Introduced by M. of A. SIMPSON -- read once and referred to the Committee on Education

AN ACT to amend the education law, in relation to establishing a class in financial literacy as a requirement of graduation for all pupils in grade nine, ten, eleven or twelve

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. The education law is amended by adding a new section 803-c
2 to read as follows:

3 § 803-c. Instruction relating to financial literacy. 1. All pupils, at
4 least once during grades nine, ten, eleven or twelve, in all public
5 schools in the state shall be required to receive a half credit or unit
6 course of instruction in financial literacy.

7 2. Pupils shall pass this course to receive their diploma and gradu-
8 ate with exception to those deemed disabled, impaired, or otherwise
9 mentally handicapped. This subdivision shall not apply to pupils already
10 enrolled in ninth, tenth, eleventh, and twelfth grades on the effective
11 date of this section and shall only apply to pupils enrolling in ninth
12 grade after the effective date of this section.

13 3. The requirements of this section may be fulfilled through the
14 continuation of a financial management course currently being taught in
15 public secondary schools as long as the current course is updated to
16 meet the standards set by the department and the curriculum set by the
17 local school board. Additional courses are encouraged to be developed
18 and approved at the local level.

19 4. This course shall be graded on an A+ to F scale and shall be admin-
20 istered as an independent elective.

21 5. This course shall be included in the twenty-two total credits need-
22 ed to graduate.

23 6. The board of education or trustees of the school district is
24 charged with developing and maintaining a financial literacy curriculum
