IN ASSEMBLY -- A BUDGET BILL, submitted by the Governor pursuant to article seven of the Constitution -- read once and referred to the Committee on Ways and Means -- committee discharged, bill amended, ordered reprinted as amended and recommitted to said committee

AN ACT making appropriations for the support of government

### CAPITAL PROJECTS BUDGET

The People of the State of New York, represented in Senate and Assembly, do enact as follows:

1 Section 1. a) The several amounts specified in this chapter for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes, and projects designated by the appropriations, and authorized to be made available as hereinafter provided to the respective public officers; such appropriations shall be deemed to provide all costs necessary and pertinent to accomplish the intent of the appropriations and are appropriated in accordance with the provisions of section 93 of the state finance law.

11 b) Any amounts specified in this chapter for advances for capital projects, or so much thereof as shall be necessary to accomplish the purpose of the appropriations, are appropriated by comprehensive construction programs (hereinafter referred to by the abbreviation CCP), purposes and projects designated by the appropriations as advances from the capital projects fund in accordance with the provisions of sections 40-a and 93 of the state finance law, and are authorized to be paid as hereinafter provided as an advance for a share, part or whole of the cost for such programs, purposes and projects hereinafter specified.

EXPLANATION--Matter in italics (underscored) is new; matter in brackets [-] is old law to be omitted.

LBD12654-03-4

1 c) The several amounts specified in this chapter as capital projects -  
2 reappropriations, or so much thereof as shall be sufficient to accom-  
3 plish the purpose of the appropriations, as appropriated by comprehen-  
4 sive construction programs (hereinafter referred to by the abbreviation  
5 CCP), purposes, and projects, being the undisbursed and/or unexpended  
6 balances of the prior year's appropriations, are reappropriated and  
7 unless otherwise amended or repealed in part or total in this chapter  
8 shall continue to be available for the same purposes as the prior appro-  
9 priations or as otherwise amended for the fiscal year beginning April 1,  
10 2024.

11 The capital projects reappropriations contained in this chapter may be  
12 amended by repealing the items set forth in brackets and by adding ther-  
13 eto the underscored material. Certain reappropriations in this chapter  
14 are shown using abbreviated text, with three leader dots (an ellipsis)  
15 followed by three spaces (... ) used to indicate where existing law  
16 that is being continued is not shown. However, unless a change is clear-  
17 ly indicated by the use of brackets [-] for deletions and underscores  
18 for additions, the purpose, amounts, funding source and all other  
19 aspects pertinent to each item of appropriation shall be as last appro-  
20 priated.

21 For the purpose of complying with section 25 of the state finance law,  
22 the year, chapter and section of the last act reappropriating a former  
23 original appropriation or any part thereof is, unless otherwise indi-  
24 cated, chapter 54, section 1, of the laws of 2023.

25 d) No moneys appropriated by this chapter shall be available for  
26 payment until a certificate of approval has been issued by the director  
27 of the budget, who shall file such certificate with the department of  
28 audit and control, the chairperson of the senate finance committee and  
29 the chairperson of the assembly ways and means committee.

30 e) The appropriations contained in this chapter shall be available for  
31 the fiscal year beginning on April 1, 2024 except as otherwise noted.

## CAPITAL PROJECTS - REAPPROPRIATIONS 2024-25

For payment of the costs of capital projects undertaken by or on behalf of school districts for the acquisition of smart schools classroom technology to be loaned to children attending a nonpublic school located in the school district, except a nonpublic school to which tuition is paid under articles 85 or 89 of the education law, in accordance with the requirements of section 755 of the education law and guidelines developed by the commissioner of education, in connection with the smart schools investment plans first submitted to the education department prior to April 15, 2017 and approved by the smart schools review board pursuant to subdivision 16 of section 3641 of the education law.

Each school district shall be eligible to receive an allocation from the funds appropriated herein equal to the product of the enrollment of all such nonpublic schools in the 2014-15 school year multiplied by the per pupil amount, provided that the liability of the state and the amount to be distributed or otherwise expended by the state to provide such loans shall be limited to the amount appropriated herein. The per pupil amount shall equal the quotient of (i) the amount budgeted by such school district in its approved smart schools investment plan for servers, wireless access points and other portable connectivity devices to be acquired as part of a school connectivity project, divided by (ii) the total public and nonpublic school enrollment in such school district in the 2014-15 school year.

