IN ASSEMBLY

November 15, 2023

Introduced by M. of A. PAULIN -- read once and referred to the Committee on Health

AN ACT to amend the public health law, in relation to the supervision of intravascular administration of contrast media by a radiographer

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. Subdivision 3 of section 3501 of the public health law, as
2 added by chapter 175 of the laws of 2006, is amended to read as follows:

3 3. "Radiography" means the use of x-rays or x-ray producing equipment
4 on human beings for diagnostic purposes under the supervision of a
5 licensed practitioner. The practice includes, but is not limited to:
6 measuring and positioning patients; selecting and setting up exposure
7 factors on x-ray equipment, and the making of the x-ray exposure; the
8 performance of quality control tests; and, under the direct supervision
9 of a licensed physician, licensed nurse practitioner, or licensed physi-
10 cian assistant, the intravascular administration of contrast media when
11 such administration is an integral part of the x-ray or imaging proce-
12 dure.

13 § 2. This act shall take effect immediately.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets
[-] is old law to be omitted.
