carry over to the next tax year, until the cumulative
4 sum of abated real property taxes equals the damages to such eligible
5 property, or five years have passed from when the abatement was granted,
6 whichever occurs first.

7 (b) To receive an abatement from real property taxes pursuant to this
8 section, the owner shall submit an application to the local assessor, on
9 a form prescribed by the commissioner, prior to the deadline established
10 pursuant to subparagraph (iii) of paragraph (b) of subdivision two of
11 this section. Such application shall include any supporting documenta-
12 tion and photographs, including any and all documentation outlined in
13 paragraph (c) of this subdivision, and shall describe in reasonable
14 detail the damage caused to and the condition of the property following
15 a local or major disaster.

16 (c) A homeowner may provide evidence of damage to the local assessor
17 as part of the application with the following, provided that the local

19 documentation:

20 (i) assessment or reassessment by the eligible county or municipality;
21 (ii) private appraisal;
22 (iii) documentation provided by such homeowner's insurance company;
23 (iv) documentation provided by a public adjuster as defined in section

29 (vi) photographic and visual documentation;
30 (vii) affidavits and other sworn statements; and
31 (viii) other government records and reports.

32 (d) The local assessor shall take the necessary steps to determine the
33 damages to the applicable eligible property. An owner of eligible prop-
34 erty may contest the amount of damages determined by the local assessor
35 to the board of assessment review, or in special assessing units, such
36 local equivalent as is applicable as outlined in paragraph (f) of this
37 subdivision; provided further, that a homeowner may contest the determi-
38 nation of the board of assessment review or such local equivalent pursu-
39 ant to article seven of this chapter.

40 (e) Abatements shall only be granted pursuant to this section for
41 eligible properties damaged by a local or major disaster if the owner of
42 such eligible property has not contributed to such damage.

43 (f) If satisfied that the applicant is entitled to an abatement pursu-
44 ant to this section, the local assessor shall approve the application
45 and apply such abatement as herein provided commencing with the assess-
46 ment roll prepared on the basis of the taxable status date immediately
47 following the date the application was submitted. The abatement granted
48 pursuant to this section shall be entered by the local assessor on the
49 applicable assessment, with the amount of the abatement shown in a sepa-
50 rate column.

51 § 3. Severability clause. If any clause, sentence, paragraph, subdivi-
52 sion, section or part of this act shall be adjudged by any court of
53 competent jurisdiction to be invalid, such judgment shall not affect,
54 impair, or invalidate the remainder thereof, but shall be confined in
55 its operation to the clause, sentence, paragraph, subdivision, section
56 or part thereof directly involved in the controversy in which such judg-

1 ment shall have been rendered. It is hereby declared to be the intent of
2 the legislature that this act would have been enacted even if such
3 invalid provisions had not been included herein.
4 § 4. This act shall take effect immediately.