Provided further that no school district shall be eligible to receive an allocation to support the loan of smart schools classroom technology in an aggregate amount greater than \$250 multiplied by the nonpublic school enrollment in the 2014-15 school year.

Notwithstanding paragraph b of subdivision 16 of section 3641 of the education law, the commissioner of education shall distribute funds appropriated pursuant to this paragraph upon approval of an application made by the school district. Requests to the school district for loan of smart schools classroom technology to be acquired with the funds appropriated herein shall be made in accordance with the requirements of subdivision 3 of section 755 of the education law (11NP1708) (55959) ... 25,000,000 ..... any other provision of law to the contrary, this appropriation may be used to fund payments and or grants, including up to \$5,000,000 to regional perinatal care centers or other health providers to establish telehealth applications, made by the commissioner of health in his or her sole discretion, without a competitive bid or request for proposal process, to eligible applicants as determined by the commissioner of health for the purposes that strengthen and protect continued access to health care services in communities including but not limited to children's residential treatment facilities. Such purposes may include debt retirement and capital projects or non-capital projects that facilitate health care transformation activities including, merger, consolidation, acquisition or other activities intended to: create financially sustainable systems of care; preserve or expand essential health care services; modernize obsolete facility physical plants and infrastructure; foster participation in alternative payment arrangements, including but not limited to contracts with managed care plans and accountable care organizations; increase the quality of resident care or experience in residential health care facilities; or improve health information technology infrastructure, including telehealth, to strengthen the acute, post-acute care, primary care, and longterm care continuum. Grants shall not be available to support general operating expenses.

The commissioner and the president of the dormitory authority of the state of New York shall enter into an agreement, subject to the approval of the director of the budget, and subject to section 1680-r of the public authorities law, for the purposes of awarding, distributing, and administering the funds made available pursuant to this appropriation.

In determining awards for eligible applicants under this appropriation, the commissioner of health shall consider criteria including, but not limited to:

- (a) The extent to which the proposed project will contribute to the integration of health care services or the long term sustainability of the applicant or preservation of essential health services in the community or communities served by the applicant;
- (b) The extent to which the proposed project or purpose is aligned with delivery system reform incentive payment ("DSRIP") program goals and objectives;
- (c) The geographic distribution of funds;
- (d) The relationship between the proposed project and identified community need;
- (e) The extent to which the applicant has access to alternative financing;
- (f) The extent to which the proposed project furthers the development of primary care and other outpatient services;
- (g) The extent to which the proposed project benefits medicaid enrollees and uninsured individuals;
- (h) The extent to which the applicant has engaged the community affected by the proposed project and the manner in which community engagement has shaped such project; and

1 1607010255 issued by the department on July 20, 2016 pursuant to  
2 section 2825-d of the public health law.

3 The department shall provide a report on a quarterly basis to the  
4 chairs of the senate finance, assembly ways and means, and senate  
5 health and assembly health committees. Such reports shall be submit-  
6 ted no later than 60 days after the close of the quarter, and shall  
7 include, for each award, the name of the applicant, a description of  
8 the project or purpose, the amount of the award, disbursement date,  
9 and status of achievement of process and performance metrics and  
10 milestones pursuant to subdivision 5 of section 2825-e of the public  
11 health law.

12 Within amounts appropriated herein, the director of the budget is  
13 authorized to make a determination to fund up to \$200,000,000 for  
14 grant awards which are not eligible to be funded with the proceeds  
15 of bonds issued pursuant to section 1680-r of the public authorities  
16 law.

