36 other property, with or without warranty, and upon such other terms and  
37 conditions as the authority deems proper, provided that such terms and  
38 conditions are consistent with industry practices and are comparable to  
39 terms and conditions contained in similar agreements or contracts  
40 between and by private parties, and it may execute such documents for  
41 the transfer of title or other interest in property and take such other  
42 action as it deems necessary or proper to dispose of such property under  
43 the provisions of this subdivision provided, however, that no disposi-  
44 tion of real property, or any interest in real property, shall be made  
45 unless an appraisal of the value of such property has been made by an  
46 independent appraiser and included in the record of the transaction,  
47 and, provided further, that no disposition of any other property, which  
48 because of its unique nature or the unique circumstances of the proposed  
49 transaction is not readily valued by reference to an active market for  
50 similar property, shall be made without a similar appraisal.

51 (4) (a) All disposals or contracts for disposal of property of the  
52 authority made or authorized by the authority shall be made after  
53 publicly advertising for bids except as provided in clause (c) of this

55 (b) Whenever public advertising for bids is required under clause (a)  
56 of this subparagraph:

5 (ii) all bids shall be publicly disclosed at the time and place stated  
6 in the advertisement; and

7 (iii) the award shall be made with reasonable promptness by notice to

10 considered; provided, that all bids may be rejected when it is in the  
11 public interest to do so.

12 (c) Disposals and contracts for disposal of property may be negotiated  
13 or made by public auction without regard to clauses (a) and (b) of this  
14 subparagraph but subject to obtaining such competition as is feasible  
15 under the circumstances, if:

16 (i) the personal property involved has qualities separate from the  
17 utilitarian purpose of such property, such as artistic quality, antiqui-  
18 ty, historical significance, rarity, or other quality of similar effect,  
19 that would tend to increase its value, or if the personal property is to  
20 be sold in such quantity that, if it were disposed of under clauses (a)  
21 and (b) of this subparagraph, would adversely affect the state or local  
22 market for such property, and the estimated fair market value of such  
23 property and other satisfactory terms of disposal can be obtained by  
24 negotiation;

25 (ii) the fair market value of the property does not exceed fifty thou-  
26 sand dollars;

27 (iii) bid prices after advertising therefor are not reasonable, either  
28 as to all or some part of the property, or have not been independently

34 paragraph; or

35 (vi) such action is otherwise authorized by law.

36 (d) (i) An explanatory statement shall be prepared of the circum-  
37 stances of each disposal by negotiation of:

39 excess of fifty thousand dollars;

40 (B) any real property that has an estimated fair market value in  
41 excess of fifty thousand dollars;

42 (C) any real property disposed of at below fair market value or for a  
43 nominal price.

44 (ii) Each such statement shall be transmitted to the persons entitled  
45 to receive copies of the report required under paragraph b of this  
46 subdivision not less than ninety days in advance of such disposal, and a  
47 copy thereof shall be preserved in the files of the authority.

48 (5) (a) No property owned, leased or otherwise in the control of the  
49 authority may be sold, leased, or otherwise alienated for less than its  
50 fair market value except:

51 (i) if the purchaser, lessee or transferee is a government or other  
52 public entity, and the terms and conditions of the disposition require  
53 that the ownership and use of the asset will remain with the government  
54 or any other public entity; or

55 (ii) if the authority seeks to dispose of property for less than its  
56 fair market value to other than a governmental entity the authority

1 shall provide written notification thereof to the mayor, the city comp-  
2 troller, the state legislature and the New York city council.

3 (b) In the event a below fair market value property disposition is

6 and the general public:

7 (i) a full description of the property;

8 (ii) an appraisal of the fair market value of the property and any  
9 other information establishing the fair market value;

10 (iii) a description of the purpose of the disposition and a statement  
11 of the kind and amount of the benefit to the residents of the authori-  
12 ty's housing resulting from the disposition, including but not limited  
13 to, the benefits, if any, to the communities in which the property is  
14 situated;

15 (iv) a statement of the financial value to be received by the authori-  
16 ty and by the private parties participating or otherwise involved in the  
17 property compared to the fair market value, including the projected or  
18 potential value of any tax credits, exemptions, government subsidies or  
19 grants, or real property tax abatements given to the private parties;

20 (v) the names of any private parties participating in the disposition,  
21 and if different than the statement required by subclause (iv) of this

25 was sought to be used; and

26 (vii) an analysis comparing the value or consideration received by the

28 consideration that a private party purchaser or lessor would receive for  
29 disposing of similarly-situated or comparable real property and explain-  
30 ing the differences or discrepancies between two values or consider-  
31 ation.

32 (c) Before approving the disposal of any property for less than fair  
33 market value, the board shall consider the information described in  
34 clause (b) of this subparagraph and make a written determination that  
35 there is no reasonable alternative to the proposed below-market disposi-  
36 tion that would achieve the same purpose of such disposition. The deter-  
37 mination shall include the reasons for disposing of the property at  
38 below fair market value.

39 d. Public hearings. (1) In addition to the public hearings required  
40 pursuant to federal laws and regulations, the authority shall also  
41 conduct at least one public hearing at the development, project, house  
42 or site in which the disposition is being planned or proposed, as
