2023-2024 Regular Sessions

IN ASSEMBLY

July 19, 2023

Introduced by M. of A. SLATER, REILLY -- read once and referred to the Committee on Codes

AN ACT to amend the executive law and the general business law, in relation to requiring wireless communication method service providers disable services to stolen wireless communication methods

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Short title. This act shall be known and may be cited as
2 the "Detective Brian Simonsen's law".

3 § 2. The executive law is amended by adding a new section 845-e to
4 read as follows:

5 § 845-e. Notification of stolen wireless communication methods. When-
6 ever any police officer designated in section 1.20 of the criminal
7 procedure law or a peace officer designated in section 2.10 of such law,
8 acting pursuant to his or her special duties, is made aware a wireless
9 communication method has been stolen or is believed to have been stolen,
10 such officer shall:

11 1. where the wireless communication method is a wireless telephone,
12 notify the business entity which was providing such stolen wireless
13 telephone wireless telephone services and have such services discontin-
14 ued;

15 2. where the wireless communication method is an international mobile
16 identification system, notify the business entity which was providing
17 such international mobile identification system and have such services
18 discontinued;

19 3. where the wireless communication method is an international mobile
20 equipment identity number, notify the business entity which was provid-
21 ing such international mobile equipment identity number and have such
22 services discontinued; and

23 4. where the wireless communication method is an international mobile
24 subscriber identity number, notify the business entity which was provid-

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.

1 ing such international mobile subscriber identity number and have such
2 services discontinued.

3 § 3. The general business law is amended by adding a new section 399-
4 eee to read as follows:

5 § 399-eee. Disabling of services to stolen wireless communication
6 methods. 1. Disabling of wireless telephone services. Whenever any
7 police officer designated in section 1.20 of the criminal procedure law
8 or a peace officer designated in section 2.10 of such law, acting pursu-
9 ant to his or her special duties, notifies any person, firm, partner-
10 ship, association, limited liability company, corporation, or other
11 business entity providing wireless telephone services, as such term is
12 defined in paragraph (b) of subdivision one of section twelve hundred
13 twenty-five-c of the vehicle and traffic law, that a telephone using
14 such business entity's wireless telephone services has been stolen, such
15 business entity shall cease wireless telephone services to such stolen
16 telephone.

17 2. Disabling of stolen international mobile identification systems.
18 Whenever any police officer designated in section 1.20 of the criminal
19 procedure law or a peace officer designated in section 2.10 of such law,
20 acting pursuant to his or her special duties, notifies any person, firm,
21 partnership, association, limited liability company, corporation, or
22 other business entity providing international mobile identification
23 systems that one of such business entity's systems has been stolen, such
24 business entity shall cease services to such stolen system.

25 3. Disabling of stolen international mobile equipment identity number
26 (IMEI). Whenever any police officer designated in section 1.20 of the
27 criminal procedure law or a peace officer designated in section 2.10 of
28 such law, acting pursuant to his or her special duties, notifies any
29 person, firm, partnership, association, limited liability company,
30 corporation, or other business entity providing international mobile
31 equipment identity numbers (IMEI) that one of such business entity's
32 numbers has been stolen, such business entity shall cease services to
33 such stolen number.

34 4. Disabling of stolen international mobile subscriber identity
35 number. Whenever any police officer designated in section 1.20 of the
36 criminal procedure law or a peace officer designated in section 2.10 of
37 such law, acting pursuant to his or her special duties, notifies any
38 person, firm, partnership, association, limited liability company,
39 corporation, or other business entity providing international mobile
40 subscriber identity numbers that one of such business entity's numbers
41 has been stolen, such business entity shall cease services to such
42 stolen number.

43 § 4. This act shall take effect on the ninetieth day after it shall
44 have become a law.