17 Within amounts appropriated herein, \$50,000,000 shall be made avail-  
18 able for grant awards to Montefiore medical center, and a minimum of  
19 \$75,000,000 shall be made available for grant awards to community-

1 health care need for acute inpatient, outpatient, primary, home care  
2 or residential health care services in a community. The commissioner  
3 and the president of the dormitory authority of the state of New  
4 York shall enter into an agreement, subject to the approval of the  
5 director of the budget, and subject to section 1680-r of the public  
6 authorities law, for the purposes of awarding, distributing, and  
7 administering the funds made available pursuant to this appropri-  
8 ation. In determining awards for eligible applicants under this  
9 appropriation, the commissioner of health and the president of the  
10 authority shall consider criteria including, but not limited to:

- 11 (a) the extent to which the proposed capital project will contribute  
12 to the integration of health care services and long term sustaina-  
13 bility of the applicant or preservation of essential health services  
14 in the community or communities served by the applicant;
- 15 (b) the extent to which the proposed project or purpose is aligned  
16 with delivery system reform incentive payment ("DSRIP") program  
17 goals and objectives;
- 18 (c) consideration of geographic distribution of funds;
- 19 (d) the relationship between the proposed capital project and identi-  
20 fied community need;
- 21 (e) the extent to which the applicant has access to alternative  
22 financing;
- 23 (f) the extent that the proposed capital project furthers the develop-  
24 ment of primary care and other outpatient services;
- 25 (g) the extent to which the proposed capital project benefits medicaid  
26 enrollees and uninsured individuals;
- 27 (h) the extent to which the applicant has engaged the community  
28 affected by the proposed capital project and the manner in which  
29 community engagement has shaped such capital project; and
- 30 (i) the extent to which the proposed capital project addresses poten-  
31 tial risk to patient safety and welfare.

32 Disbursement of awards made pursuant to this appropriation shall be  
33 conditioned on the awardee achieving certain process and performance  
34 metrics and milestones as determined in the sole discretion of the  
35 commissioner. Such metrics and milestones shall be structured to  
36 ensure that the health care transformation and provider sustainabil-  
37 ity goals of the project are achieved, and such metrics and mile-  
38 stones shall be included in grant disbursement agreements or other  
39 contractual documents as required by the commissioner.

40 The department shall provide a report on a quarterly basis to the  
41 chairs of the senate finance, assembly ways and means, senate health  
42 and assembly health committees. Such reports shall be submitted no  
43 later than sixty days after the close of the quarter, and shall  
44 include, for each award, the name of the applicant, a description of  
45 the project or purpose, the amount of the award, disbursement date,  
46 and status of achievement of process and performance metrics and  
47 milestones pursuant to subdivision 5 of section 2825-b of the public

Such annual report shall continue to be provided until such time as the final disbursement of funds appropriated in the 2016-17 and 2017-18 state fiscal year housing program (ccp) has occurred.

Notwithstanding any other law to the contrary, the amounts appropriated herein may be suballocated to any state department, agency, or public authority for the purposes stated herein. Notwithstanding section 40 of the state finance law or any other law to the contrary, all assistance appropriations made from this account shall remain in full force and effect in accordance, in the aggregate, with the following schedule: not more than an additional \$500,000,000 for the period April 1, 2019 through and past March 31, 2020, and not more than an additional \$41,525,000 for the period April 1, 2020 through and past March 31, 2021 as indicated below:

1. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$950,000,000 shall be made available for the purpose of providing capital and operating subsidies for the development of 6,000 or more supportive housing units throughout the state over the next five years, as determined by a competitive selection process.
2. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$472,025,000 shall be made available for the purpose of providing capital subsidies for the new construction or adaptive reuse of rental housing affordable to households that earn up to 60 percent of area median income (AMI) and that advance one or more of the specific housing priorities of the state. Up to 5 percent of the funds allocated herein may be used for administrative purposes.
3. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of developing or rehabilitating one hundred percent senior rental affordable housing targeted to low-income seniors, aged 60 and above.
4. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$45,000,000 for purposes of the rural and urban community investment fund program created pursuant to article XXVII of the private housing finance law.
5. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$150,000,000 shall be made available for the purpose of providing

capital subsidies for the new construction, adaptive reuse, or reconstruction of rental housing affordable to households that earn between 60 percent and 130 percent of AMI and that advance one or more of the specific housing priorities of the state.

6. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$146,000,000 shall be made available for the purpose of substantial or moderate rehabilitation of site-specific multi-family rental housing currently under a regulatory agreement or extended use agreement with the division of housing and community renewal or another state, federal or local housing agency.

7. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$75,000,000 shall be made available for the purpose of providing capital subsidies to preserve and improve Mitchell-Lama properties in the state.

8. When combined with other funds made available in the 2016-17 and 2017-18 state fiscal year housing program (ccp), up to a total of \$125,000,000 shall be made available for the purpose of substantial or moderate rehabilitation and/or the demolition and replacement through new construction of site-specific multi-family rental housing currently owned by public housing authorities outside of New York city. The distribution of any funds which the division of housing and community renewal or other appropriate state agencies or authorities authorizes to be used as part of a federal housing program, shall require the division of housing and community renewal to monitor and ensure that any affected public housing tenants are properly informed regarding participation in the federal housing program and that appropriate documents related to participation in such federal housing program are made publicly available and are posted on each applicable housing authority's website in a timely manner to properly inform such public housing authority tenants. The residents of public housing that receives and uses such funds to participate in such federal program shall be provided a uniform lease agreement that provides, at a minimum, terms and conditions consistent with those found in the public housing lease they had prior to the public housing having received any such funds. Public housing authorities that receive and use such funds shall be required to: provide resident education, which shall include comprehensive information about any anticipated changes to the public housing; provide language assistance to residents with limited English proficiency; recognize the right of residents to form a resident organization; require resident participation funding commensurate to the funding that was being allocated to residents already; develop a set of procedures for resident grievances and lease termination proceedings that apply to residents following the use of such funds, which shall be consistent with any existing procedures, can provide stronger resident protections, and conform with any other applicable federal rules and/or regulations. In cases when there is a property manager other than the public housing authority that receives these funds, then such property manager shall be required to take actions including, but not limited to,

6 ments, and meet regularly with the resident organization to discuss  
7 emerging property-wide issues.

8 9. When combined with other funds made available in the 2016-17 and  
9 2017-18 state fiscal year housing program (ccp), up to a total of  
10 \$62,500,000 shall be made available for the purpose of substantial  
11 or moderate rehabilitation and/or the demolition and replacement  
12 through new construction of buildings of 5 to 40 units.

13 10. When combined with other funds made available in the 2016-17 and  
14 2017-18 state fiscal year housing program (ccp), up to a total of  
15 \$41,475,000 shall be made available for the purpose of promoting  
16 home ownership among families of low and moderate income for whom  
17 there are few affordable home ownership alternatives in the private  
18 market, and to stimulate the development, stabilization, and preser-  
19 vation of New York communities.

20 11. When combined with other funds made available in the 2016-17 and  
21 2017-18 state fiscal year housing program (ccp), up to a total of  
22 \$13,000,000 shall be made available for the purposes of mobile and  
23 manufactured home replacement program pursuant to chapter 54 of the  
24 laws of 2016.

25 12. When combined with other funds made available in the 2016-17 and  
26 2017-18 state fiscal year housing program (ccp), up to a total of  
27 \$10,000,000 shall be made available for the purpose of stimulating  
28 reinvestment in properties located within mixed-used commercial  
29 districts located in urban, small town, and rural areas of the state  
30 pursuant to article XXVI of the private housing finance law.

31 13. When combined with other funds made available in the 2016-17 and  
32 2017-18 state fiscal year housing program (ccp), up to a total of  
33 \$200,000,000 shall be made available, pursuant to a plan approved by  
34 the director of the budget, in consultation with the New York city  
35 housing authority chair and the dormitory authority of the state of  
36 New York, for the purpose of capital projects and other improvements  
37 related to housing developments owned or operated by the New York  
38 city housing authority; provided further to the extent practicable,  
39 the New York city housing authority in its administration of such  
40 funds shall include employment opportunities for NYCHA tenants  
41 consistent with section 3 of the housing and urban development act  
42 of 1968.

43 14. When combined with other funds made available in the 2016-17 and  
44 2017-18 state fiscal year housing program (ccp), up to a total of  
45 \$100,000,000 shall be made available for the preservation, restora-  
46 tion or creation of affordable housing units in a city having a  
47 population of one million or more, one hundred percent of which  
48 shall be affordable to households that earn up to sixty percent of  
49 the area median income adjusted for family size. Priority shall be  
50 given to applicants incorporated pursuant to the not-for-profit  
51 corporation law, with prior experience in community development

6 section 1, of the laws of 2020:

7 In support of a comprehensive, statewide multi-year housing program.

8 The commissioner shall provide, in electronic excel format or as  
9 requested by the Legislature, an annual report to the director of  
10 the budget, the speaker of the Assembly, and the temporary president  
11 of the Senate, on or before July 1 of each year, that summarizes the  
12 activities undertaken pursuant to the funding made available in the  
13 2016-17 and 2017-18 state fiscal year housing program (ccp). Such  
14 annual report shall be cumulative and shall include an itemized list  
15 of each project utilizing funds appropriated by the 2016-17 and  
16 2017-18 state fiscal year housing program (ccp), including a brief  
17 description of the project, street address, county, awardee, total  
18 budget, amount of capital subsidy appropriated by the housing  
19 program (ccp), relevant section of the housing program (ccp), bonded  
20 or cash, amount of each additional public funding source, funding  
21 program, number of units, area median income requirements if appli-  
22 cable, month and year construction will commence, projected date of  
23 occupancy, and project phase (in development, engineering,  
24 construction, complete, defunded). Such annual report shall continue  
25 to be provided until such time as the final disbursement of funds  
26 appropriated in the 2016-17 and 2017-18 state fiscal year housing  
27 program (ccp) has occurred.

28 Notwithstanding any other law to the contrary, the amounts appropri-  
29 ated herein may be suballocated to any state department, agency, or  
30 public authority for the purposes stated herein. Notwithstanding  
31 section 40 of the state finance law or any other law to the contra-  
32 ry, all assistance appropriations made from this account shall  
33 remain in full force and effect in accordance, in the aggregate,  
34 with the following schedule: not more than \$303,384,000 for the  
35 period April 1, 2017 through and past March 31, 2018, not more than  
36 an additional \$354,715,000 for the period April 1, 2018 through and  
37 past March 31, 2019, not more than an additional \$359,565,000 for  
38 the period April 1, 2019 through and past March 31, 2020, and not  
39 more than an additional \$365,811,000 for the period April 1, 2020  
40 through and past March 31, 2021 as indicated below:

- 41 1. When combined with other funds made available in the 2016-17 and  
42 2017-18 state fiscal year housing program (ccp), up to a total of  
43 \$950,000,000 shall be made available for the purpose of providing  
44 capital and operating subsidies for the development of 6,000 or more  
45 supportive housing units throughout the state over the next five  
46 years, as determined by a competitive selection process.
- 47 2. When combined with other funds made available in the 2016-17 and  
48 2017-18 state fiscal year housing program (ccp), up to a total of  
49 \$472,025,000 shall be made available for the purpose of providing

5 Bond Proceeds Purpose

6 By chapter 55, section 1, of the laws of 2005:

7 The sum of \$2,900,000,000, or so much thereof as may be necessary and  
 8 available, is hereby appropriated from the rebuild and renew New  
 9 York transportation fund as established by section 97-eeee of the  
 10 state finance law in accordance with the provisions of such section,  
 11 for payment to the capital projects fund in order to reimburse such  
 12 fund for disbursements certified by the state comptroller as bonda-  
 13 ble under the provisions of the rebuild and renew New York transpor-  
 14 tation bond act of 2005.

15 The director of the budget is hereby authorized to designate to the  
 16 state comptroller specific appropriations made from the capital  
 17 projects fund for purposes for which rebuild and renew New York  
 18 transportation fund expenditures are authorized. The state comp-  
 19 troller shall at the commencement of each month certify to the  
 20 director of the budget, the chairman of the senate finance commit-  
 21 tee, and the chairman of the assembly ways and means committee, the  
 22 amounts disbursed from the appropriations so designated by the  
 23 director of the budget from the capital projects fund for such  
 24 purposes for the month preceding such certification and such certif-  
 25 ications shall not exceed in the aggregate the moneys hereby appro-  
 26 priated. A copy of each such certificate shall also be delivered to  
 27 state departments and agencies to which such capital projects fund  
 28 appropriations are made available.

29 Notwithstanding the provisions of any general or special law, no  
 30 moneys shall be available from the rebuild and renew New York trans-  
 31 portation fund until a certificate of approval of availability shall  
 32 have been issued by the director of the budget, and a copy of such  
 33 certificate of approval filed with the state comptroller, the chair-  
 34 man of the senate finance committee and the chairman of the assembly  
 35 ways and means committee. Such certificate may be amended from time  
 36 to time by the director of the budget, and a copy of each such  
 37 amendment shall be filed with the state comptroller, the chairman of

By chapter 54, section 1, of the laws of 2022, as amended by chapter 54, section 1, of the laws of 2023:

The sum of \$50,000,000 is hereby appropriated for payments and grants to eligible nonprofit human services organizations for the nonprofit infrastructure capital investment program. Such program shall provide for targeted investments in capital projects for such eligible nonprofit human services organizations to improve the quality, efficiency, and accessibility of such nonprofit human services organizations that serve New Yorkers. Such investments may include, but are not limited to: technology upgrades related to improving electronic records, data analysis, or confidentiality; renovations or expansions of non-publicly owned space owned by or leased to the eligible nonprofit human services organization pursuant to a lease and used for direct program services; modifications to provide for sustainable, energy efficient spaces that would result in overall energy and cost savings; and accessibility renovations. Eligible nonprofit human services organizations are those which provide direct services to New Yorkers and are prequalified by the state in a manner as prescribed by the state for such grant application, provided further that nothing herein shall preclude a nonprofit human services organization that is otherwise eligible and that is located in publicly owned property from receiving a grant as long as such purpose and project would be otherwise eligible and such grant is not used for building or property maintenance or improvements, structural maintenance or improvements, or building systems maintenance or improvements. Funding from this appropriation shall be made available through a rolling pass-fail process outlined in a Request for Grant Applications that shall include guidelines for the program as determined by representatives from state agencies which shall include, but not be limited to, the office of children and family services, the office of temporary and disability assistance, the office for people with developmental disabilities, and the office of mental health. Funding will only be made available pursuant to the approval of the director of the budget. Provided further that such proposals submitted by eligible nonprofit human services organizations shall include, at a minimum, the following: the extent to which the proposed project reflects a necessary improvement or

31 The sum of \$170,000,000 is hereby appropriated for additional upstate  
32 revitalization initiative projects. Funds appropriated herein shall  
33 be for services and expenses, loans, grants, workforce development,  
34 business and tourism plan development, costs associated with program  
35 administration, and the payment of personal services, nonpersonal  
36 services and contract services provided by private firms to support  
37 economic development projects. Funding will be pursuant to a plan  
38 developed by the chief executive officer of the New York state urban  
39 development corporation and will support initiatives based on antic-  
40 ipated job creation and economic development benefits. Funds shall  
41 not be available from this appropriation for projects within regions  
42 that were Upstate Revitalization Initiative 2015 Best Plan Awardees  
43 or eligible to receive funding from the Buffalo Regional Innovation  
44 Cluster Program. Such moneys will be awarded by the New York state

2       85,000,000 ..... (re. \$85,000,000)  
3       For services and expenses related to the empire state poverty  
4       reduction initiative. Funds appropriated herein shall be made avail-  
5       able for sixteen local anti-poverty task forces in municipalities,  
6       or a borough, with high rates of poverty as determined by the U.S.  
7       Census Bureau's 2010-14 American Community Survey Five-year Esti-

9       Jamestown, Newburgh, Niagara Falls, Oneonta, Oswego, Rochester,  
10      Syracuse, Troy, Utica and Watertown. Provided that, except in muni-  
11      cipalities where a state-funded anti-poverty task force or initi-  
12      ative already exists and is receiving or has received State funding  
13      for such purpose, the mayor of each municipality, or in the case of  
14      the Bronx, the borough president, will select a not-for-profit  
15      organization that provides services in the municipality, or in the  
16      case of the Bronx, the borough, to serve as the local coordinator of  
17      each such local task force. Provided further that, except in muni-  
18      cipalities where a state-funded antipoverty task force or initiative  
19      already exists and is receiving or has received funding, each such  
20      taskforce shall make efforts to be comprised of, but not limited to,  
21      the following members: representatives from municipal, county,  
22      and/or state government; individuals who have lived in or currently  
23      live in households in poverty; individuals and advocates represent-  
24      ing local not-for-profit and community organizations; represen-  
25      tatives from local school districts; and representatives from local  
26      social services districts. Of the funds appropriated herein, the  
27      amount available for each local anti-poverty task force shall be  
28      determined based on the number of people in each municipality, or a  
29      borough, who are living in poverty as determined by the U.S. Census  
30      Bureau's 2010-14 American Community Survey Five-year Estimate  
31      provided that each local anti-poverty task force shall be eligible  
32      to receive funding in the following amounts: municipalities with  
33      fewer than 5,000 individuals in poverty shall each be eligible to  
34      receive \$500,000; municipalities with between 5,000 and 10,000 indi-  
35      viduals in poverty shall each be eligible to receive \$1,000,000;  
36      municipalities with between 10,000 and 40,000 individuals in poverty  
37      shall each be eligible to receive \$1,500,000; and municipalities, or  
38      a borough, with more than 40,000 individuals in poverty shall each  
39      be eligible to receive \$2,750,000. Funds appropriated herein shall  
40      be available to support the work of each anti-poverty task force and  
41      such work shall be divided into two phases. During the first phase,  
42      the mayor of the municipality, or in the case of the Bronx, the  
43      borough president, will select a not-for-profit organization that  
44      has demonstrated successful performance working with community  
45      stakeholders and achieving objectives specified herein, to coordi-  
46      nate the local antipoverty task force. The not-for-profit organiza-  
47      tion serving as coordinator will assemble the antipoverty task force  
48      using the criteria outlined above. Provided further that, with

1 shall use data to identify high need issues and neighborhoods within  
2 the municipality, or in the case of the Bronx, the borough; identify  
3 problems that are common in neighborhoods throughout the munici-  
4 pality, or in the case of the Bronx, the borough; receive input from  
5 local residents; use data and resident input to select one or more  
6 focus areas related to either one or more issues or one or more  
7 neighborhoods; and develop a plan for how funding will be targeted  
8 toward the identified issues or neighborhoods. Such focus areas may  
9 include, but are not limited to childhood poverty and homelessness.  
10 Activities included in such plan may include, but are not limited  
11 to: providing public assistance recipients opportunities to partic-  
12 ipate in enhanced work activities that either provide recognized  
13 credentialing or enhanced career readiness or job training for  
14 better linkage to potential employment; assisting families in pover-  
15 ty through services provided to parents and children; and addressing  
16 chronic homelessness or housing insecurity. Such plan must include  
17 measurable objectives and a timeframe for completion and shall be  
18 submitted for approval to the commissioner of the office of tempo-  
19 rary and disability assistance. Of the total amount made available  
20 to each anti-poverty task force, the lesser of \$300,000 or 20  
21 percent of the total award may be used to carry out planning and  
22 administration, provided however, that the amount used for planning  
23 and administration may exceed such limitation if such amount is  
24 approved by the commissioner of the office of temporary and disabili-  
25 ty assistance as part of the plan required herein. Upon receiving  
26 approval from the commissioner of the office of temporary and disa-  
27 bility assistance, each such anti-poverty task force shall commence  
28 the second phase of its work, which will support the implementation  
29 of the plan developed during the first phase. Funding appropriated  
30 herein shall be made available to the not-for-profit organization  
31 serving as coordinator and its use shall be restricted to purposes  
32 or initiatives that do not necessitate ongoing state financial  
33 support. Such anti-poverty task forces shall be encouraged to secure  
34 match funding from private sector and foundation sources to supple-  
35 ment the funds appropriated herein and provided further that any  
36 funding provided from this appropriation shall not be used to  
37 supplant funding for programs already in existence. Such funds may

39 budget (931A16SP) (79994) ... 25,000,000 ..... (re. \$27,000)  
40 Notwithstanding any inconsistent provision of law, in support of a  
41 comprehensive statewide multi-year housing program to prevent and  
42 address homelessness across the State, funds appropriated herein may  
43 be used in conjunction with other resources made available as part  
44 of the state fiscal year 2016-17 and 2017-18 local assistance, capi-
